

USE OF SCHOOL FACILITIES

The Board recognizes that school facilities belong to the school community. Therefore, it shall be the policy of the Board to encourage the use of school facilities by groups and organizations whose purpose and objectives contribute to the school or community.

In all instances, public school educational programs and activities shall have priority use of school facilities. School facilities may be used at other times when not required for school purposes.

Requests for use of school facilities shall be made through the District Administrator or his/her designee. Rental fees may be charged for non-school use of facilities in accordance with state law and established procedures. All rental fees shall be approved by the Board.

Any individual or group using school facilities shall be required to abide by all facility use regulations.
