

ADMINISTRATOR DEVELOPMENT OPPORTUNITIES

The Board feels that professional growth of administrative staff members is desirable and necessary to maintain competence in school administration. Therefore, the Board encourages administrative staff members to attend educational meetings, conferences and workshops in order to become aware of changes in education that may affect school district policies and programs. Attendance at such meetings shall be reported to the Board. The Board shall give approval for attendance to any national meetings.

School administrators may be reimbursed for expenses incurred in the performance of their duties in accordance with established procedures and within current budgetary limitations.
