

1. Access Apple App Store and Search for 'zinio'

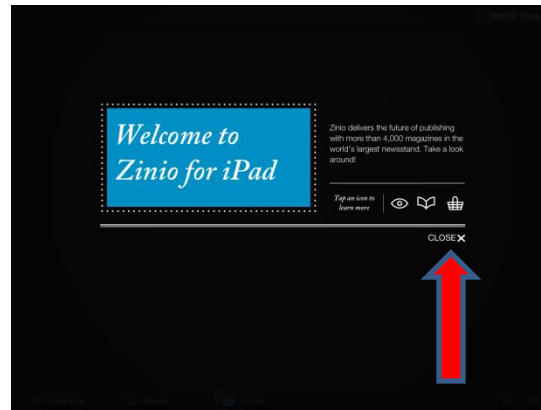

2. Install App by selecting the install/cloud icon and accepting content setting

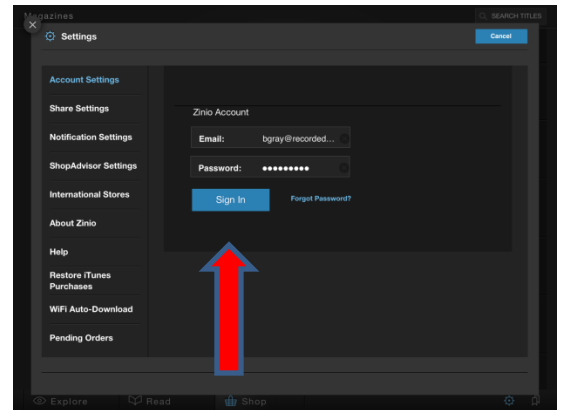

3. Open App by selecting the 'OPEN' button

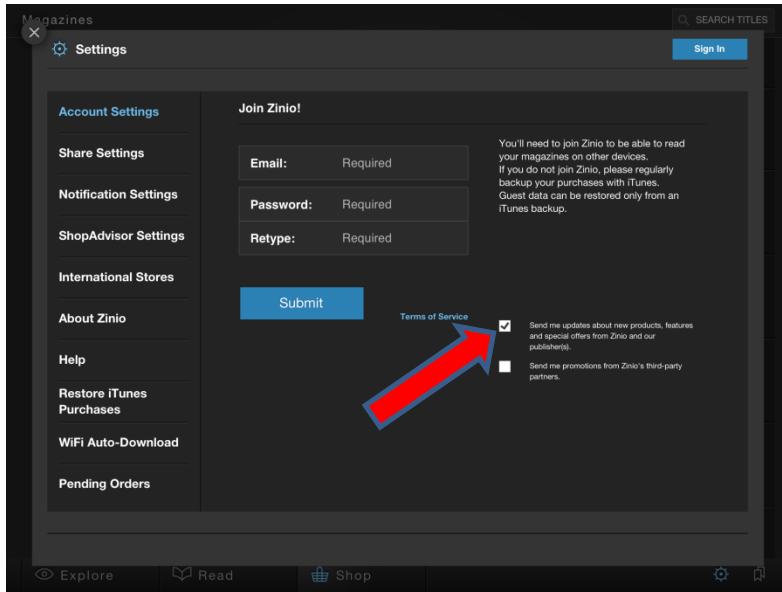

4. Log in to App by selecting the 'zinio' button

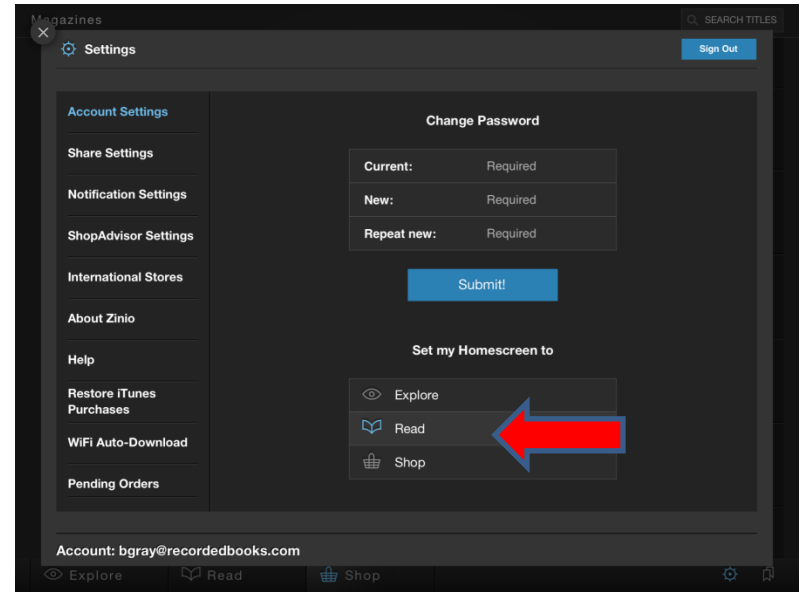

6. Enter same email/password used with online account

7. Update Settings for notifications

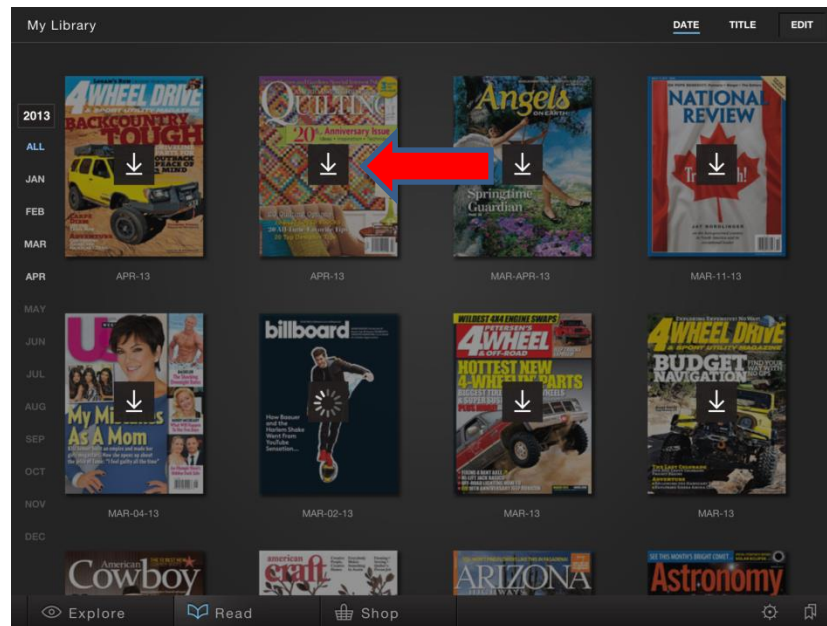

8. Set your 'Homescreen' to READ so each return visit goes directly to checked out magazines.

9. Select magazine from 'Read' tab by selecting down arrow

Magazine will download and open for reading after 5% is downloaded.

Subsequent reading will not require online connection.
