1 THE GREAT HALL (REVISED SCENE 501 FROM "SECOND CHANCES") 1

LITTLE JOHN and MUCH man the closed doors of the Great Hall on the balcony. LITTLE JOHN opens the door, throws something out, then spits and closes the door again. Meanwhile, MUCH yells down to TUCK. DESARIELLA and the DOCTOR are in the background with some peasants.

MUCH

Tuck, get up here! We can't hold them!

TUCK pours from a large pitcher.

TUCK

Just a little bit longer!

ARCHER comes out of the tunnel. He glances over at DESARIELLA. DESARIELLA looks at him. They share a look. ARCHER's mind is flooding with information. DESARIELLA, reading his mind can tell what has just happened. She gasps. the DOCTOR looks at her. He is about to say something when ARCHER yells to all.

ARCHER

Leave the door! Everyone is to follow me! Robin's orders!

ARCHER picks up a boy to carry him.

ARCHER (cont'd)

With me! To the cellars!

ARCHER leads the peasants out. Those who can walk help those who can't. DESARIELLA and the DOCTOR don't move. ROBIN enters and leans wearily on a barrel next to TUCK. DESARIELLA heads to ROBIN.

DOCTOR (T)

D, what are you...

The DOCTOR stops his thought as DESARIELLA walks off.

ROBIN

Are we ready?

TUCK

Yeah, we're done, we're done.

TUCK looks at ROBIN with concern.

(CONTINUED)

TUCK (cont'd)

Guy?

ROBIN shakes his head solemnly.

ROBIN

(mouth)

No.

ROBIN grimaces with the first twinge of the poison's effects. TUCK nods, understanding GISBORNE is dead, but he also suspects something more with ROBIN.

ROBIN (cont'd)

(shout impatiently)

Get these people out!

TUCK

Come on!

MUCH and LITTLE JOHN herd those still guarding the doors out. DESARIELLA reaches ROBIN. She places a hand on his shoulder. She realizes he is dying but doesn't want him to know she knows.

DESARIELLA (VA)

Are you okay? You look...

ROBIN

I'll be fine, Des.

ROBIN places his hand on DESARIELLA's hand and looks at her.

DESARIELLA (VA)

You sure?

ROBIN

Yeah.

(beat)

Besides you still owe me that date.

ROBIN smiles. DESARIELLA smiles back at him. She can tell he is trying not to let his pain show.

DESARIELLA (VA)

Can't wait.

She removes her hand, brushing it against the cut on his neck. ROBIN walks off. DESARIELLA looks down at her hand and sees ROBIN's blood. DESARIELLA looks at a door leading into the castle, and heads for it. The DOCTOR sees her heading into the castle instead of going to the secret passage.

(CONTINUED)

DOCTOR
 (quietly)
 Where is she...

The DOCTOR heads to the door she went through. As he reaches the door, he hears the TARDIS materializing.

DOCTOR (cont'd)
 (mutter)
 No. She wouldn't.

He runs to the door and opens it.

CONTINUE TO:

2 CORRIDOR OUTSIDE THE GREAT HALL 2

The TARDIS is materializing around DESARIELLA.

The DOCTOR runs to the TARDIS. He waits for the TARDIS to fully materialize, then opens the door.

CONTINUE TO:

3 TARDIS - CONSOLE ROOM 3

DESARIELLA is entering information into one of the consoles. The doors open. The DOCTOR enters, closes the door, and heads to her. She ignores him. She has to get the timing right. He says line on way to her.

DOCTOR
 You can't do this. We can't do this.

DESARIELLA (VA)
 I have to.

He leans on the console, staring at her.

DOCTOR
 You can't change history, D.

DESARIELLA (VA)
 I'm not planning to.

The DOCTOR looks at her confused. She looks up at him.

DESARIELLA (VA) (cont'd)
 He died in that tunnel.

On the word "out" she points to the door.

(CONTINUED)

DESARIELLA (VA) (cont'd)
Everyone out there knows that.
Saving him and bringing him back
won't change that.

DOCTOR
What? How can you even...

DESARIELLA (VA)
He can stay here. With us. No one
would...

DOCTOR
D, you can't save him.

DESARIELLA (VA)
Before I left the Great Hall, I
managed to get a sample of Robin's
blood. I entered it into the
TARDIS. She knows what poison was
used. She can...

DOCTOR
You can't save Robin. He...

DESARIELLA (VA)
I'm not.

The DOCTOR looks at her confused. He was sure she was
planning on saving ROBIN. Everything seemed to indicate that
she was. If she wasn't, then what is she up to?

DOCTOR
What?

DESARIELLA (VA)
I'm not saving Robin. I'm saving
Sir...

DOCTOR
What? Why?

DESARIELLA (VA)
He deserves a second chance, Doc.
(beat)
Please. I've never asked you for
anything.

The DOCTOR thinks. DESARIELLA looks at him with the look he
has never been able to say no to.

(CONTINUED)

DESARIELLA (VA) (cont'd)

Please.

He knows there are a million reasons that this is a bad idea. A million reasons he should say no. But he can't. And she knows he can't. He gives in.

DOCTOR

Okay.

DESARIELLA smiles and flips a switch.

CONTINUE TO:

4 TUNNEL UNDER THE CASTLE 4

(Note: The TARDIS returns to the point in time where ROBIN has just left. GISBORNE is not 100% dead yet.)

The TARDIS materializes around GISBORNE and then dematerializes.

CUT TO:

5 TARDIS - DESARIELLA'S ROOM - BEDROOM 5

GISBORNE is laying in the bed. DESARIELLA is standing beside him. She is running a medical scanning device over his body healing the stab wounds.

DESARIELLA (VA)

Wounds are healed.

She puts the scanner down and picks up a hypospray that contains the antidote to the poison.

DESARIELLA (VA) (cont'd)

I hope I got to you in time.

She sits on the side of the bed. She looks at the hypo, and then at GISBORNE.

DESARIELLA (VA) (cont'd)

This better work. Please let this work.

DESARIELLA presses the hypo against his neck and releases the antidote. She removes the hypo and looks at him. She picks up the scanner and scans him. Nothing.

DESARIELLA (VA) (cont'd)

No. You can't be dead. Not after...

(CONTINUED)

She senses something and runs the scan again. It shows a very faint heartbeat. She looks at GISBORNE.

DESARIELLA (VA) (cont'd)
Guy, come back. I know you can do
it. I...

The scanner beeps. She looks at it. It indicates the heart beat is getting stronger. She looks back at GISBORNE.

DESARIELLA (VA) (cont'd)
You have to wake up. You have to.

She brings her left hand towards his face to stroke it, but stops as she notices the ring on her finger. She stares at the ring. It was a present from Doc 10 and she has worn it every day since he gave it her. She's never taken it off.

DESARIELLA (VA) (cont'd)
It's time.

She removes ring from her left hand and places it on her right, on the same finger as the adaptive ring that Doc 5 gave her. She looks at the adaptive ring for a moment.

DESARIELLA (VA) (cont'd)
Never did figure out what the
Master was implying about this
ring.

She looks at GISBORNE.

DESARIELLA (VA) (cont'd)
You must wake up.

She places her hands alongside of his face, in the "meld" positions. She closes her eyes.

DESARIELLA (VA) (cont'd)
Guy. If you can hear me. I need you
to come back. Come back.
(beat)
Please. I...

DESARIELLA senses GISBORNE move. She removes her hands and opens her eyes. She looks at him.

DESARIELLA (VA) (cont'd)
Guy?

GISBORNE slowly opens his eyes. DESARIELLA smiles.

DESARIELLA (VA) (cont'd)

Guy.

He starts to try and move. She places her hands on his shoulders.

DESARIELLA (VA) (cont'd)

Easy. Easy.

GISBORNE

Where am I? What...

GISBORNE sees her. She kinda looks familiar. She removes her hands.

GISBORNE (cont'd)

You? I... I know you.

DESARIELLA (VA)

Sorta.

GISBORNE is still a little out of it. He doesn't realize she is speaking without moving her lips. He says his line faintly and questioningly.

GISBORNE

You were at castle.

He tries to sit up but feels a little dizzy. She places a hand on his shoulder pushing him back down.

GISBORNE (cont'd)

You...

DESARIELLA (VA)

You shouldn't try to move.
You're...

GISBORNE

What happened? I...

DESARIELLA (VA)

Long story.

GISBORNE

Where's Robin? Archer? What...

DESARIELLA (VA)

All will be explained soon. I...

GISBORNE

Tell me now. I need to...

(CONTINUED)

DESARIELLA (VA)
No. You don't.

GISBORNE
What?

DESARIELLA looks at him. How does she tell him? What is the best way to tell him?

GISBORNE (cont'd)
Look, I need to get...

DESARIELLA (VA)
You can't.

GISBORNE
What?

DESARIELLA (VA)
Sir Guy of Gisborne died in that tunnel a long time ago.

GISBORNE looks at her with raised eyebrows.

DESARIELLA (VA) (cont'd)
Robin of Locksley died a short while later.

GISBORNE
I'm dead?

DESARIELLA (VA)
Yes. And no.

GISBORNE
(confused)
Explain.

DESARIELLA (VA)
You died. I saved you.

GISBORNE
Then you can save Robin.

DESARIELLA (VA)
No.

GISBORNE
Why not?

The DOCTOR enters the room, and leans in the doorway.

DOCTOR
I won't let her.

GISBORNE looks at the DOCTOR. He too looks familiar.

GISBORNE
Let her? What...

DOCTOR
Saving Robin would change the
course of history. We cannot do
that.

GISBORNE
History?

DOCTOR
We're time travelers. We...

GISBORNE laughs.

GISBORNE
What? You expect me to...

DESARIELLA looks at the DOCTOR.

DESARIELLA (VA)
Can you leave us alone, Doc?

The DOCTOR looks at DESARIELLA.

DESARIELLA (VA) (cont'd)
Please?

The DOCTOR nods and leaves. DESARIELLA looks back at
GISBORNE. GISBORNE is staring at her.

GISBORNE
Who are you?

DESARIELLA (VA)
My name is Desariella. The man that
just left is called The Doctor.

GISBORNE
Desariella. Unusual name.

DESARIELLA smiles.

GISBORNE (cont'd)
Why am I here?

DESARIELLA looks at him.

DESARIELLA (VA)
Because I felt you deserved a
second chance.

GISBORNE
What?

DESARIELLA (VA)
It all started 6 months ago. At
least, 6 months ago for me.

GISBORNE gives her a look.

FADE INTO A FLASHBACK:

6 months ago

6 CONSOLE ROOM

6

The DOCTOR is at the console. DESARIELLA walks down the
stairs and heads over to him, talking on the way.

DESARIELLA (VA)
Have you ever heard of a man called
Robin Hood?

The DOCTOR looks up.

DOCTOR
(questioningly)
Sherwood Forest, Sheriff of
Nottingham, Robin Hood?

DESARIELLA nods.

DOCTOR (cont'd)
Who hasn't? The man is a legend.

DESARIELLA (VA)
Ever meet him?

DESARIELLA reaches him and leans on the console. The DOCTOR
thinks.

DOCTOR
No. I don't think I ever have.

DESARIELLA (VA)
Want to?

DOCTOR
What?

(CONTINUED)

DESARIELLA (VA)
I had a weird dream last night.

The DOCTOR raises an eyebrow wondering what a weird dream has to do with Robin Hood.

DOCTOR
Oh? What...

DESARIELLA (VA)
I can't remember much.
(beat)
Just a bunch of flashes.

Momentary pause.

DESARIELLA (VA) (cont'd)
There was this man. Dressed in
black leather. On a white horse.
(beat)
Then there was another man. An
archer.
(beat)
There was a castle.
(beat)
The dream ended with a group of
people chanting one name over and
over.

DOCTOR
Which was?

DESARIELLA (VA)
Robin Hood.

The DOCTOR stares at DESARIELLA. She looks at him.

DESARIELLA (VA) (cont'd)
I just came from the library.
(beat)
This Robin Hood seems like an
interesting character.

DOCTOR
Don't believe everything you read.

DESARIELLA (VA)
I don't. Which is why...
(beat x2)
...I'd like to see for myself.

DOCTOR
You want to meet Robin Hood?

DESARIELLA (VA)
Yes.

Momentary pause.

DESARIELLA (VA) (cont'd)
That's not a problem is it?

DOCTOR
No. But...

DESARIELLA (VA)
But?

DOCTOR
Robin Hood is a legend. An icon.
People still fight in his name.
(beat)
If we go back, we'd have to be very
careful. We...

DESARIELLA (VA)
We can watch them from afar. Blend
in. No one'll even know we're
there.

The DOCTOR thinks. Then after a few moments smiles.

DOCTOR
Okay.

The DOCTOR fiddles with some dials.

DOCTOR (cont'd)
Nottingham. 1192. Here we come.

The DOCTOR pulls the lever. The TARDIS jerks and they are
off.

FADE OUT OF FLASHBACK:

7 DESARIELLA'S ROOM - BEDROOM

7

GISBORNE is now sitting in the bed. DESARIELLA is still
sitting beside him.

GISBORNE
If you wanted to meet Robin, why
save me? You could have...

(CONTINUED)

DESARIELLA (VA)
 (smile)
 Things changed.

GISBORNE looks at her, still confused.

DESARIELLA (VA) (cont'd)
 I'll admit, I wanted to meet the
 man behind the legend. The name
 Robin Hood still sounds today. He
 may have died, but the legend never
 did. People *still* fight in his
 name.

GISBORNE looks thoughtful. DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)
 But, things changed once we
 arrived.

GISBORNE
 How so?

DESARIELLA (VA)
 (smile)
 I ran into you.

