ADOPTIONS:

Maybelline – July 5

Mister Underfoot July 12

Miss Sara – July 21

Adoption updates:

Ketchup, Tommy and Christofurr – new photos posted on her photo site (under adopted) – her mommy sent “Hope all is well with you, Woody, and all of the wonderful volunteers. Take care!” CJ who we knew as Tommy seems to like his new sister. There is also an updated photo of Spencer who we knew as Christofurr in his photo site.

Monet – is now called Tyson. His mommy sent an adoption followup form and says that Monet is doing very well and it is wonderful to see an animal thrive in a loving home. She also stated “keep up the good work”.

We Welcome these kitties:

We Welcome New Volunteers:

Jordan B.
Deanna M.

New Happenings:

Thanks to the Hanover Evening Sun for the article July 14, 2012 that they did for the York County SPCA cats at Hanover PetSmart. They did a wonderful job in describing the cats that were in the room and their desires to find a new home.

Posting “volunteer votes” on selected cats window cards. These are designed to let the public know that we have special cats. One cannot know their personalities just by looking at them through the window. Thanks to Steve for making the adorable cat templates to post. These can be found in the adoption table.

KUDOS to Carol for creating the Facebook page for the cats. Great job !!! They can be found on [Ycspca Cat Adoptions at Petsmart Hanover](#)

There are also some videos on YouTube highlighting some of the antics within the cat room. I have linked these videos to cats' photo sites but they can also be seen by searching joluvskatz on YouTube. Wonder why the picnic kitties are in so many of them ?
