# ENGRAVING

## *Yes, we engrave!*

HALO's on-site engraving makes it fast and easy to personalize any memorial urn with a decorative nameplate (we do not engrave on the urn itself). Whether you choose a flat, designer nameplate for direct application, or the chain nameplate to enhance a vase urn, you can depend on our precision engraving and accuracy to produce a quality product.

HALO offers a selection of fonts, including Block, Roman, Script, and Italic styles.

HALO engraving plates can accommodate 3-4 lines, please inquire about your specific choice.

For any questions regarding HALO's engraving services, contact your HALO representative.
