

USE OF SCHOOL EQUIPMENT AND MATERIALS

The major purpose of school equipment and materials is to support the education of students in the district. Therefore, this use shall have precedence over all other uses. School equipment and materials may be used by staff members, community groups, students and student groups only with administrator approval and in accordance with established procedures.

The district administrator may deny the right to use any school equipment or materials to any individual. Appeals to the district administrator's decision may be made, in writing, to the Board.

Persons using school equipment and/or materials shall be responsible for the proper care and timely return of such equipment and/or materials. Any damage to the equipment or materials shall be paid for by the person who borrowed it (them), including the complete replacement of the equipment or materials if necessary.
