

FOLDING MOUSE

NEW!

The name is not very creative, but your client won't care when they see how easy and useful the Folding Mouse can be. Business moves at a quick pace and this product keeps up. As clients travel to business meetings and conferences, they'll be taking your brand with them. Easy to fold up and store in a briefcase or computer bag, and even easier to pop out and start using. If you want your logo to travel with your client, the folding mouse is a great way to do it.
