My son's name is Cash and he is 6 years old. We had a fundraiser at Sacred Symbols Tattoo Studio. He is an animal lover, especially dogs, and we have a Chiweenie which was a rescue. He sees the SPCA commercials on tv, and gets upset and wants to save all the un-wanted animals! I told him that we couldn't save all the animals, but we could have a fundraiser to help out with taking care of them. He got all excited and got right on the planning of it! The day couldn't come fast enough for him! He handmade the posters we used for advertisement. The day came, and the community really pulled together to help out Cash's cause! We got a TON of stuff! Cash was sooooo excited to take the donations to all of the animals! Thanks you so much for coming down and being a part of my son's day. It really meant a lot to him and I! We hope to help you guys out in the future too! Thanks again... you are doing a good thing helping out all those animals!

## Kitty Updates!

Mittens is doing just great! We have modified her name and we now call her Beatrice Mittens! She is still pretty shy but has come a long way - she lays down at night with me and will seek me out and let me pet her and kiss her sweet, adorable face! We just absolutely love her and are so happy we were able to adopt her!

&  
Ariel

Just wanted to let you know the kitty's are doing well. Valery's eyes are all healed up and doing well. She loves to spend time laying on the back of the sofa. Ariel does spend a lot of time under the bed but is getting better. She is starting to come out as soon as we walk into the bedroom and call for her but as we leave the room she follows us about three feet into the next room and then turns around and goes back.

Walter is doing great. He fit right in from the start. The kids love him to pieces. He is a very sweet and pleasant cat and we are so happy you all were able to help us find such a nice cat. Thanks for your help!

## Spotlight Kitty!

Randy

I came to the YCSPCA as a stray underage kitten in 2009! I had an injury to my right rear leg, I was hit by a car, and was on extensive cage rest. I was then taken to Bark of the Town where I was exposed to other cats, dogs, and birds. However, due to my injuries and young age I chose to go into hiding. I am friendly, but very shy, and will choose to hide as opposed to being bold and brave. The volunteers here at Hanover PetSmart hope to help me regain some of my confidence, but I need the love of my forever home so I can gain my full confidence back!
