

H² PHONE RING

NEW!

CE RoHS FC RA ®

We called it the H² because Hula Hoop was a little too long. It's round and it reminded me of a Hula Hoop. We can deliver eye-popping, high resolution, crystal clear imprints for a "WOW" product that gets tons of exposure, and fits in most budgets. Occupy some of the most valuable promo real estate...your clients phone. Just send us a picture, and we'll make sure it pops with bright and vibrant colors. The H² PhoneRing is easy to use and not as bulky as other phone grip items. Slide your finger through the ring while talking or taking selfies for a secure grip, or use the ring as a stand to prop the phone up for watching videos. This is a promo item your clients will definitely use.
