Sharing Articles from iPad Zinio App

*Sharing an article via email with friends is one of the amazing features of the Zinio reading experience.

1. From the article – click the ‘Read’ tab in the bottom-center to convert the article into a text-only format.
2. The full text of the article appears.
3. To email the article to yourself or friends, click the bottom of the iPad screen and a menu will appear with a mail ‘envelope’ icon in the lower left.
4. Click the ‘envelope’ icon to open an email window. The full text of the article will be in the body of the email.
5. Enter the email and the email will be sent.
6. Anyone may receive the email – even if they do not have a Zinio.com account.
7. To switch your article back to full graphic flow, select the ‘Page’ tab in the bottom-center of iPad Window.
