FOOTPRINTS

One night I dreamed I was walking along the beach with the Lord. Scenes from my life flashed across the sky. In each, I noticed footprints in the sand. Sometimes, there were two sets of footprints; other times there was only one.

During the lowest times of my life I could see only one set of footprints, so I said, "Lord, you promised me, that you would walk with me always. Why, when I have needed you most, would you leave me?"

The Lord replied, "My precious child, I love you and would never leave you. The times when you have seen only one set of footprints, it was then that I carried you."