GISBORNE looks at her.

DESARIELLA (VA) (cont'd)
 Literally. Doc and I turned a
 corner and I ran into you.

DESARIELLA remembers the day they met.

FADE INTO FLASHBACK:

8 NOTTINGHAM

8

The DOCTOR and DESARIELLA are walking through town. They are dressed accordingly, trying to blend in. The DOCTOR points ahead.

DOCTOR
 The castle is that way.

They walk for a few more moments then turn a corner. DESARIELLA collides with GISBORNE who seems to be in hurry. DESARIELLA can tell he is someone important.

DESARIELLA (VA)
 Sorry, Sir. I...

(CONTINUED)

GISBORNE

Watch where you're going.

GISBORNE continues on his way. DESARIELLA watches him go. She gets the feeling that he somehow looks familiar but she is not sure how.

DESARIELLA (VA)

(admiringly)

Who was that?

DOCTOR

Not sure. I...

DESARIELLA (VA)

Who ever he is, he's one troubled man.

DOCTOR

What do you...

DESARIELLA (VA)

His mind is racing with information.

DOCTOR

Like what?

DESARIELLA (VA)

Something about getting to Locksley before *he* returns.

DOCTOR

Before who...

At that moment, a voice bellows from behind them.

SHERIFF (VO)

GISBORNE!!!!!!

DESARIELLA can see the man she just collided with tense up and stop.

SHERIFF (VO)

Where are you?

GISBORNE turns around and looks back towards the castle. DESARIELLA and the DOCTOR turn and follow GISBORNE's glare. They notice a man standing on the steps of the castle.

SHERIFF

Gisborne!!!!

(CONTINUED)

GISBORNE walks past DESARIELLA and the DOCTOR and heads back to the castle. DESARIELLA reads him as he walks past.

GISBORNE (T)
This better be good. Robin will be
back any day. If he...

The SHERIFF sees him.

SHERIFF
Come on! We haven't got all day.

DESARIELLA watches GISBORNE head to the castle.

DESARIELLA (VA)
Gisborne. Sir Guy of Gisborne. That
was...

She realizes why he seemed sorta familiar.

DESARIELLA (VA) (cont'd)
My dream. He was the man from my
dream.

DOCTOR
Really?

DESARIELLA (VA)
Hmm.

DOCTOR
What?

DESARIELLA is still staring at GISBORNE.

DESARIELLA (VA)
I wasn't sure who the man in the
dream was, but I never thought it
would be Sir Guy of Gisborne!
(beat)
He's not what I pictured when I
thought of the Sheriff's right
hand.

The DOCTOR gives DESARIELLA a look. He notices the way she is looking at GISBORNE and is not quite sure how to take it.

RETURN TO PRESENT:

9 DESARIELLA'S ROOM - BEDROOM

9

GISBORNE and DESARIELLA are in the same positions as they were before.

DESARIELLA (VA)
You made quite the impression. I...

GISBORNE finally notices that her lips aren't moving.

GISBORNE
How are you doing that?

DESARIELLA (VA)
Doing what?

GISBORNE
Talking without moving your lips.

DESARIELLA laughs.

DESARIELLA (VA)
Thought projection.

GISBORNE
What?

DESARIELLA (VA)
I'm a telepath. This pendant...
(indicate pendant)
...converts my thoughts to sound.

GISBORNE
Witchcraft.

DESARIELLA (VA)
No.

GISBORNE
Sounds like witchcraft.

DESARIELLA (VA)
Trust me. It isn't witchcraft.

GISBORNE
Trust you?
(beat)
I still don't know why you brought me here, or how you managed to save me. There's no antidote for the poison that Isabella used.
(mutter)
I'd made sure of that when...

(CONTINUED)

DESARIELLA (VA)
There wasn't one in 1194. But the
TARDIS was able to create one. As
for why you are here, I...

Momentary pause.

GISBORNE
What?
(beat)
Tell me.

DESARIELLA (VA)
I originally wanted to go to 1192
just to meet Robin Hood. But...
(beat)
...after meeting you, I wanted to
hang around for a while.

GISBORNE
Why?

DESARIELLA (VA)
I wasn't sure at first. But as time
went on, it started to become
obvious.

DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)
I spent months watching you. Most
of the time you never knew I was
there. I...

GISBORNE
Months?

DESARIELLA (VA)
Well for me it was months. For you
it was more like...

She wonders just how long it really was? Was it two years?
or three?

DESARIELLA (VA) (cont'd)
...well it was longer.

GISBORNE
How could more time have passed for
me then for you?

(CONTINUED)

DESARIELLA (VA)
Time travel, remember?
(beat)
I can jump to any event in time I
want. Time for me can pass
differently.

GISBORNE looks at her confused.

DESARIELLA (VA) (cont'd)
I used the TARDIS' memory banks to
fast forward through the events of
your life. Whenever I found one I
wished to observe first hand, I
would bring the TARDIS to that
point in time. I could then observe
the event unfold, and when I wanted
to, return to the TARDIS and move
to the next point.

GISBORNE
How many "events" did you...

DESARIELLA (VA)
Would you like to know which ones?

GISBORNE thinks. He knows he's seen her before. He just
can't place where. He's not sure if he wants to know what
"events" she witnessed.

GISBORNE
I don't think so. I... Why did you
save me?

DESARIELLA (VA)
I saved you because I...
(beat)
I...

GISBORNE
You what?

DESARIELLA leans in and kisses him. After a few moments she
breaks the kiss.

DESARIELLA (VA)
I've wanted to do *that* since the
day I meet you.

GISBORNE
Really? What stopped you?

DESARIELLA is about to say "time lines" and the whole "not interfering in established events" but instead she goes with something simpler.

DESARIELLA (VA)
A million things. But... But now
none of them matter. You are here.
You...

GISBORNE kisses her. She is surprised. She kisses him back.

JUMP TO:

2 hours later

10

DESARIELLA'S ROOM - LIVING ROOM

10

GISBORNE is sitting on the couch. DESARIELLA is walking over. She speaks as she sits. GISBORNE looks at her when she says his name.

DESARIELLA (VA)
Guy, before we leave this room, I
need to show you something.

GISBORNE
Oh?

DESARIELLA (VA)
The TARDIS is unlike anything
you've ever seen.

GISBORNE
Tardis?

DESARIELLA (VA)
Yes. I need to prepare you for what
is outside that door.

DESARIELLA points to the main door. GISBORNE raises an eyebrow in curiosity.

DESARIELLA (VA) (cont'd)
Trust me. I won't hurt you.

GISBORNE
There's no reason why I should,
but...
(beat)
I do. I trust you.

DESARIELLA smiles and puts out her hands.

(CONTINUED)

DESARIELLA (VA)
Give me your hands.

GISBORNE places his hands in hers. She places them on her face in the "mind meld" positions. He is curious.

GISBORNE
What are...

DESARIELLA (VA)
Sh.

She places her hands on his face in the "mind meld" positions and looks into his eyes.

DESARIELLA (VA) (cont'd)
Close your eyes.

He does so. She closes her eyes. She takes a deep breath, and flashes an image from her mind to his. He is momentarily startled.

DESARIELLA (VA) (cont'd)
Can you see that?

GISBORNE
Yes.

DESARIELLA flashes an image of the day they first met, when they "ran" into each other.

GISBORNE (cont'd)
That's Nottingham. The castle.

DESARIELLA (VA)
Yes. The day I met you.

Next she flashes an image of the TARDIS from the outside. She is walking to it. She opens the door and the image changes to the inside.

DESARIELLA (VA) (cont'd)
This is the TARDIS. T-A-R-D-I-S.
Time And Relative Dimension In
Space.

GISBORNE
It's... bigger on the inside.

DESARIELLA (VA)
Yes. She is.

GISBORNE

How is...

DESARIELLA (VA)

It's hard to explain. But you'll get used to it.

(beat)

She can go anywhere in time or space. The past, the future, another planet.

GISBORNE

Impossible. One cannot...

DESARIELLA flashes an image of the Doctor.

DESARIELLA (VA)

This is the Doctor. He is a Time Lord from the planet Gallifrey.

DESARIELLA flashes an image of Gallifrey.

DESARIELLA (VA) (cont'd)

He has the ability to regenerate. Change his appearance.

DESARIELLA flashes images of Doctors 1 to 11.

DESARIELLA (VA) (cont'd)

My name is Desariella. I'm from the planet Aresia. The Doctor found me when I was an infant.

DESARIELLA flashes an image of Doctor 4 finding her.

DESARIELLA (VA) (cont'd)

He knew his life was not the sort of life for a child, so he found a young couple on Aresia to raise me.

DESARIELLA flashes a image of her adoptive parents Jareth and Karah.

DESARIELLA (VA) (cont'd)

Five years ago, my planet was destroyed.

DESARIELLA flashes an image of her and Doctor 11 watching Aresia blowing up on a TARDIS monitor.

DESARIELLA (VA) (cont'd)

The Doctor asked me to stay with him and I did.

(CONTINUED)

(beat)
 And now I'm asking you to come with
 me.

GISBORNE opens his eyes breaking the meld. DESARIELLA opens
 her eyes. They drop their hands.

GISBORNE
 Why?

DESARIELLA (VA)
 Isn't it obvious?

GISBORNE looks at her. She raises a hand to the side of his
 face.

DESARIELLA (VA) (cont'd)
 The first day I met you, I felt it.
 (beat)
 Sir Guy of Gisborne, I love you.

She kisses him. He kisses her back.

JUMP TO:

2 hours later

11 CONSOLE ROOM 11

The DOCTOR is sitting in a chair, thinking. The CAMERA zooms
 in on one of the control panels. There is a red light
 blinking, and a message flashing on a screen.

MESSAGE
 Time distortion detected.

The DOCTOR doesn't notice.

JUMP TO:

1 hour later

12 HOLOROOM 12

HORSE-RIDING PATH

DESARIELLA and GISBORNE are riding horses along a path. We
 stay with them for a few minutes, then we...

JUMP TO:

13 CONSOLE ROOM

13

The DOCTOR finally notices the flashing red light and goes over to it. He sees the message on the screen.

DOCTOR
What? Where?

The DOCTOR types a command into the console. An internal map appears. The distortion surrounds the area on the map where the Holoroom is. The DOCTOR types a few more commands. A new message appears.

MESSAGE
Quarantine initiated.

A big red square appears on the map surrounding the Holoroom and a few adjacent rooms.

DOCTOR
I wonder what could be causing that?

The DOCTOR thinks.

DOCTOR (cont'd)
(curious)
A time distortion?
(beat)
What could...

The DOCTOR thinks of something.

DOCTOR (cont'd)
Gisborne.

The DOCTOR races up the stairs.

JUMP TO:

14 HOLOROOM

14

2 hours have passed for DESARIELLA and GISBORNE.

The horses start to act spooked. DESARIELLA and GISBORNE stop the horses. DESARIELLA addresses her horse.

DESARIELLA (VA)
What is it? What's...

Then she feels it, or should I say senses it.

(CONTINUED)

DESARIELLA (VA) (cont'd)
Something's wrong.

GISBORNE
What?

DESARIELLA dismounts her horse and touches the ground. She closes her eyes. GISBORNE watches, not sure what she is doing. DESARIELLA "speaks" to the TARDIS.

DESARIELLA (VA)
(quietly)
What is it girl? What's...?

Momentary silence. GISBORNE dismounts his horse and goes over to her.

DESARIELLA (VA) (cont'd)
No. It can't be!

GISBORNE
What?

DESARIELLA (VA)
The TARDIS has detected a Time Distortion. The Doctor just quarantined this section.

GISBORNE
What does that mean?

DESARIELLA (VA)
It means, we are stuck in here til he fixes the problem and lifts the quarantine.

GISBORNE
How long will that be?

DESARIELLA (VA)
For him?
(beat)
Probably a few hours. For us...

Momentary pause. GISBORNE looks at her.

DESARIELLA (VA) (cont'd)
It's a Time Distortion. That means that time outside the distortion and time inside the distortion will pass at different speeds.

GISBORNE still looks confused.

DESARIELLA (VA) (cont'd)
 1 hour for him, could be 1 minute
 for us.

GISBORNE
 Oh.

DESARIELLA (VA)
 Or...

GISBORNE raises an eyebrow.

DESARIELLA (VA) (cont'd)
 1 hour for him could be days for
 us. Or weeks. Or years.

GISBORNE
 So we are trapped here for a while.

DESARIELLA (VA)
 Yeah. Looks like it. I...

GISBORNE brings his hand to the side of her face and kisses
 her.

The DOCTOR runs down the hall and stops at the door.

5 hours have passed for DESARIELLA and GISBORNE.

MEADOW

They are sitting under a tree in a meadow.

DESARIELLA (VA)

I guess time is moving slower
outside.

GISBORNE

How big is this room?

DESARIELLA (VA)

Infinite.

GISBORNE looks at her.

GISBORNE

What?

DESARIELLA (VA)

The *room* goes on forever. In every
direction.

GISBORNE

That's not possible.

DESARIELLA (VA)

It is also programmable.

GISBORNE looks at her confused.

DESARIELLA (VA) (cont'd)

We can change the surroundings.

GISBORNE raises an eyebrow.

GISBORNE

How?

DESARIELLA places her hand on the ground, closes her eyes,
and thinks. GISBORNE looks at her.

The surroundings change.

(CONTINUED)

DESARIELLA (VA) (cont'd)
Think of the place you want.

DESARIELLA closes her eyes and guides his thoughts into the TARDIS. She smiles when she sees where he's thinking of.

The room starts to change again.

CONTINUE TO:

NOTTINGHAM - CASTLE - THE GREAT HALL

The Great Hall starts to take shape around them.

