

## **VISITORS TO THE SCHOOL**

The Board and staff of the South Shore School District welcome members of the community and other interested persons to visit the schools:

In order to assure that no unauthorized persons enter a school with wrongful intent, all visitors will be asked to report to the school office when entering the building during school hours in order to receive authorization to visit elsewhere in the building.

Any unauthorized person on school property will be reported to the district administrator, or his/her designee. The person will be asked to leave, and the police may be called if the situation warrants such measures.

### Student Visitors

Students wishing to bring a guest to school, or to school events or activities, shall make arrangements in advance and secure a guest pass. The guest must accompany a student from the district and will be subject to all student conduct rules. The host will be responsible for his/her guest's behavior.
