

# **Get the Job You *Really* Want in Six Steps!**

## **An Empowering Presentation for Teens** **Get Inspired to find Your Ideal Job** **Be in Control of your Future**

In this 1 hour presentation, Brian will take your students through his special six step process for finding the ideal job;

Step 1 – Aspirations; start with what you would love to do

Step 2 – Brainstorm; figure out what kind of professions are out there

Step 3 – Readiness; know what will be required of you in that job

Step 4 – Pathways; determine the best learning pathway to suit you

Step 5 – Action; prepare for your pathway and take the first step

Step 6 – Success; develop the skills to keep your job and excel in life

### **Brian McAleer—*Your Presenter!***

With almost ten year's of working with young people to his name, Brian is an engaging and inspired presenter. He has worked with teens from all walks of life, coaching and mentoring them on finding work, goal setting and tackling life decisions and choices. With practical advice and motivational stories to tell, Brian promises to deliver a talk that your students will walk away from feeling energised and excited about taking on their chosen pathway.