They are sitting in the middle of the floor. No one else is in the room. The room finishes converting.

DESARIELLA opens her eyes.

DESARIELLA (VA) (cont'd)
Open your eyes.

GISBORNE opens his eyes. He is amazed. It looks so real.

GISBORNE
It looks so real.

DESARIELLA (VA)
It is real.

GISBORNE
What happens if I go out that door?

GISBORNE points to a door.

GISBORNE (cont'd)
Would I...

DESARIELLA (VA)
The room will adjust. If we go out that door, we will be where we would be if we were in the real castle.

GISBORNE stands up. He looks at her and offers her his hand.

GISBORNE
Well then, let me show you the castle.

DESARIELLA smiles and takes his hand. He helps her up, then they head for the door.

JUMP TO:

18 CONSOLE ROOM

20 minutes have passed for the DOCTOR.

The DOCTOR has finished searching Desariella's room and is heading down the stairs to the main console.

DOCTOR
I wonder where she is? What
could...

The DOCTOR gets a very strong suspicion that he hopes is wrong.

DOCTOR (cont'd)
No. Please. No.

He runs to the console and starts typing commands. The Quarantine Area appears again. He enters more commands. Two red dots blink in the area labeled HOLOROOM. The DOCTOR realizes that Desariella and Gisborne are trapped inside the distortion.

DOCTOR (cont'd)
Damn!

JUMP TO:

19 HOLOROOM

8 hours have passed for DESARIELLA and GISBORNE.

CASTLE CORRIDOR

DESARIELLA and GISBORNE are walking along a corridor.

GISBORNE
I've never seen this place so
empty. Where is everyone?

DESARIELLA (VA)
Nowhere.

GISBORNE
What?

DESARIELLA (VA)
We haven't programmed in people
yet.

GISBORNE
Programmed?

(CONTINUED)

DESARIELLA (VA)
Everything in *here*, is a projection. You asked the TARDIS for the castle. She gave you the castle. If you want people you have to ask for them.

GISBORNE
Oh.

DESARIELLA (VA)
Did you want people?

GISBORNE
Not yet.

DESARIELLA (VA)
You sure?

GISBORNE
Yes. The quiet is nice.

DESARIELLA (VA)
Okay.

They walk on. In a few moments, they turn a corner and GISBORNE stops outside a door. He looks at it. DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)
What is it?

GISBORNE
This used to be my room.

DESARIELLA (VA)
Really?

GISBORNE
Yeah. Haven't been in there in over a year.

DESARIELLA (VA)
Shall we open the door?

GISBORNE opens the door.

Everything is exactly as he left it. He notices a sword laying on the dresser and a bow with a quiver of arrows in the corner.

He enters the room.

CONTINUE TO:

GISBORNE'S ROOM

He goes over to the sword and picks it up. It's his sword.
How did it get here?

DESARIELLA enters the room and notices the black leather outfit hanging in the closet.

DESARIELLA (VA) (cont'd)
Nice choice.

GISBORNE
What?

DESARIELLA (VA)
That outfit was one of your best.

GISBORNE
I didn't put that...

DESARIELLA (VA)
Yes you did.

GISBORNE looks at her.

DESARIELLA (VA) (cont'd)
The TARDIS used your thoughts to form this castle. Everything is as you remembered or wanted.

GISBORNE
Everything?

DESARIELLA (VA)
Yes.

GISBORNE thinks to himself "well that explains how the sword got here". DESARIELLA goes over to the bed and sits on it.

DESARIELLA (VA) (cont'd)
So, do you still want to be *Sir*
Guy?

GISBORNE looks at her with raised eyebrows.

DESARIELLA (VA) (cont'd)
In *here* you can be whoever you want to be. *What* ever you want to be.

GISBORNE smiles seductively as he makes his way over to her.

(CONTINUED)

GISBORNE

Really?

DESARIELLA (VA)

Yes, m'lord.

GISBORNE smiles at her as he sits on the bed beside her.

GISBORNE

No one's called me that in a while.

DESARIELLA (VA)

Better get used to it. As long as we are here...

She indicates the room.

DESARIELLA (VA) (cont'd)

...inside the holeroom, you...

GISBORNE smiles at her.

GISBORNE

Can I really be anything?

DESARIELLA (VA)

Yes.

GISBORNE runs his hand along the side of her face.

GISBORNE

So I could be Sheriff.

DESARIELLA (VA)

If that is what you want.

GISBORNE smiles. DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)

But why stop at Sheriff. You could be a Lord, or a Prince, or even a King.

GISBORNE rests his hand under her chin. He smiles at her.

GISBORNE

Hmm. Tempting.

(beat)

But one step at a time. Don't want to be too greedy and rush things, now do we?

(CONTINUED)

DESARIELLA (VA)
As you wish, m'lord.

He brings her lips to his and kisses her. She kisses him back. He lays her back on the bed.

DOCTOR
Come on.

A message is flashing on the display screen in front of him.

MESSAGE
Time distortion is still in effect.
Quarantine can not be released.

The DOCTOR looks at the screen in disbelief.

DOCTOR
Are you serious?

The DOCTOR huffs and thinks.

In that time, they have staffed the castle with servants and a full compliment of guards. They also have villagers and other folk around. They've begun to forget that this is not real. GISBORNE is starting to feel like this is home.

THE GREAT HALL

DESARIELLA is sitting at the table writing a letter. Two guards are standing in the room.

CAMERA focuses on the letter that she is writing.

LETTER (cont'd)

It is with great remorse that I write this letter to inform you not only of the failure of the *mission* to the Holy Land, but of the unfortunate death of Sheriff Vasey.

(beat)

While the death of the Sheriff is a great loss to Nottingham, I also bring you good news.

(beat)

The last thing he did before he died, was to kill Robin Hood and his gang of outlaws. They are buried in the desert.

(beat)

Upon my return to the castle, I assumed the position of Acting Sheriff until you could officially appoint a replacement.

(beat)

I sincerely hope you will consider me for the position.

(beat)

Your loyal servant,

(beat)

Sir Guy of Gisborne.

DESARIELLA looks the letter over, then folds it, puts it in an envelope, and seals the envelope with the Sheriff's seal. She then looks up and summons one of the guards over. The Guard approaches. She hands him the envelope.

DESARIELLA (VA)

See that this gets to Prince John.

GUARD #1

Yes m'lady.

The guard leaves. She watches him leave, thinking to herself that "m'lady" never gets old. She is enjoying it.

DESARIELLA (VA)

Only one more thing to do.

DESARIELLA motions the other guard over.

DESARIELLA (VA) (cont'd)

I need you to go to York.

GUARD #2

York, m'lady?

(CONTINUED)

DESARIELLA (VA)
Yes. I need you look for a man
named Archer.

The Guard looks at her with raised eyebrows.

DESARIELLA (VA) (cont'd)
This is important. You need to send
word to me the *moment* he arrives.

GUARD #2
Yes, m'lady.

GUARD #2 heads for the door. As he is approaching the door,
GISBORNE walks in. They pass. The Guard acknowledges
GISBORNE.

GUARD #2 (cont'd)
M'lord.

The Guard continues toward the exit. GISBORNE looks at the
guard, and then at DESARIELLA.

GISBORNE
Where is he going?

DESARIELLA smiles. GISBORNE goes to her.

GISBORNE (cont'd)
What are you up to?

DESARIELLA (VA)
A surprise, my love.

She kisses him. After a few moments they break the kiss. He
looks at her.

GISBORNE
So, have you figured it out yet?

DESARIELLA (VA)
Figured what out?

GISBORNE
How you can *read* the people in here
when they are only projections and
not real people.

DESARIELLA (VA)
Oh that.

GISBORNE looks at her.

DESARIELLA (VA) (cont'd)

Not really.

(beat)

I'm thinking it must have something to do with the TARDIS' telepathic circuits and my connection to her.

GISBORNE

(not really understanding)

Right.

DESARIELLA looks at him, knowing he doesn't really understand what she just said. She smiles at him.

DESARIELLA (VA)

But, it doesn't really matter, does it?

He smiles back. She kisses him.

The DOCTOR is standing in the hallway at the edge of the quarantine field. He is fiddling with his sonic screwdriver, setting it. After a few moments he has the settings programmed into it. He looks at the quarantine field and aims his sonic at it. He presses the button and nothing happens. It doesn't make a sound. He looks at the sonic making sure it is set properly. It is. He tries again. Still nothing. He looks up at the ceiling frustrated.

DOCTOR

Seriously?

What's wrong?

If I didn't know better, I'd think you were deliberately...

The DOCTOR stops talking and walks off.

DESARIELLA (VA)

Can you meet me in the Great Hall
in one hour?

GISBORNE

Sure. Why? What are you...

She smiles at him.

DESARIELLA (VA)

It's a surprise.

GISBORNE looks at her with an eyebrow raised in curiosity.

GISBORNE

Can I have a hint?

She places a hand to the side of his face and looks at him lovingly.

DESARIELLA (VA)

Patience, my love.

GISBORNE smiles and kisses her. They break the kiss. She walks off. He wonders just what she is up to.

GISBORNE smiles and kisses her. DESARIELLA thinks to him while kissing him back.

DESARIELLA (T)

Guy, people are...

GISBORNE thinks back.

GISBORNE (T)

So what. I am lord of this castle now. Am I not?

They break the kiss. He smiles at her.

DESARIELLA (T)

Yes you are. *Lord* Sheriff.

GISBORNE (T)

(still smiling)

And, as lord of this castle, I can do as I please.

DESARIELLA (T)

Of course.

GISBORNE (T)
And I please to do this.

He kisses her again. He breaks the kiss and then drinks his drink. He places the goblet down on the tray of a passing servant. He then takes DESARIELLA's goblet from her and places it on the same tray. He looks at her.

GISBORNE
Dance with me.

GISBORNE offers her his hand. She smiles and takes it. They head to the dance floor and dance.

GISBORNE

She's fading.

The TARDIS.

Momentary pause. DESARIELLA sits up.

But, since we've entered this

fading. She is almost gone.

GISBORNE
What does that mean?

DESARIELLA (VA)
The time difference is getting

Momentary pause.

DESARIELLA (VA) (cont'd)
Remember when I said time for us
and time for the Doctor would pass
differently?

GISBORNE
Yes.

DESARIELLA (VA)
Since I am losing my connection to
the TARDIS, I...

(beat)

I think we are moving faster. I
also think the longer we are in
here, the faster we are going.

GISBORNE
What are you saying?

DESARIELLA (VA)
At the beginning we were close.
Probably something like seconds for

GISBORNE
And now?

Momentary pause.

GISBORNE

Years?

DESARIELLA (VA)

DESARIELLA places her hand on the ground and closes her eyes. She concentrates. GISBORNE looks at her.

The MAN looks scared. GISBORNE turns and looks at him.

GISBORNE
Why were you at the stables?

The MAN doesn't answer. DESARIELLA can tell the man will not answer, but she can read his mind and knows the answer. DESARIELLA looks at the MAN and says what he can not.

DESARIELLA (VA)
You followed someone.

MAN
Yes, m'lady.

DESARIELLA (VA)
The real thief.

The MAN looks to the ground not wanting to confirm the statement. GISBORNE addresses the MAN.

GISBORNE
Is that true?

MAN
Yes, m'lord.

GISBORNE
Who did you follow?

The MAN doesn't answer. DESARIELLA is still staring at him, reading him. After a few moments she finds the answer.

DESARIELLA (VA)
Brother.

GISBORNE looks at her.

DESARIELLA (VA) (cont'd)
You followed your younger brother.

The MAN looks up at DESARIELLA wondering how she knew that.
GISBORNE looks back at the MAN.

GISBORNE
Where is he now?

MAN
I... I don't know, m'lord.

GISBORNE looks to DESARIELLA.

DESARIELLA (VA)
He is lying. You will find his

The MAN looks back at DESARIELLA again still wondering how
she seems to know exactly what he is thinking. GISBORNE
addresses the guards.

GISBORNE
Go to the Trip Inn and get his
brother.

The GUARDS leave. The MAN stays. GISBORNE looks at him.

GISBORNE (cont'd)
You are free to go.

But, m'lord, he is...

GISBORNE glares at him.

GISBORNE
When the guards find your brother,
he will be locked in the dungeon

The MAN looks to the ground. DESARIELLA looks at GISBORNE,
and then at the MAN. The MAN turns and exits. GISBORNE looks
at DESARIELLA and notices the look.

DESARIELLA (VA)
Seriously? Execution? I...

GISBORNE
D, the law says that...

DESARIELLA (VA)
Yes but...

GISBORNE
This is more than just a *program*.
It has been for a while. You know
that.

DESARIELLA (VA)
Yes. It has been getting more *real*.
People and events are taking on a
life of their own. I...

GISBORNE
We must treat the *people* as real.
And deal with them as they
should...

DESARIELLA (VA)
You're right. I...

GISBORNE
I did say he would be "locked in
the dungeon *until* a public
execution can be arranged" didn't
I? I could've just as easily said
he would be executed on the spot.

DESARIELLA (VA)
Of course.

GISBORNE raises a hand to the side of her face. He gives her

GISBORNE is beginning to think she may say no. He is about to say something when she says her line.

DESARIELLA (VA) (cont'd)
Yes.

GISBORNE is momentarily stunned. He was sure she was about to say no.

GISBORNE
(surprise)
Yes?

DESARIELLA (VA)
(smile)
Yes. I'll marry you.

DESARIELLA kisses GISBORNE. They break the kiss. He puts the ring on her finger and they kiss again. He breaks the kiss and looks at her.

GISBORNE
How accurate is the forest?

DESARIELLA looks at him questioningly, wondering why he is only asking that question now. What is he up to?

