Marine Science Class Bonus Opportunity: Name _____

Many have asked for extra credit options that can be across the board for marine science...here is an opportunity worth knowing about. You must return this form to me with all parts completed for me to even acknowledge any participation in this opportunity. Step 1: Your parents must approve and **sign** off that they will allow you to participate: _____

(Parents, by signing, you accept complete liability for your children, the school is not requiring any participation, nor is the instructor. You assume all responsibility for your children's actions, transportation, and participation in its entirety. You are welcome to participate yourself.)

Step 2: Pick a date:

___ Wednesday, February 19, (6:30pm – 8:30pm) or

___ Thursday, March 20, (6:30pm – 8:30pm) or

___ Wednesday, April 23, (6:30pm – 8:30pm) or

___ Wednesday, May 21 (7pm – 9:00pm)

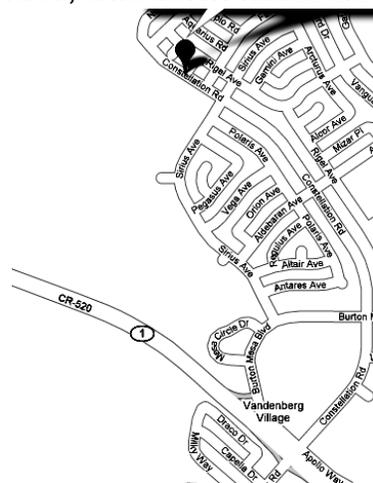

Step 3: Attend Cabrillo High School Aquarium Open House (you need not be there the entire time) and check out their aquarium.

Step 4: Take a picture of yourself there to submit to me along with this form. (Reminder, this form must accompany so I have parent verification.)

THE CABRILLO HIGH SCHOOL
AQUARIUM
A PARTNERSHIP WITH THE SEA

Take Highway 1 South toward Lompoc. Continue past Vandenberg AFB and into Vandenberg Village. Take the V.V. exit (Constellation Rd.) and head Left toward the shopping center. Stay on Constellation road until you arrive at the CHS Aquarium.

For your gps:
Cabrillo High School
Aquarium
4350 Constellation Rd
