RENAULT CAR CLUB OF QUEENSLAND INC

The Renault Marque

Renaults can become much more than just a mode of transport. To many of us our Renault is a much loved member of the family. It takes on a personality of its own, one that develops over time as we enjoy good times together. Renault has been building cars since 1898 and the marque has always reflected its motor racing heritage by building cars with very good road dynamics and willing engines. Renault continues in Formula 1 today. One of the endearing features of a Renault is that they are French which gives them elegance and flair in design as well as loads of character.

While you may not consider yourself a car or car club person, please keep an open mind and read on...

The RCCQ & Our Members

The club formed in 1970 and has a membership of about 160 people. Members own a wide spectrum of models ranging from a 1913 Renault AX, several 1940s 4CVs, several magnificent Alpine Renaults right through to the very latest Renaults including Renault Sport Clio, Megane, Scenic and Koleos. Many club members have had long associations with Renault and while most now drive newer models many also continue to own and enjoy driving their older cars as well. Whatever the age of the car or owner, we all share a common bond of a passion for the Renault brand.

What the Club Offers

The RCCQ is a club of friendly people. A knowledge and interest in cars is not mandatory, nor do you have to own a Renault. Your interests may only be social and that is fine, we offer plenty of social activities. Our common bond is that we drive Renaults and/or are enthusiasts of the brand. Many club members have a wealth of knowledge of Renaults and are well skilled in keeping them running. The club has an extensive library of technical manuals for both old and newer models. We keep informed and in contact through; extensive use of email, Facebook, a club web site, a forum, monthly club nights, and a newsletter.

Club Events

The club offers frequent and wide ranging events to cover everyone from the family with children to empty nesters through to the young enthusiast. Events include; weekend drives & social outings, Economy Run, BBQ brekkie & drive, weekends away, Christmas in July, Midnight to Dawn drive, Happy Laps and sprints at Qld Raceway, monthly club nights and interstate Renault gatherings. The club has a friendship with a Renault club in France and hosted a number of people from France that came out to experience our country and hospitality and we in turn have ventured to France to experience theirs.

Interested?

You are welcome to come along to our events and enjoy our hospitality, we just hope in time you will choose to join our club. We meet at 7:30pm on the 4th Wednesday of each month at **Shannons Club Room Unit 5 West End Corporate Park, 305-313 Montague Road, West End**. All are welcome and there is a supper.
