

# Qi PB10000

**NEW!**

CE RoHS FC  

The QiPB10000 can charge up to 3 mobile devices at the same time. Charges any wireless charging phone simply by laying it on top of the item. It has two USB ports to charge additional items. The digital readout of just how much power you have left will let you know when it is time to recharge...which won't be often because this thing packs in 10,000 mAh of power.