DESARIELLA (VA)
The TARDIS took detailed specs while we were there.

GISBORNE
Of the *entire* forest?

DESARIELLA (VA)
Of the entire *planet*. The forest is exactly as it was then. So is everything else.

GISBORNE
(smile)
Then I want to show you something.

OUTLAW CAMP

After a few more minutes, GISBORNE stops. DESARIELLA stops as well. They are outside the hidden entrance to the outlaw camp. GISBORNE dismounts Midnight.

GISBORNE (cont'd)

It's still here. Exactly as it was.

DESARIELLA isn't sure where they are. She looks at him. She can tell this place is special to him.

DESARIELLA (VA)

Where are we?

GISBORNE goes to her and helps her off Snowstorm. He takes her hand and leads her to the entrance. He opens the secret door.

DESARIELLA realizes where they are.

DESARIELLA (VA) (cont'd)

Is this what I think it is?

GISBORNE

Robin's camp. I turned the forest upside down trying to find this place when I worked for the Sheriff.

DESARIELLA (VA)

I know.

GISBORNE

When Robin finally brought me to it, I was amazed.

DESARIELLA enters the camp. GISBORNE follows.

DESARIELLA (VA)

DESARIELLA leans back against his chest, sensing something in him.

DESARIELLA (VA)
You miss it all, don't you?

GISBORNE
Sometimes.
(beat)
But that is the past. In more ways than one.

First to let you know that you have been doing a fine job as Sheriff. Far better than I could have hoped, Gisborne.

GISBORNE

Thank-you sire.

And the second reason?

PRINCE JOHN

I think it is time to turn over the Locksley Estates to a more permanent owner.

GISBORNE

Agreed.

PRINCE JOHN

And, since the only legal heir was outlawed before he died, I would...

GISBORNE knows that PRINCE JOHN is thinking of offering him the lands. He interrupts him.

GISBORNE

Actually sire, Lord Malcolm has another heir.

PRINCE JOHN

Doesn't know?

GISBORNE

He was given away as an infant. Lord Malcolm was going to send for him when the time was right, but...

PRINCE JOHN

Wait.

(beat)

If this *Archer* doesn't know who he really is, how do you know?

GISBORNE

Archer's mother, was also my mother.

PRINCE JOHN

You have a 1/2 brother?

GISBORNE

It would appear so.

PRINCE JOHN

Who is... was... also Robin Hood's 1/2 brother?

GISBORNE

Yes.

(CONTINUED)

PRINCE JOHN

And he has no idea that he is heir
to...

GISBORNE

None.

PRINCE JOHN

Then why tell him.

GISBORNE looks at PRINCE JOHN with raised eyebrows.

PRINCE JOHN (cont'd)

The Locksley Estates could be
yours. Just say the word and
I'll...

GISBORNE

No.

PRINCE JOHN

(raise eyebrow)

No?

GISBORNE

The lands belong to Archer.

PRINCE JOHN stops walking and looks at GISBORNE surprised.
Then he thinks of something and smiles almost humourously.

PRINCE JOHN

Of course. How foolish of me.
Brilliant.

GISBORNE stops walking on the word "course". He looks at
PRINCE JOHN confused.

PRINCE JOHN (cont'd)

Do the whole noble thing.
Because... If he should die without
an heir, as his 1/2 brother you
would inherit the lands. Clever.

(beat)

I'm assuming this Archer will meet
an untimely death shortly after
he...

GISBORNE

I have no intentions of harming
him, sire.

PRINCE JOHN looks at GISBORNE.

(CONTINUED)

PRINCE JOHN
(disbelievingly)
Right. Of course not.

Momentary pause.

PRINCE JOHN (cont'd)
I shall have the papers drawn up.
And once you find Archer, all he
will have to do is sign them and
the Estates are his.

PRINCE JOHN starts to walk. GISBORNE follows. PRINCE JOHN
thinks of something.

PRINCE JOHN (cont'd)
What if he doesn't want them?

GISBORNE
Why wouldn't he want them?

PRINCE JOHN
Maybe he'd rather sell them and
have the money.

GISBORNE
If he wishes to sell, then I shall
offer to buy them.

PRINCE JOHN smiles.

PRINCE JOHN
Good. I shall have those papers
drawn up as well.

PRINCE JOHN walks on. GISBORNE follows.

PRINCE JOHN (cont'd)
Now, I shall like to meet your
lovely bride to be.

GISBORNE
Of course sire.

They walk off.

JUMP TO:

THE GREAT HALL - 2 WEEKS LATER

ARCHER and GISBORNE are sitting at a table. GISBORNE is on
one side, and ARCHER is on the other.

(CONTINUED)

On the table, in front of GISBORNE, are two "deeds". There is a feather pen and ink well on the table near ARCHER.

ARCHER

Why am I here?

GISBORNE

As the only living son of Malcolm of Locksley, you have inherited his lands and Estates.

(beat x3)

You can either accept them, or sell them.

(beat x3)

If you accept, everything will be yours. And, upon your death pass to your heir. Should you have no heir, they would pass to your next of kin. Which would be me as I am your 1/2 brother.

(beat x3)

If you wish to sell, I would be interested in buying them.

(beat x3)

Which will it be?

ARCHER

Hmmm... Lord Archer of Locksley. Nice ring to it.

GISBORNE

So you accept?

ARCHER

Yes, brother. I accept.

GISBORNE

Thought you might.

GISBORNE picks up one of the "deeds" and slides it across the table to ARCHER.

GISBORNE (cont'd)

All you need to do is sign and the lands and Estates are yours.

ARCHER picks up the feather pen, dips it in the ink and signs the deed.

JUMP TO:

32 TIME FLIES - TARDIS - WORKSHOP 32

Roughly 30 minutes have passed for the DOCTOR.

The DOCTOR is still assembling the device. We watch him for a few minutes then leave him still busy at work.

(Note: There is now a small monitor and keyboard attached to the device which allows the user to enter commands into it and allows the device to display messages to the user.)

JUMP TO:

33 HOLOROOM 33

2 1/2 months have passed for GISBORNE and DESARIELLA.

The chapel is all decorated for GISBORNE and DESARIELLA's wedding. The chapel is full of guests. GISBORNE is standing at the altar waiting for DESARIELLA to arrive.

CUT TO:

BACKROOM

A servant girl is doing DESARIELLA's hair.

DESARIELLA (VA)

I can't believe I'm really getting married.

GIRL

You are lucky, m'lady. Lord Gisborne loves you so much.

DESARIELLA (VA)

I know. It's just...

Momentary pause.

GIRL

What is it, m'lady?

DESARIELLA (VA)

I assumed that when this day came, Doc would be here. He...

GIRL

Who is this Doc that you so often talk about?

(CONTINUED)

DESARIELLA (VA)
A friend.

The girl finishes DESARIELLA's hair.

GIRL
Friend?

DESARIELLA (VA)
He's always been there for me.
Since I was a child.

The girl places the veil on DESARIELLA.

GIRL
Are you sure he won't be here?

DESARIELLA (VA)
Yes. There's no time. He...

DESARIELLA chuckles at the thought of what she just said.

DESARIELLA (VA) (cont'd)
Time.
(beat)
Weird. I...
(beat)
I always figured that *time* was the
one thing he *could* control.
(beat)
Sort of.
(beat)
My Doctor.
(beat)
The Time Lord.
(beat)
But... but this is one party he'll
miss. There's just no...

DESARIELLA's sentence is cut short by a knock on the door.
The girl goes to the door and opens it. It's ARCHER. ARCHER
enters and looks at DESARIELLA.

ARCHER
Wow. You look... Wow.

DESARIELLA (VA)
Thanks.

ARCHER
You sure you still want my brother?
I could...

(CONTINUED)

DESARIELLA (VA)
Yes. Guy is the only one for me.

ARCHER offers DESARIELLA his arm.

ARCHER
Then let me take you to him.

DESARIELLA takes his arm.

CONTINUE TO:

TIME FLIES

ARCHER leads DESARIELLA to the doors of the chapel. The doors open and they see GISBORNE standing by the altar waiting. ARCHER walks her down the aisle and gives her to GISBORNE. They get married.

JUMP TO:

The DOCTOR is putting the finishing touches on the device. After a few moments he finishes it.

DOCTOR
Hope this works.

The DOCTOR picks up the device and exits the room.

JUMP TO:

35 HALLWAY

35

The DOCTOR places the device in front of the quarantine field.

DOCTOR
Here goes nothing.

The DOCTOR starts to speed enter commands into the device. After a few moments it displays a message.

After a few more seconds the message changes.

HOLOROOM

36

4 years have passed for GISBORNE and DESARIELLA.

SHERWOOD

GISBORNE and DESARIELLA are riding through the forest.
GISBORNE on Midnight and DESARIELLA on Snowstorm.

GISBORNE has on his black leather outfit and is wearing his sword on his waist.

The horses get spooked.

Snowstorm rears and DESARIELLA falls off. She hits the ground hard.

GISBORNE
(alarm/concern)
D?

GISBORNE stops Midnight the second Snowstorm rears up.
GISBORNE dismounts as DESARIELLA falls. He runs to her.

DESARIELLA, on the ground, senses something she hasn't sensed in a long time -- The TARDIS.

(CONTINUED)

DESARIELLA (VA)
(quietly)
He's done it.

GISBORNE reaches her.

GISBORNE
Are you okay?

DESARIELLA looks up at him. She is both happy and sad.

DESARIELLA (VA)
Looks like the Doctor has given us
an Anniversary present.

GISBORNE looks at her with raised eyebrows. There's a name he hasn't heard in a while.

GISBORNE
The Doctor?

DESARIELLA (VA)
The quarantine has been lifted. I
can sense that...

DESARIELLA stops talking as she realizes the full impact of what is happening. GISBORNE looks at her, still full of concern, and not sure what she is talking about.

GISBORNE
What?

DESARIELLA (VA)
The Doctor. He's fixed the...

GISBORNE
(understanding)
Oh.

DESARIELLA (VA)
You know what this means, don't
you?

DESARIELLA looks at him. He nods affirmatively, and helps her up.

DESARIELLA (VA) (cont'd)
Only one problem.

GISBORNE
Which is?

DESARIELLA (VA)
I don't want to leave. I want to
stay here.

GISBORNE raises a hand to the side of her face and looks her
in the eye.

GISBORNE
D, I love you. That'll never
change. I'll love you forever. No
matter where we are.

All of a sudden the surroundings start to fade. Everything,
except the items that DESARIELLA and GISBORNE are wearing,
disappear. The program is shutting down.

DESARIELLA (VA)
Guy, I...

She kisses him as the program completely fades away around
them.

CONTINUE TO:

BLANK ROOM

The door opens. The DOCTOR enters. DESARIELLA and GISBORNE
are still kissing.

DOCTOR
Finally! I...

He notices DESARIELLA and GISBORNE locked in a passionate
embrace.

DOCTOR (cont'd)
Oh. Sorry. I...

The DOCTOR notices that they somehow look different. He's
not quite sure what it is, but it is something.

DOCTOR (cont'd)
I leave you two alone for a few
hours and...

DESARIELLA and GISBORNE break the kiss. DESARIELLA looks at
the DOCTOR.

DESARIELLA (VA)
A few *hours*?

(CONTINUED)

DOCTOR

Yeah.

DESARIELLA (VA)

Really?

DOCTOR

Why? What...

GISBORNE

It might have only been a few hours for you, Doc, but it's been a lot longer for us.

DOCTOR

How *much* longer?

DESARIELLA (VA)

Try 5 years.

DOCTOR

Years?

DESARIELLA (VA)

Well, 5 1/2 if you want to be exact.

DOCTOR

(confused)

What?

DESARIELLA looks at GISBORNE.

DESARIELLA (VA)

Come on Guy. Let's get out of here.

GISBORNE

Yes my love.

DESARIELLA and GISBORNE walk past the DOCTOR and leave. The DOCTOR watches them go wondering just how close they got.

DOCTOR

(mutter to himself)

5 1/2? A lot can... Wait, did Gisborne just call me Doc. I hate it when people call me Doc. Only D gets to call me Doc. I...

The DOCTOR heads for the door.

JUMP TO:

37 CONSOLE ROOM 37

The DOCTOR enters and heads straight to the main console. He picks up the phone and calls a number. The phone on the other end is heard ringing.

CONTINUE TO SPLIT SCREEN:

38 SPLIT SCREEN: CONSOLE ROOM (RIGHT) / JACK'S PLACE (LEFT) 38

JACK picks up his phone and notices the display says TARDIS. He answers the phone. There is a calendar on the wall that shows the date as June 5th 2010.

JACK
(smile)
Doctor. What's...

DOCTOR
It's D.

JACK
(serious)
What happened?

DOCTOR
I need you to do me a favour.

JACK
(curious)
Anything. You know that.

CUT TO:

39 DESARIELLA'S ROOM - LIBRARY 39

DESARIELLA and GISBORNE are standing in the doorway.

GISBORNE
This whole room is filled with books and stuff about the Doctor?

DESARIELLA (VA)
Yeah. For so long my life revolved around him. I never thought I'd put this stuff away.

GISBORNE
You don't have to. It can stay if you want.

(CONTINUED)

DESARIELLA (VA)
 No. It is time. I should have moved
 it all to the TARDIS library when I
 came aboard.

GISBORNE
 You sure?

DESARIELLA (VA)
 Positive. This is now your home
 too.

DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)
 You are my life now. We can turn
 this room into something other than
 a library.
 (beat)
 I'll go get some boxes and we can
 start to...

DESARIELLA's phone, which is over on the counter, starts
 ringing. The ring-tone indicates it is JACK. She goes to it
 and answers it.

