Brought to you by

We all need a coach in our corner—and BenchPrep's diverse courses, individual study plans, and learning tools help adults and high school students excel on standardized tests and accomplish professional and educational goals.

## POPULAR COURSES

- Armed Services Vocational Aptitude Battery (ASVAB)
- Civil Engineering PE Exam
- Police Officer Exam
- Test of Essential Academic Skills (TEAS)
- English Language and Composition
- Algebra
- Biology
- Microbiology

## Anytime, anywhere access

BenchPrep courses include many of the following features:

### Study Plans

Make the most of your study time with built-in study plans that outline weekly study tasks and keep track of your activity in real time.

### Practice Questions

Practice with questions written by experts and review detailed explanations to every practice problem.

### Reports & Analysis

Identify your weaknesses and understand your score better with BenchPrep's intelligent reports and dashboard.

### Lessons & Videos

Study key concepts, review solved examples and learn tricks and strategies to master tests.

### Flashcards

Memorize concepts, formulas and definitions with pre-made digital flashcards.

### Confidence Levels

Personalize your experience by marking questions and lessons with a level of confidence to sort by what you need to study most.

### Tests

Get ready for the real test with BenchPrep's timed tests and review solutions so that you don't make the same mistake twice.

### Game Center

Test yourself with fun, engaging games that can be accessed from smartphones, tablets and computers.

### Notes & Bookmarks

Create bookmarks and write custom notes to remind yourself of tips, questions and concepts that you want to revisit later.
