Dear Lisa and Chantal,

On behalf of Mike Schreiner and the Green Party of Ontario, I thank you and the OSPAPPH for the work you do in making physical activity a public health priority in Ontario. In addition, I'd like to thank you for your letter expressing your support of our policies on promoting healthier living in our province. We will continue to work toward making Ontario a physically active, healthier, greener, and more sustainable place.

Sincerely,

Emilia Melara