CONTINUE TO SPLIT SCREEN:

40 SPLIT SCREEN: DESARIELLA (RIGHT) / JACK (LEFT) 40

DESARIELLA (VA)
 Jack Harkness.

GISBORNE knows who JACK is. DESARIELLA told him all about
 JACK and her life. GISBORNE wonders what JACK wants.

DESARIELLA (VA) (cont'd)
 Is it really you?

JACK
 Of course.
 (beat)
 Who else would be calling you?

DESARIELLA (VA)
 It's been so long. I...

JACK tries to pretend he doesn't know what she means.

JACK
 Long? You say that like...
 (beat)
 I take it it's been more than a few
 months for you.

(CONTINUED)

DESARIELLA (VA)
A lot more.

JACK
How long...

DESARIELLA (VA)
Years. The amount depends on...

JACK says next line without thinking. Once he has said it, he realizes he shouldn't have. He just let her know that he knows.

JACK
Right. I heard you had quite the adventure.

DESARIELLA (VA)
(understandingly)
He called you, didn't he. He asked you to...

JACK
He's worried. Time displacements can be really...

DESARIELLA (VA)
Tell me about it.

JACK
D, it's me. I know what it's like. I've...

DESARIELLA decides to change the subject.

DESARIELLA (VA)
There's someone I'd like you to meet.

JACK
(curious)
Oh?

DESARIELLA (VA)
Are you still at...

JACK
Yes.

DESARIELLA (VA)
Great. I'll see you in a few.

JACK
What? How...

CONTINUE TO SINGLE SCREEN:

41 DESARIELLA'S ROOM - LIVING ROOM 41

DESARIELLA hangs up the phone. She presses a button on the phone and a set of time/space co-ordinates pop up. She memorizes them, then puts her phone down and heads for the door. GISBORNE follows.

GISBORNE
Where are we...

DESARIELLA (VA)
Console room.

GISBORNE
(mutter)
Of course.

DESARIELLA heard him, but ignores him.

JUMP TO:

42 CONSOLE ROOM 42

DESARIELLA comes down the stairs. GISBORNE is right behind her.

The DOCTOR looks up. He can tell she is still mad at him and senses she is up to something. He also notices that GISBORNE is still wearing his sword.

DESARIELLA walks to the main console. GISBORNE heads to her side. He stops between her and the DOCTOR. DESARIELLA places her hands on a control panel, and closes her eyes.

The TARDIS jerks. The DOCTOR and GISBORNE steady themselves.

DOCTOR
What are you...

The DOCTOR reaches out to touch her. GISBORNE grabs his hand.

GISBORNE
Don't.

The DOCTOR looks at GISBORNE.

(CONTINUED)

DOCTOR
Excuse me, but this is my ship.
I...

GISBORNE
And D is my wife. So...

The DOCTOR looks surprised.

DOCTOR
Wife?

GISBORNE
Yes.

The DOCTOR looks at DESARIELLA and notices the finger that used to hold the ring he gave her, now holds two different rings. He glances at her other hand to see that both rings he had given her are on the same finger.

He is about to say something, when the TARDIS jerks again and lands. The doors open. JACK enters.

JACK
Well, that's a first. Never had the
TARDIS in my living room before.

GISBORNE looks at JACK. JACK looks at GISBORNE. JACK goes over to introduce himself.

JACK (cont'd)
Jack Harkness. And you are?

GISBORNE almost says "Lord" but corrects himself.

GISBORNE
L.. Sir Guy of Gisborne.

JACK
Sir? A knight, hey?

GISBORNE
You could say that.

DESARIELLA looks at JACK.

DESARIELLA (VA)
He's more than a knight, Jack.

JACK
Oh?

DESARIELLA (VA)
He's my husband, so...

JACK gives DESARIELLA a look.

JACK (T)
Husband?

DESARIELLA gives JACK a "yes, hands off" look.

DESARIELLA (VA)
And, since both of you...

DESARIELLA looks from JACK to the DOCTOR.

DESARIELLA (VA) (cont'd)
...missed the wedding, we would
like to invite you to dinner.

JACK
(shock/surprise)
Ah, okay.

GISBORNE (T)
(raise eyebrow)
We would?

DESARIELLA gives GISBORNE a "yes" look, then addresses JACK and the DOCTOR.

DESARIELLA (VA) (cont'd)
You can help us celebrate our
anniversary. Be in the dining hall
in one hour.

DESARIELLA turns to leave. GISBORNE follows. JACK watches them leave, then turns to the DOCTOR.

JACK
You have a dining hall?

DOCTOR
Yes.

JACK
Why have I never seen it?

DOCTOR
Never had a reason to use it while
you were aboard.

JACK
What else is in here that I don't
know about?

(CONTINUED)

DOCTOR

A lot.

JACK gives the DOCTOR a look as he walks over to him.

JACK

Like what?

The DOCTOR doesn't answer. After a few moments JACK decides to change the subject. JACK leans on the console beside the DOCTOR.

JACK (cont'd)

You let D marry him?

DOCTOR

I didn't *let* her do anything. They got married while they were in the...

JACK

Oh.

Momentary pause.

JACK (cont'd)

Not bad though. Who is he anyway? Where did he come from?

DOCTOR

Long story.

JACK

What did he say his name was again? Gisborne?

JACK thinks.

JACK (cont'd)

Gisborne. Why does that name sound familiar?

The DOCTOR looks at JACK. Should he tell him? Or let him figure it out.

JACK (cont'd)

Sir Guy of Gisborne.

(beat x2)

And, was that a sword he had on?

Who carries around a sword?

(beat x2)

You know, the sword sorta reminds me of the ones from that old Robin Hood movie I...

(CONTINUED)

JACK stops talking. He thinks he has made a connection. The DOCTOR notices the look on JACK's face.

JACK (cont'd)
Wait. Robin Hood.

JACK looks at the DOCTOR.

JACK (cont'd)
Tell me he's...

JACK points upstairs.

JACK (cont'd)
...not *that* Sir Guy of Gisborne?

The DOCTOR plays dumb.

DOCTOR
What do you...

JACK
The Sheriff of Nottingham had a lieutenant named Sir Guy of Gisborne.

DOCTOR
Did he?

JACK
Yes. And...

JACK looks at the DOCTOR.

JACK (cont'd)
You didn't?
(beat)
You did. Didn't you?
(beat)
He *is* that Gisborne. Have you lost your...

DOCTOR
It's not what you think, Jack.

JACK
How could you just pluck him out of time? How...

DOCTOR
It wasn't like that.

JACK
What's happened to you? The Doctor
I knew would never have...

DOCTOR
I didn't!

Momentary pause. JACK looks at him confused.

DOCTOR (cont'd)
It was D. She...

JACK
D?

DOCTOR
Yes.

JACK
And you let her?

DOCTOR
You know how she gets. When she
gets an idea into her head,
there's...

JACK nods in agreement. He knows how stubborn she can be.

DOCTOR (cont'd)
Besides, he was dead when he was
brought aboard.

JACK looks at the DOCTOR confused.

JACK
Dead? What do you... Maybe you
should start at the beginning and
tell me what happened.

JACK looks at the DOCTOR waiting for him to start talking.

JUMP TO:

43 CORRIDOR - ENROUTE TO DINING HALL

43

DESARIELLA and GISBORNE are walking side by side.

GISBORNE
So, that was Jack Harkness.

DESARIELLA (VA)
Yes.

(CONTINUED)

DESARIELLA looks at GISBORNE. She can read his thoughts and knows what he is thinking.

DESARIELLA (VA) (cont'd)
That was a long time ago, Guy. You know that.

GISBORNE
He still has feelings for you.

DESARIELLA (VA)
How...

GISBORNE
You're not the only one who can read people, D.
(beat)
I could see it in his eyes when he looked at you.

DESARIELLA (VA)
Oh.

GISBORNE
Do you still...

DESARIELLA (VA)
Jack and I will always be friends.

GISBORNE
Friends?

DESARIELLA stops walking. GISBORNE stops.

DESARIELLA (VA)
Guy, I love you. I married you.
Jack Harkness is in the past. You are my present and future.

She kisses him. He kisses her back.

JUMP TO:

2 hours later

44

DINING HALL

44

They have finished dinner. The DOCTOR and DESARIELLA are talking. JACK and GISBORNE are talking away from them.

PAN TO:

45 FOCUS ON THE DOCTOR AND DESARIELLA

45

We join them in the middle of a conversation.

DOCTOR

D, he is Sir Guy of Gisborne. He's a killer. A...

DESARIELLA (VA)

He's not that man anymore. You know that.

DOCTOR

Once a killer always a killer.

DESARIELLA can't believe he just said that. She gives him a look.

DESARIELLA (VA)

Oh really? Don't go there Doc. Remember who you are talking to.

(beat)

I know things about you. You've done some terrible things in your life. You are in no position to judge him.

DOCTOR

What I did, I did for...

DESARIELLA (VA)

He's changed.

(beat)

The Sir Guy you are talking about is the Sir Guy that worked for the Sheriff.

(beat)

The Sir Guy that is here now spent the last year of his life fighting with Robin. He died protecting...

DOCTOR

D, he's...

DESARIELLA (VA)

You don't know him like I know him.

(beat)

I've had 5 1/2 years with him.

(beat)

Trust me. He is a good man.

(CONTINUED)

DOCTOR
I guess time will tell.

DESARIELLA walks away from the DOCTOR and heads over to GISBORNE.

JUMP TO:

HOLOROOM

46

Sherwood - Meadow by Lake

GISBORNE is leaning on a tree staring into the lake. He is thinking and fiddling with a piece of rope. He is wearing his sword on his waist. After a few moments he senses someone coming. DESARIELLA's voice sounds from behind him.

DESARIELLA (VA)
Thought I'd find you in here.

GISBORNE
I had to get away. He was starting to get on my nerves. If I have to hear him...

DESARIELLA takes his hand in hers.

DESARIELLA (VA)
It's just the way he is. He doesn't mean...

GISBORNE
You sure about that?

DESARIELLA (VA)
I know him. He...

GISBORNE
You think he'll ever accept me?

DESARIELLA (VA)
Accept you? What do you...

GISBORNE
Three months ago we were happy. In here.

GISBORNE indicates the holoroom.

(CONTINUED)

GISBORNE (cont'd)
Everything was perfect. Then
reality came back to us.

GISBORNE looks at her.

GISBORNE (cont'd)
Since we left here, I feel like...

DESARIELLA (VA)
Nothing has changed Guy. We are
still...

GISBORNE
Yes. *We* are fine. But *he*, he is a
different story. He makes me feel
so...

DESARIELLA (VA)
Give it time. He'll come around.
You'll see.
(beat)
He doesn't know you like I know
you.
(beat)
He only knows the you that history
knows.
(beat)
In time he will accept you.

He smiles and kisses her. After a few seconds they break the
kiss.

DESARIELLA (VA) (cont'd)
Whenever he gets to be too much,
you can always come here.

GISBORNE
Maybe we can both sneak off for a
few days and hang out here.

DESARIELLA (VA)
If that is what m'lord desires.

He smiles and kisses her again. They break the kiss.
DESARIELLA looks around.

DESARIELLA (VA) (cont'd)
It may take the Doctor more time to
accept you, but I think the TARDIS
likes you.

GISBORNE

What makes you say that?

DESARIELLA (VA)

She recreated this program for you, didn't she?

GISBORNE

Yes but... It's different. Not how we left it.

DESARIELLA (VA)

The program came to an abrupt forced stop last time. There was no time to save. It reset to how it was the day you came aboard. Everything that we...

GISBORNE

...is gone.

DESARIELLA (VA)

Just the changes we made.

GISBORNE looks down at the rope he has in his hand.

GISBORNE

That explains this.

DESARIELLA finally notices the rope. She wonders what it is and where it came from.

DESARIELLA (VA)

Where did you get...

GISBORNE

The camp.

DESARIELLA doesn't need to ask what camp. She knows he means Robin's Camp. GISBORNE is still staring at the rope, remembering.

GISBORNE (cont'd)

I found it on the ground right where we tied up Allan before...

DESARIELLA (VA)

I see.

GISBORNE

Allan. It shouldn't have happened. If only we'd have realized...

(CONTINUED)

DESARIELLA (VA)

I know what Allan meant to you. I know you miss him.

GISBORNE

He shouldn't have died like that. We...

DESARIELLA (VA)

It wasn't your fault. Isabella knew what would happen by claiming that Allan...

GISBORNE

We should have seen it was a trick. I should have...

DESARIELLA (VA)

She knew Allan was that only one she could use. If she'd've picked anyone else, you guys never would have fell for it. But Allan... He'd done it before. For you.

GISBORNE

I know.

(beat)

I still think of him.

(beat)

Besides Robin, he was the only real friend I had.

GISBORNE sits down on the ground staring at the rope. DESARIELLA knows he is thinking of Allan and Robin and the past. She sits beside him.

GISBORNE (cont'd)

Sometimes I wish they...

DESARIELLA thinks of something. GISBORNE notices a look in her eye.

GISBORNE (cont'd)

What?

DESARIELLA places her hand on the ground, sending a message to the TARDIS. GISBORNE can tell she is up to something.

GISBORNE (cont'd)

What are you thinking?

DESARIELLA smiles and kisses him. She wraps her arms around his neck. After a few moments, he breaks the kiss. He senses someone behind him.

(CONTINUED)

GISBORNE (T)
No way. Can't be. He's...

 ROBIN (VO)
So this is where you ran off to!

GISBORNE jumps up and turns around. He sees ROBIN leaning on his bow.

 GISBORNE
 (smile)
Robin!!

GISBORNE hugs him. ROBIN is surprised. The rest of the gang appear. GISBORNE lets ROBIN go.

