OPEN DISCUSSION

JIM YEMM

DISCUSSION Brian indicated that the next ACB meeting is at 10:00 on 4/20/13 at the house.

Brian is concerned about the call in service that we have and Jim is already working with the IT people to have a better phone line for the call ins.

Brian mentioned the creation of the Alumni Advisory Board. He asked that past board members be active in this board as well as individuals that submitted their names for the election. Devon stated he would be involved in rush and I indicated to Brian that he could count on my participation. There are several key areas that the board can assist with, such as finance, risk management, recruitment, property management and others.

Devon said that it would be a good time to get the alumni relations golf tournament going again.

Brian asked Jim, Devon and I to be present at the 4/20/13 board meeting if possible. Devon has a previous commitment and Don said that he would be out of town but will try to call in.

Karl asked about the status of the pledge who was beaten back in February. Dominic said that he was OK but they still couldn't determine who did committed the assault. He is still a pledge. Jim said that we have heard nothing from the Columbia Police or University on the incident.

Devon asked Dominic to clarify how many pledges we currently have. Dominic said that we had 14 but had lost one.

Devon also thanked the new board members for stepping up to serve on the board. I appreciate your service as well.

Greg asked about Ridenhour Management Service. Brian stated that this will be on the 4/20/13 agenda.

Brian and I had reviewed the services that we felt would benefit the house and board. These were sent to Cory and he is preparing a quote for his services. Dominic asked Brian for a copy of the services that we are looking at from RMS.

Bruce asked for a report on who destroyed the chairs in the house and threw them in the dumpster. Dominic and Mom Andrea are working on this.
