

VIDBRO 2.4

NEW!

Our 2.4 inch screen video brochure is the size of a business card, but carries way more impact. Rather than your clients reading about you, you can deliver the message yourself through a video. It's the next best thing to being there in person. Includes full color process printing on every side, and will literally (figuratively) blow your clients mind.

Includes: Full Color Imprint, 500mAh Rechargeable Battery, USB Cable, White Tuck Box