 GISBORNE (cont'd)
John! Tuck! Much!

GISBORNE sees ALLAN and goes to him. He hugs him. ALLAN is shocked.

 GISBORNE (cont'd)
Allan.

 ALLAN
 (raise eyebrow)
You okay, Guy?

GISBORNE lets ALLAN go. All the guys are looking at him like he's lost it.

 GISBORNE
Fine. Never better. I just missed
you guys.

 ROBIN
 (raise eyebrow)
Missed us?
 (beat)
Guy, we saw you this morning
before...

ROBIN stops talking and looks at DESARIELLA. GISBORNE also looks at DESARIELLA.

DESARIELLA can sense that ROBIN likes her. She can see it in his thoughts. Somethings never change. The real ROBIN liked her as well.

ROBIN addresses GISBORNE while still looking at DESARIELLA.

ROBIN (cont'd)
Who's your friend?

GISBORNE wonders how to answer that. After a few moments of silence, ROBIN looks at GISBORNE.

ROBIN (cont'd)
Wow. Never seen you at a loss for words.

DESARIELLA answers.

DESARIELLA (VA)
Desariella.

ROBIN walks over to her, smiling. He doesn't notice she's not moving her lips.

ROBIN
Robin Hood. It's a pleasure to meet you.

He takes her hand to kiss it, and notices the rings.

ROBIN (cont'd)
Is that a wed...

He turns to GISBORNE and notices he is wearing a ring as well.

ROBIN (cont'd)
Something you want to share with us, Guy?

GISBORNE
Ah...

ALLAN notices the ring and looks at GISBORNE.

ALLAN
You got married?

GISBORNE knows there is no denying it.

GISBORNE
Yes.

ALLAN
When?

GISBORNE and DESARIELLA share a look. Before GISBORNE can say anything DESARIELLA answers.

DESARIELLA (VA)
This morning.

ROBIN senses there is more going on. He is convinced that they're not telling him something. He decides to let it go. For now. He looks at DESARIELLA.

ROBIN
Well, congratulations.

ROBIN, who is still holding DESARIELLA's hand, kisses it.

ALLAN wonders why Guy has never mentioned DESARIELLA. He also wonders if this means that Guy will be leaving them.

ALLAN
I take it you're leaving then?

DESARIELLA (VA)
No. He isn't leaving. I'm joining.

Everyone looks at her. ROBIN starts laughing.

DESARIELLA (VA) (cont'd)
You find that funny, Robin.

ROBIN stops laughing and looks at her. GISBORNE is giving ROBIN a "watch it" look.

ROBIN
You're serious?

DESARIELLA (VA)
Yes.

All is quiet.

DESARIELLA (VA) (cont'd)
It's not like I'd be the first
woman to sign up with you.

Momentary pause.

DESARIELLA (VA) (cont'd)
Djaq was a woman. She faught with
you. So can I.

ROBIN looks at her wondering what sort of fighter she could possibly be. DESARIELLA knows what he is thinking.

GISBORNE knows DESARIELLA can handle herself. He did teach her a lot. He smiles as he gets an idea. He looks over at her.

GISBORNE (T)
D, Challenge him.

DESARIELLA gets the message and turns to look at GISBORNE.

 GISBORNE (T) (cont'd)
Trust me. You can take him. And
when you take him, the guys will
accept you.

DESARIELLA looks back at ROBIN.

 DESARIELLA (VA)
I'll prove it.

All the guys are curious. Is she really about to do what
they think she is about to do?

*(Note: None of them notice she isn't moving her lips when
she speaks.)*

DESARIELLA keeps her eyes on ROBIN and addresses GISBORNE.

(Note: GISBORNE is off to the side of DESARIELLA.)

As she speaks, she raises her arm off to her side.

 DESARIELLA (VA) (cont'd)
Guy, sword.

GISBORNE throws her his sword. She catches it without
looking. The guys are amazed.

 ALLAN
Whoa, nice catch!

DESARIELLA plays with the sword for a bit. The guys are
amazed. GISBORNE is smiling.

*(Positions: GISBORNE and ALLAN are off to one side; TUCK and
LITTLE JOHN and MUCH are on another side; ROBIN and
DESARIELLA fight in the center.)*

 GISBORNE (T)
That's my girl.

 DESARIELLA (VA)
Come on, Robin. Let me show you
what I can do.

MUCH looks to ROBIN.

MUCH

You're not really going to fight
her, are you?

ROBIN

(smile)

All in fun, right?

(beat)

If she wants to join us, let's see
what she can do.

ROBIN looks to ALLAN.

ROBIN (cont'd)

Allan, sword.

ALLAN looks to GISBORNE.

GISBORNE

Give him the sword, Allan.

ALLAN

But...

GISBORNE gives ALLAN a "do it" look.

GISBORNE

Trust me.

ALLAN looks at him questioningly. ROBIN is waiting. ALLAN
throws ROBIN a sword.

ROBIN catches the sword.

ROBIN and DESARIELLA start to fight.

All eyes are on ROBIN and DESARIELLA. They fight for a few
moments.

ROBIN is amazed at how good she is. He also wonders how she
seems to know every move he is about to make before he makes
it. She is either really good or...

GISBORNE is watching with admiration. He knows Desariella
can sense every move Robin is about to make before he makes
it. But he still can't stop himself from thinking pointers
to her.

ALLAN is amazed. She is good.

ALLAN

She's good.

(CONTINUED)

GISBORNE

I know.

ALLAN

Where did she learn to fight like that?

GISBORNE

She had a few teachers.

ALLAN looks at GISBORNE. ALLAN figures Guy himself taught her.

ALLAN

Oh? Anyone I know?

GISBORNE (T)

I taught her some moves but... she was good before we met.

ALLAN watches GISBORNE watching DESARIELLA. ALLAN has a thousand questions he wants to ask. His mind is flooding with questions.

ALLAN (T)

I wonder where they met? How they met? When they met?

(beat)

They can't have been together for long. There just hasn't been enough time.

ALLAN addresses GISBORNE without taking his eyes off of the fight.

ALLAN

I don't get it.

GISBORNE is pretty sure ALLAN is directing that line at him. GISBORNE answers ALLAN without taking his eyes off of DESARIELLA.

GISBORNE

Get what?

ALLAN

The timing. It doesn't add up.

ALLAN looks at GISBORNE. GISBORNE's not sure what ALLAN is getting at.

(CONTINUED)

ALLAN (cont'd)
 I'm pretty sure you didn't know her
 when you worked for the Sheriff.
 There was only one woman you were
 interested in then.

GISBORNE thinks of Marian. That was so long ago.

ALLAN (cont'd)
 When Marian died you joined us and
 shortly after hooked up with
 Deborah.

(beat)
 Guy, Deborah's only been gone
 for... What, a month?

GISBORNE gives ALLAN a "what" look and thinks to himself.

GISBORNE (T)
 A month? That means Isabella hasn't
 come back yet. That means Vasey is
 still the Sheriff. That means...

ALLAN continues.

ALLAN
 There just doesn't seem to have
 been enough time for you to meet,
 fall in love, and get married. I...

GISBORNE
 Time is relative, Allan.

ALLAN looks at GISBORNE with a raised eyebrow. GISBORNE
 thinks to himself.

GISBORNE (T)	ALLAN
Did I really just that?	What?

GISBORNE is still watching DESARIELLA.

GISBORNE (cont'd)
 When I met her, I felt like I'd
 known her all my life. I knew she
 was the one to help me put my life
 back together. We were meant to be
 together.

ALLAN looks at GISBORNE. He sees how he is looking at her.
 He hasn't seen him this happy in a while. ALLAN returns to
 watching the fight.

After a few moments GISBORNE turns to look at ALLAN. He can tell ALLAN is concerned.

GISBORNE (cont'd)
Allan, relax. D can handle herself.

ALLAN
Challenging Robin is risky, Guy.
She...

GISBORNE
Trust me. She will win.

GISBORNE turns back to the fight. ALLAN stays looking at GISBORNE, wondering how he can be so sure.

GISBORNE (cont'd)
(quietly)
Robin doesn't stand a chance.

ALLAN turns his attention back to the fight. She does seem to be holding her own. She has lasted longer than he thought she would.

The fight lasts a lot longer than any of the guys thought it would. They are all amazed at how good she is. And some of the moves she was using, they'd never seen before.

GISBORNE is smiling as the fight ends. DESARIELLA gets ROBIN up against a tree and knocks his sword out of his hand. She brings her sword to his neck.

DESARIELLA (VA)
Gotcha.

ROBIN looks at her and smiles.

ROBIN
Yes. You do. Want to let me go?

DESARIELLA looks at him.

DESARIELLA (VA)
I don't know. A lot of people would
love to have you where I have you
right now.

ROBIN looks at her. He is trying to figure out if she's serious. He is just about to get real concerned, when she smiles at him. She removes her sword from his neck and backs away from him.

GISBORNE and the rest of the guys head over. ALLAN picks up the sword he gave ROBIN. ROBIN looks at GISBORNE.

(CONTINUED)

ROBIN
Where did you find her?

GISBORNE
(smile)
You wouldn't believe me if I told
you.

DESARIELLA looks at GISBORNE and tosses him back his sword.
He catches it and puts it back on his waist.

ROBIN
Any more where she came from?

GISBORNE and DESARIELLA both get a solemn look. He knows her
planet is gone. She is remembering the loss. ROBIN wonders
what he said.

ROBIN (cont'd)
Did I...

GISBORNE
D is the last of her...

ROBIN looks at her. GISBORNE goes to her.

ROBIN
I'm sorry. I...

DESARIELLA (VA)
It's okay. You couldn't have known.
I...

GISBORNE takes her in his arms. Everyone is quiet. ROBIN
breaks the uneasy silence by holding out his hand to her.

ROBIN
Welcome to the gang. If you really
want to join us, we would love to
have you.

DESARIELLA takes ROBIN's hand.

DESARIELLA (VA)
Thanks.

GISBORNE looks at ROBIN.

GISBORNE
So where were you all headed before
you...

ROBIN
...caught you two together?

GISBORNE
Yeah.

TUCK
Nettlestone.

GISBORNE looks to TUCK.

GISBORNE
Nettlestone? What's going on at...

TUCK
Something good for a change.

GISBORNE looks confused.

MUCH
They're having a celebration and
they've invited us to join them.

GISBORNE looks to MUCH.

GISBORNE
What are they celebrating?

LITTLE JOHN
They wouldn't say.

GISBORNE looks at ROBIN.

GISBORNE
Are you sure it isn't a trap?

ALLAN is glad that someone else thinks the same thing he
does.

ALLAN
Thank you. That's what I said.

ROBIN
A trap? I...

GISBORNE
Robin, Nettlestone isn't known for
its hospitality. They have caused
you problems in the past. Why would
they...

ROBIN

That's what I want to find out.

ROBIN gives GISBORNE a look. GISBORNE smiles. He hasn't seen that look in while. ROBIN smiles. ROBIN looks to DESARIELLA.

ROBIN (cont'd)

So, Des. It'll take us a while to get to Nettlestone. Why don't you tell us how you met Guy?

DESARIELLA gives GISBORNE a look. He looks back at her.

GISBORNE (T)

I've come up with a great story. Just say exactly what I'm thinking.

DESARIELLA gives GISBORNE another look.

GISBORNE (T) (cont'd)

Trust me. I know Robin.

DESARIELLA looks to ROBIN.

DESARIELLA (VA)

Alright.

The gang heads off. ROBIN, DESARIELLA and GISBORNE are at the front. ALLAN and MUCH are close behind them. TUCK and LITTLE JOHN are right behind ALLAN and MUCH.

GISBORNE (T)

It started 3 weeks ago.

DESARIELLA says what GISBORNE thought to her.

DESARIELLA

It started 3 weeks ago.

FADE INTO FLASHBACK:

FLASHBACK: Village

DESARIELLA is walking to the edge of the village. A man approaches her.

MAN

Remember Des, you must be back before sun up or...

DESARIELLA (VA)

I know. I know.

DESARIELLA exits the village.

(CONTINUED)

(Note: There is a very big tree just outside the village.)

JUMP TO:

TOWN

DESARIELLA is walking through the town. She is looking at everything as if she has never seen it before. She looks over at one stand and sees a man talking to the merchant that owns the stand.

The man is GISBORNE.

She walks over to the stand. As she reaches it, GISBORNE turns to leave and bumps into her.

GISBORNE

Sorry I...

He looks up at her.

DESARIELLA (VA)

That's okay I...

GISBORNE feels drawn to her. He can't explain it. She feels the same. She senses something in him.

GISBORNE

I haven't seen you around here before.

DESARIELLA (VA)

This is my first time here.

GISBORNE

Are you with someone?

DESARIELLA (VA)

Nope. All alone.

GISBORNE offers her his hand.

GISBORNE

Name's Guy. And you are?

DESARIELLA (VA)

(smile)

Desariella.

She takes his hand. He kisses it.

(CONTINUED)

GISBORNE
Let me show you around.

DESARIELLA (VA)
Thanks.

GISBORNE keeps ahold of her hand and they walk off.

CONTINUE TO:

Time Flies

He shows her the town. They walk, they talk, they laugh, they have dinner. Neither seem to notice that the day is slowly turning to night.

When night does fall, GISBORNE takes her over to a tree. They sit under the tree and stargaze.

They fall asleep under the tree.

CONTINUE TO:

Time Resumes

Next morning.

DESARIELLA slowly opens her eyes. She realizes the sun is up.

DESARIELLA (VA) (cont'd)
Oh no. I...

She gets up and runs off. GISBORNE slowly wakes up and sees her running off. He calls to her.

