

PROFESSIONAL STAFF CONTRACTS

Contracts with individual professional staff members shall be in writing and signed by the Board Clerk in accordance with state law. All items included in the individual contract shall be subject to provisions of the current employee agreement with the South Shore Education Association (SSEA).

It should be clearly understood that no part of any negotiated agreement is to be considered as part of the Board's policy manual. The Board considers its policy manual and any negotiated agreement to be separate and independent documents because of their differing methods of construction. Policies in this section that cite the negotiated agreement are included for reference only and shall be removed if questions ever arise creating a conflict between Board policies and the SSEA negotiated agreement.
