Your client manager is Trude Smouse. She can be reached at 800-736-4327 ext. 4163. Her email address is tsmouse@willis.com. While Trude is the client manager, and your primary contact, you may be contacted by, or be directed to, other staff members. I have attached a company directory for your convenience.

Inspections are handled by Barb Witt at ext. 4188. email is bwitt@willis.com

Claims and Additional Premium Discounts are handled by Steve Wilson at ext. 4189. email is swilson@willis.com

Willis offers a competitive finance option if needed. To utilize during the current policy term there must be a minimum of 8 months remaining in the policy term from your effective date to the renewal date of April 1st. Due to an agreement with RSUI Indemnity Company and Hartford Steam Boiler Inspection & Insurance Company our agency is the only source of policy financing where the insurance policy itself is held as collateral. Please contact our office should premium financing be required.

Thanks again!
Tiffanie Havelka