GISBORNE
D? Where are you...

She doesn't stop. She keeps going. GISBORNE gets up and follows her.

CONTINUE TO:

Time Flies

They run for about 30 minutes.

CONTINUE TO:

Time Resumes: Spot where Village was

DESARIELLA stops running as she sees the big tree that was outside the village.

(CONTINUED)

DESARIELLA (VA)

No. No.

She falls to her knees and starts to cry.

GISBORNE catches up. He sees her kneeling on the ground crying. He goes over to her. He stops, standing behind her.

GISBORNE

D? Are you...

DESARIELLA (VA)

It's gone. I'm too late. I...

GISBORNE looks around wondering what she is talking about. There has never been anything here. It has always been an empty field.

GISBORNE

What's gone?

DESARIELLA raises her head and looks at the empty space in front of her.

DESARIELLA (VA)

Avalon.

GISBORNE raises an eyebrow in curiosity. Did she just say Avalon?

GISBORNE

Avalon?

DESARIELLA (VA)

Yes.

GISBORNE had heard the tales of the Lost City of Avalon. Everyone had. The story says that every 100 years it returns for one day. He's never believed the tales.

GISBORNE

Avalon is a myth. A story. I...

DESARIELLA (VA)

It may be a myth to you, but it's my home. And now it's gone. I'll never see it again. I...

GISBORNE kneels on the ground beside her. He places a hand on her shoulder.

(CONTINUED)

GISBORNE
Come with me.

DESARIELLA turns and looks at him.

 DESARIELLA (VA)
What?

 GISBORNE
Stay with me.

DESARIELLA looks at him. He smiles. She is about to say something, when he leans in and kisses her.

 RETURN TO PRESENT:

PRESENT: Forest Path to Nettlestone

The guys have all been listening to DESARIELLA telling the story. They too have all heard the tales of Avalon.

ROBIN stops. Everyone else stops as ROBIN starts talking.

 ROBIN
You expect me to believe that
you're from Avalon?

 DESARIELLA (VA)
Believe what you want.

 ROBIN
Avalon?

Momentary pause. ROBIN looks to GISBORNE.

 ROBIN (cont'd)
Is this for real?

GISBORNE gets a "you asked" look on his face.

 GISBORNE
You asked.

TUCK speaks up.

 TUCK
Just because you've never seen
Avalon, doesn't mean it isn't real.

 ALLAN
How can an entire village just
vanish?

(CONTINUED)

DESARIELLA (VA)
It didn't vanish. It's still there.
It's just phased out of sync with
the rest of the planet.

MUCH
What?

DESARIELLA (VA)
Once every 100 years, Avalon and
the rest of the planet are in sync.
But only for one rotation of the
sun. Then...

GISBORNE
...it is gone until it is in sync
again. Which will be in 100 years.

Silence.

DESARIELLA continues walking. ROBIN follows her. GISBORNE
follows. ALLAN walks beside him. TUCK and LITTLE JOHN
follow.

ALLAN breaks the silence. He addresses GISBORNE.

ALLAN
So you've been together for 3
weeks.

GISBORNE
Yes.

ALLAN
Seems kinda fast.

GISBORNE
When it's right, it's right.

ALLAN stops. GISBORNE keeps going.

TUCK puts an arm around ALLAN as he and LITTLE JOHN pass.
ALLAN starts walking as TUCK says line.

TUCK
He's right, Allan.

ALLAN watches as GISBORNE catches up to DESARIELLA and
ROBIN.

ALLAN (T)
So where has she been for the last
three weeks? Why have we never met
her? What is he hiding?

(CONTINUED)

ALLAN looks ahead to Guy, and Desariella, and Robin.

JUMP TO:

5 hours later: Nettlestone

The village is in the midst of its celebration.

ROBIN and gang are having a great time. DESARIELLA and GISBORNE are missing. ALLAN is looking for them.

CUT TO:

Forest

DESARIELLA is running and GISBORNE is chasing her.

After a few moments he catches her and backs her up against a tree.

GISBORNE

Gotcha.

DESARIELLA (VA)

Yes you do, m'lord. And what will you do with me?

GISBORNE smiles and kisses her. She wraps her arms around his neck. He presses up against her. She breaks the kiss and looks at him.

DESARIELLA (VA) (cont'd)

I'm all yours, m'lord. Take me.

GISBORNE kisses her hungrily. She kisses him right back.

JUMP TO:

Nettlestone

ALLAN approaches ROBIN.

ALLAN

Have you seen Guy?

ROBIN

Not in a while.

ROBIN looks around the crowd and notices that DESARIELLA is missing as well.

(CONTINUED)

ROBIN (cont'd)
D is missing as well.

ALLAN raises an eyebrow. Did Robin just call her "D"?

ROBIN (cont'd)
Maybe they wanted to be alone.
After all they did just get
married.

ALLAN
I suppose.

ROBIN thinks he senses something in ALLAN's voice.

ROBIN
Why are you looking for him? Is
there...

ALLAN
No reason.

ALLAN walks off. ROBIN watches him go, wondering if he should be concerned. Why did Allan want to find Guy now?

JUMP TO:

Forest

GISBORNE and DESARIELLA are laying in the grass under the tree. They have just finished making love. She is resting her head on his chest. She lifts her head and looks at him.

DESARIELLA (VA)
Avalon, really?

GISBORNE
Well we couldn't exactly say Aresia
or Valdoria now, could we?

DESARIELLA (VA)
No. But Avalon? Was that the best
you could come up with?

GISBORNE
On short notice. Yes. Besides I
know Robin has always been
fascinated with Avalon. His father
used to tell the story to us when
we were kids.

DESARIELLA places her head back on his chest. GISBORNE thinks of something Allan said earlier.

(CONTINUED)

GISBORNE (cont'd)

Why now?

DESARIELLA (T)

What?

GISBORNE

The time. Why now? Why 1 month before Isabella arrives?

DESARIELLA (VA)

Because Vasey is still Sheriff.

(beat)

This is the perfect time. Everything is right.

GISBORNE

This means Robin doesn't know about Archer yet.

DESARIELLA (VA)

Correct.

GISBORNE

Or that his father is alive.

DESARIELLA (VA)

Correct.

GISBORNE goes quiet. DESARIELLA can tell he is thinking of all the things he could change. All the things that he can stop from happening.

She looks at him.

DESARIELLA (VA) (cont'd)

I think it's time we head back.

GISBORNE can tell she doesn't mean back to the village.

GISBORNE

I take it you're not referring to Nettlesome.

DESARIELLA (VA)

No.

GISBORNE

Do we have to?

DESARIELLA (VA)

The Doctor will have noticed we are gone.

(CONTINUED)

GISBORNE
No he won't. He is so busy with...

 DESARIELLA (VA)
Guy, you know how he gets.

 GISBORNE
Everything is better in here.
Simpler. More fun.

 DESARIELLA (VA)
Yes. But this isn't real. It's just
a program.

 GISBORNE
I know. But...

He rolls over. He is now on top of her, looking into her eyes.

 GISBORNE (cont'd)
Do we have to go right now?

DESARIELLA smiles.

 DESARIELLA (VA)
Not right this instant. But soon.

 GISBORNE
Good.

GISBORNE smiles at her.

 DESARIELLA (VA)
I take it m'lord is not done with
me yet?

 GISBORNE
No. I'm not. I shall never be done
with you. I love you.

He kisses her. She thinks her line while kissing him.

 DESARIELLA (VA)
And I you Sir Guy.

They make love.

PAN TO:

Tree a few feet in front of them

The CAMERA pans over to a tree a few feet in front of
DESARIELLA and GISBORNE to reveal ALLAN.

(CONTINUED)

How long had he been there? How much had he heard? Why hadn't either of them sensed him?

ALLAN turns and heads back to Nettlestone.

JUMP TO:

Nettlestone

ALLAN comes back. ROBIN spots him and goes to him.

ROBIN
Did you find Guy?

ALLAN
Yeah. You were right. He was with Des.

ROBIN
Are they on their way back?

ALLAN
I don't know.

ROBIN is confused.

ROBIN
I thought you said you found him?

ALLAN
I did. They were... busy. I didn't bother them.

ROBIN
Oh.

ALLAN walks off. ROBIN can tell something is bothering ALLAN. He's just not sure what it could be.

JUMP TO:

Forest

GISBORNE and DESARIELLA are dressed. They are standing staring at the forest.

DESARIELLA (VA)
Guy, we'll be back.

GISBORNE
I know.

GISBORNE takes a deep breath, then addresses the TARDIS.

(CONTINUED)

DOCTOR

Yes.

GISBORNE gives the DOCTOR a "that wasn't a question" look.

GISBORNE

We can finally get some fresh air.

GISBORNE starts for the door.

DOCTOR

Must you bring that?

The DOCTOR indicates the sword.

GISBORNE

Yes. We have no idea what is
awaiting us. It is best to be...

DOCTOR

Weapons usually bring out the worst
in people. I doubt you'll need it.

GISBORNE

You never know.

GISBORNE continues to the door. He can't wait to get off of
the TARDIS. DESARIELLA starts to follow. The DOCTOR grabs
her arm as she passes him.

DOCTOR

(quietly)

Does he have to wear that thing all
the time?

DESARIELLA looks at the DOCTOR. The DOCTOR lets go of her
arm.

DESARIELLA (VA)

(quietly)

That sword is as much a part of him
as your sonic is a part of you.

DOCTOR

(louder than intended)

What?

GISBORNE stops and looks back at them.

DESARIELLA (VA)

(still quietly)

You take that thing everywhere.
You...

DOCTOR
It's a screwdriver!

DESARIELLA (VA)
It is not.

DOCTOR
Yes. It is.

DESARIELLA (VA)
We both know it is a lot more than
just a screwdriver.

DOCTOR
I...

Momentary pause. The DOCTOR knows she is right. GISBORNE senses something is going on and heads back to them.

DESARIELLA (VA)
I bet Guy can go without his sword
longer than you can go without your
screwdriver.

DOCTOR
Really? Is that a challenge?

DESARIELLA gives him a look. She is about to respond when she notices that the DOCTOR is looking at something behind her. She turns. GISBORNE is standing there. GISBORNE notices the look the DOCTOR is giving him and wonders what it is for.

GISBORNE
What?

The DOCTOR looks at DESARIELLA.

DOCTOR
Okay then. It's a bet.

GISBORNE
What is?

DESARIELLA looks at GISBORNE and smiles.

DESARIELLA (VA)
I just said that, I think you can
go without your sword longer than
he can go without his sonic.

GISBORNE smiles back. He knows that he will win this bet.

(CONTINUED)

GISBORNE

That is an easy win for me.

The DOCTOR is certain he will win. There is no way GISBORNE can go without his sword.

DOCTOR

Shall we start now?

GISBORNE

Sure.

Momentary pause. Both look at each other.

GISBORNE (cont'd)

You first, Doc.

DESARIELLA offers the DOCTOR her hand. The DOCTOR pauses a moment then hands her his sonic. DESARIELLA turns to GISBORNE, and offers him her other hand. He removes his sword from his waist and hands it to her.

DESARIELLA (VA)

I'll be right back.

DESARIELLA heads upstairs.

GISBORNE

I bet I'll have my sword back
before the day is through.

The DOCTOR looks at GISBORNE. Neither of them say anything. They wait for DESARIELLA to return.

JUMP TO:

3 hours later

48

CELL LIKE ROOM

48

GISBORNE, DESARIELLA, and the DOCTOR are locked in a room. GISBORNE and DESARIELLA are sitting together. The DOCTOR is pacing. GISBORNE leans over and whispers to DESARIELLA.

GISBORNE

Must he do that. He is driving me
crazy.

DESARIELLA (VA)

He gets like this. Just let him...

The DOCTOR interrupts.

(CONTINUED)

DOCTOR
You know, if I had my sonic, we
wouldn't...

DESARIELLA (VA)
Ha. See. I knew it.
(beat)
What's it been, 3 hours?
(beat)
You depend on that thing way too
much, you know.

DOCTOR
I do not. I...

DESARIELLA (VA)
I told you you couldn't do it.

The DOCTOR looks at her.

DESARIELLA (VA) (cont'd)
Admit it.
(beat)
You need your sonic.

Momentary pause.

DESARIELLA (VA) (cont'd)
Well?

DOCTOR
Okay.
(beat)
I need it.

DESARIELLA (VA)
There that wasn't so hard now was
it?

GISBORNE
Does this mean I win?

DESARIELLA (VA)
Yes.

DOCTOR
Kind of a moot point since we are
still stuck here!

DESARIELLA (VA)
Are we?

GISBORNE and the DOCTOR look at her. DESARIELLA smiles.

(CONTINUED)

DESARIELLA (VA) (cont'd)
I guess you forgot I had *this*.

DESARIELLA removes the sonic charm from her bracelet. The DOCTOR smiles.

[Note: When Desariella went to put the sword and sonic away earlier, she put on her bracelet just in case.]

DOCTOR
Ah yes. That's my girl!

DESARIELLA stands and goes to the door. GISBORNE rises and follows her. The DOCTOR heads for the door. DESARIELLA points her mini sonic at the door and opens it.

DESARIELLA (VA)
Shall we?

The DOCTOR smiles again and exits.

CONTINUE TO:

49 HALLWAY

49

GISBORNE grabs DESARIELLA as he passes her and kisses her.

GISBORNE
I love you.

DESARIELLA (VA)
I know.

GISBORNE takes her hand. DESARIELLA closes the door. GISBORNE and DESARIELLA follow the DOCTOR down the hall.

JUMP TO:

5 hours later

50 CONSOLE ROOM

50

GISBORNE is putting his sword back on. The DOCTOR is pocketing his sonic. The DOCTOR looks at GISBORNE.

