

PUBLIC INFORMATION PROGRAM

The Board recognizes the importance of having the informed support of the public. Therefore, public and school media shall be used to channel information about the school district and school activities into homes throughout the district. Specifically, the Board shall:

Make notices of Board and school district meetings, the agendas for such meetings, reports of business transacted at such meetings available to the residents of the school district.

Make information concerning educational activities and school events available to the residents of the school district.

Encourage all personnel to make themselves available for group or individual conferences so that the instructional program may be more adequately understood by all interested people in the district.

Solicit the advice and counsel of citizens in planning and operating the school district.

Encourage use of community resources in order that each learning experience may be more realistic to each child.
