## ABOUT US

There's a reason Trudeau's Park Resort won the LOLTA Vision Award for 2011. It's because of the non-stop action that's available for you to enjoy all weekend long. But the great thing is you set the pace. You can throw a party, or throw a pillow under your head and have a siesta. Not for too long though, because the Top Country music acts in Canada are on the main stage all afternoon. Don't forget there's also vendors with all kinds of fabulous stuff, and where else can you start the day off watching the wild thrills of bull riding! We've only just begun to describe the amount of different things for you to enjoy at The TSJ. To learn more, check out the website and start making your plans. We look forward to seeing you at this year's event! It's the place to meet some really good people. See you this summer!
