Fulltime Student

Students must be scheduled as follows in order to be considered fulltime:

a. High school students must be scheduled for not less than one-half of the school day.
b. Junior high students (Grades 7 and 8) must be scheduled for not less than two-thirds of the school day.
c. Elementary students must be scheduled for not less than three-fourths of the school day.

Special Exceptions:

The above definitions apply to all students, unless one or more of the following situations apply to a specific case(s):

a. Special education students may have a less than minimum program if prescribed by the I.E.P. team, or if the student attends a center, which adheres to a schedule in variance with the school day schedule of the South Shore School District.
b. Any student who is involved in a school approved and/or supervised work experience program may be counted as fulltime, provided that a minimum program equivalent is identified.
c. Students who are designated by school administrator as full time virtual online students.
d. None of the above stipulations preclude the acceptance of any enrolled student as a fulltime with the documented approval of the Board.
