## Kitty Updates!

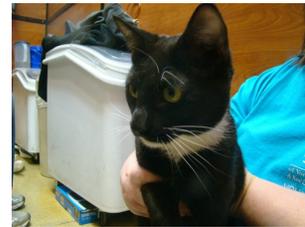

Noodles—They are doing great they love each other and noodles is so sweet. We love her. " : )

Ryan ! He is now Riley and is doing great. It only took 2 days for he and the other cat to meet and it was buddies right away. They spend time playing and grooming each other. The only problem they have is that Ryan (Riley) does not like the carrier ! He climbed over my shoulder and down my back when he thought I was going to put him in it.

## Spotlight Kitty!

Lester

I was found on East Middle Street in Hanover with my sibling Jupiter way back in July 2012. I am very playful and made quick friends with the other kitties here at Hanover PetSmart when I arrived!  
I would love to find my forever home!

My name is Demi and I am just ONE of MANY kitties at the shelter in York!

**DEMI COULD BRING LOVE TO YOUR FAMILY!**

If you would give her the second chance she so richly deserves, she will give you love and loyalty! Torties have plenty of cattitude and prefer to be the Diva of the clan. She gets along with other kitties just as long as they recognize she is the Queen! Demi came to the shelter with a litter of kittens in August 2012. Her kittens have long since found forever homes and Mama cat is still looking. Could you possibly be the one who has been looking for her?