DOCTOR
Sorry.

DESARIELLA looks at the DOCTOR wondering if she heard right. Did he just apologize? GISBORNE looks at the DOCTOR.

(CONTINUED)

GISBORNE

What for?

DOCTOR

Ever since you came on board
I've...

GISBORNE

Don't worry about it.

DOCTOR

No. I've been a real...

GISBORNE

It's okay. I get it. D is like a
daughter to you. You only...

DOCTOR

Gis... Guy. I just want you to know
that, from now on I...

The DOCTOR tries to find the right words.

DOCTOR (cont'd)

Truce?

GISBORNE's not sure if he means it. The DOCTOR offers his hand. GISBORNE looks to DESARIELLA. He can tell she is thinking the same thing. He looks back at the DOCTOR and shakes his hand.

GISBORNE

Truce.

DESARIELLA can't believe this. She has never seen the DOCTOR like this. Does he mean it? Is he really going to let it all go? Is he really ready to accept Guy?

The DOCTOR lets go of GISBORNE's hand and heads to the main console. He says line while walking to it.

DOCTOR

So, where shall we go now?

GISBORNE looks at DESARIELLA. She goes to him. The DOCTOR reaches the console and turns to look at DESARIELLA and GISBORNE.

DOCTOR (cont'd)

Well?

(CONTINUED)

DESARIELLA (VA)
Surprise us.

The DOCTOR looks at GISBORNE.

DOCTOR
Isn't there anywhere you really
want to go?

GISBORNE looks at DESARIELLA.

GISBORNE
Anywhere will be fine.

DESARIELLA looks at GISBORNE and can see the look in his
eye. She knows where he wants to go. She smiles at him and
addresses the DOCTOR without looking at him.

DESARIELLA (VA)
Call us when we get to wherever we
are going.

DESARIELLA takes GISBORNE's hand and they head for the
stairs.

DOCTOR
Call you?

DESARIELLA and GISBORNE head up the stairs. DESARIELLA
addresses the DOCTOR without looking at him.

DESARIELLA (VA)
Later, Doc.

The DOCTOR watches them ascend the stairs.

The TARDIS materializes. After a few moments the door opens.
DESARIELLA and GISBORNE exit. GISBORNE is wearing his sword
on his waist. The DOCTOR follows them, closing the door
behind him. GISBORNE looks around and then looks at the
DOCTOR.

GISBORNE
You have no idea where we are?

The DOCTOR looks around.

(CONTINUED)

DOCTOR

None.

DESARIELLA (VA)

And no idea who sent that signal?

DOCTOR

Correct. Can't wait to find out
though.

The DOCTOR smiles. GISBORNE looks around some more.

GISBORNE

The place looks okay. Peaceful.
Almost...

DOCTOR

Looks can be deceiving.

GISBORNE gives the DOCTOR a look. DESARIELLA takes
GISBORNE's hand.

The DOCTOR pulls out his sonic and starts scanning the area.

GISBORNE watches the DOCTOR then whispers quietly to
DESARIELLA. DESARIELLA can sense something in him.

GISBORNE

Sometimes that guy really...

DESARIELLA (VA)

Easy, my love.

GISBORNE

He...

GISBORNE points to the DOCTOR.

GISBORNE (cont'd)

...is anything *but* easy. I...

DESARIELLA (VA)

Guy. Don't get so worked up. You
know he's trying to push your
buttons.

GISBORNE

I know. Vasey did the same thing.

DESARIELLA (VA)

The Doctor is *not* the Sheriff.
He...

The DOCTOR calls out.

(CONTINUED)

DOCTOR
Looks like the closest town, is

The DOCTOR points and looks at DESARIELLA and GISBORNE.

DOCTOR (cont'd)
You two coming?

The DOCTOR heads off. DESARIELLA and GISBORNE follow.

JUMP TO:

52 TOWN

52

The DOCTOR, DESARIELLA and GISBORNE approach the town. GISBORNE is amazed at how much it resembles Nottingham. The only thing missing is the castle. He whispers to DESARIELLA.

GISBORNE
Looks like Nottingham.

DESARIELLA (VA)
Yes it does. All that's missing is
the castle.

They continue through town.

CONTINUE TO:

53 PUB

The DOCTOR, DESARIELLA, and GISBORNE enter a pub. They head for an empty table at the back.

CONTINUE TO:

54 FOCUS ON THE DOCTOR, DESARIELLA, AND GISBORNE

54

They sit at the table. DESARIELLA and GISBORNE on one side, the DOCTOR on the other. The DOCTOR scopes out the room. DESARIELLA gives the DOCTOR a look.

DESARIELLA (VA)
What is it?

DOCTOR
Not sure. I just get the feeling
that something is...

The DOCTOR's sentence is interrupted when a young lad comes charging in the front door.

PAN TO:

55 FRONT DOOR 55

The lad is almost out of breath.

LAD
It's back!!! It has returned! Just
like the elders said.

BARKEEP
Are you sure?

The lad approaches the bar. Everyone in the room looks
terrified.

PAN TO:

56 THE DOCTOR, DESARIELLA, AND GISBORNE 56

The DOCTOR is curious. DESARIELLA is trying to get a read on
what is going on. GISBORNE is curious as well.

PAN TO:

57 THE BAR 57

LAD
Yes. It has been spotted.

BARKEEP
Where?

LAD
A few days east.

BARKEEP
Any sign of the knight or his
friends?

LAD
Not yet. But if it has returned,
then they can't be far behind.

BARKEEP
Keep an eye out. Let me know if...

LAD
Of course.

The lad exits the pub.

PAN TO:

58

THE DOCTOR, DESARIELLA, AND GISBORNE

58

The DOCTOR is really curious now.

DOCTOR
I wonder what *it* is?

GISBORNE looks at DESARIELLA.

GISBORNE
Can you get any information from
them?

DESARIELLA smiles.

DESARIELLA (VA)
You are not going to believe this.
Neither of you.

GISBORNE / DOCTOR
Try me.

DESARIELLA (VA)
It, is a dragon.

GISBORNE
(raise eyebrow)
A dragon?

DESARIELLA (VA)
Yes. But, that's not the best part.

DOCTOR
Oh?

DESARIELLA (VA)
This is not the first dragon that
has been here.

The DOCTOR and GISBORNE look at DESARIELLA. Eagerly awaiting
for her to continue.

DESARIELLA (VA) (cont'd)
About 100 years ago another dragon
was here.

GISBORNE knows there is more.

GISBORNE
And?

(CONTINUED)

DESARIELLA (VA)
It was defeated by a trio of
strangers.

GISBORNE
How is...

DESARIELLA (VA)
The trio, consisted of... a knight,
a lady, and a physician.

The DOCTOR understands.

DOCTOR
Are you saying that...

DESARIELLA (VA)
Looks like we were here before and
defeated the dragon.

GISBORNE
But we haven't been here before. We
don't even know where here is.

DESARIELLA (VA)
I think you mean that we haven't
been here before, yet.

GISBORNE gives her a look.

DOCTOR
The thing with time travel, is that
things don't always happen in the
right order.

GISBORNE
So you're saying that sometime in
our future, we will be here in
their past.

DESARIELLA (VA)
Yes.

Momentary pause.

DESARIELLA (VA) (cont'd)
Maybe we should introduce ourselves
to the barkeep.

PAN TO:

59

THE BAR

59

The barkeep has a box of documents out on the bar. He is looking through them. He finds a picture of GISBORNE, DESARIELLA, and the DOCTOR. He is looking at the picture when DESARIELLA, GISBORNE, and the DOCTOR approach the bar.

GISBORNE

Excuse me, I...

The barkeep looks up. He is shocked and surprised to see the three people from the photo standing in front of him. He addresses GISBORNE.

BARKEEP

Sir Guy! You've returned!

GISBORNE

Yes.

The barkeep turns to DESARIELLA, and then the DOCTOR.

BARKEEP

Lady Desariella, Doctor.

DESARIELLA / DOCTOR

Yes.

GISBORNE

(raise eyebrow)

You know us?

BARKEEP

I know of you. I've read all the tales. It's true. You don't look any different then you did then.

The barkeep places the picture on the bar. They all look at it. The DOCTOR sonics it. DESARIELLA looks at the DOCTOR. The barkeep looks to GISBORNE.

BARKEEP

So, Sir Guy, how shall you defeat it this time?

The DOCTOR jumps in before GISBORNE can answer. He pockets his sonic while saying line.

DOCTOR

Trade secret.

GISBORNE gives the DOCTOR a look. The DOCTOR doesn't notice.

(CONTINUED)

BARKEEP

Of course.

GISBORNE

That boy that was in here earlier,
he said the beast...

The DOCTOR glares at GISBORNE. Beast, really? GISBORNE continues his line without stopping.

GISBORNE (cont'd)

...was seen a few days east?

BARKEEP

Yes.

GISBORNE

Then we shall head that way and
intercept it.

OLD MAN

You are either very brave, or very
stupid.

BARKEEP

Watch your tongue old man. These
guys defeated it before. They will
again.

The BARKEEP turns to GISBORNE.

BARKEEP (cont'd)

We have men willing to go with you
to assist. Just say the word and...

GISBORNE

No. We can handle it ourselves.

BARKEEP

As you wish.

(beat)

Good luck, Sir Guy.

GISBORNE, DESARIELLA, and the DOCTOR head out of the pub.
All eyes are on them as they exit.

TARDIS - CONSOLE ROOM

60

The DOCTOR is entering information into the console in front of him. He stops and looks at DESARIELLA and GISBORNE.

DOCTOR

Okay. We know *when* the photo was taken, but...

GISBORNE

We do?

DESARIELLA (VA)

He sonic'd it at the bar.

GISBORNE

So?

DESARIELLA (VA)

The sonic scanned the photo and determined the date it was taken.

GISBORNE

It can do that?

DESARIELLA (VA)

It can do almost everything.

GISBORNE

Right.

DOCTOR

Like I was saying. We know *when* the photo was taken. But we don't know when we arrived. So... I have come up with a few options.

(beat)

Do we...

(beat)

1. Arrive on the day the photo was taken?

DESARIELLA (VA)

We're good, but not that good.

DOCTOR

2. A few days before?

GISBORNE

We may need time to assess the situation. A few days may not be enough.

(CONTINUED)

DOCTOR

3. A few weeks before?

DESARIELLA (VA)

That should give us time to earn
the trust of the locals.

GISBORNE

And also time to determine exactly
what needs to be done.

DOCTOR

Okay. Number 3 it is.

The DOCTOR turns back and enters the information into the
console in front of him.

DESARIELLA are on the other. GISBORNE has his arm around
DESARIELLA.

GISBORNE

It's been 10 days, Doc. It should
have...

GISBORNE is interrupted when a young man comes running in.

PAN TO:

63 DOOR

63

The young man stops in the door.

YOUNG MAN
Dragon!!

All eyes in the room turn to him. And everyone stops talking. There is an eerie silence in the bar.

YOUNG MAN (cont'd)
There is a dragon coming!

The crowd starts to murmur amongst itself.

PAN TO:

64 THE DOCTOR, DESARIELLA, AND GISBORNE

64

GISBORNE
Finally.

Focus stays with our trio but voices are heard amongst the crowd.

MAN #1 (VO)
We need to gather arms, now!

MAN #2 (VO)
We need to start preparing to fight
the beast.

GISBORNE gets a look of "Oh please" on his face and gets up from the table. The DOCTOR watches him leave. DESARIELLA watches him as well.

DOCTOR
Where's he going?

GISBORNE heads to the crowd that is forming. DESARIELLA looks at the DOCTOR. They both get up from the table and head to GISBORNE.

PAN TO:

65 CROWD

MAN #3
Won't be easy to take down.

MAN #4
We will need to gather the best men
in town.

(CONTINUED)

MAN #5

If the stories are true, we will
need to...

GISBORNE reaches them. He says the following line in his commanding tone. A tone that makes everyone shut up and look at him. A tone that demands attention.

GISBORNE

You, won't do anything.

Everyone stares at him.

GISBORNE (cont'd)

My friends and I will take care of
the beast for you.

MAN #1

Oh, and just who might you be?

GISBORNE

Sir Guy of Gisborne.

Everyone is quiet.

PAN TO:

66 THE DOCTOR AND DESARIELLA

66

The DOCTOR gives DESARIELLA a look.

DOCTOR

Must he introduce himself like that
every time?

DESARIELLA (VA)

It is his name.

DOCTOR

Can't he just say Gisborne? Or Guy?

DESARIELLA gives the DOCTOR a look.

PAN TO:

67 GISBORNE AND CROWD

67

One man steps forward.

MAN #2

(surprise)

A knight? A real knight?

(CONTINUED)

GISBORNE
You could say that.

 MAN #1
Haven't seen a knight around here
in years.

 MAN #2
What makes you think that...

GISBORNE gets a look in his eye. A look that makes one feel like he is looking straight through them. The DOCTOR and DESARIELLA reach him.

 GISBORNE
You have no idea what you are up
against.

 MAN #3
And you do?

 GISBORNE
We've been tracking it.

 MAN #1
You've actually seen it?

 MAN #2
What does it look like?

 GISBORNE
You wouldn't believe me if I told
you.

The DOCTOR looks at DESARIELLA.

 DOCTOR (T)
What is he doing?

 DESARIELLA (VA)
Trying to keep them out of our way.

 DOCTOR
You think it'll work?

 DESARIELLA (VA)
Oh it will work. Trust me. He has a
very commanding manor when he
wants. People will listen to him.

The DOCTOR and DESARIELLA continue to watch GISBORNE.

JUMP TO:

8 hours later

68

CAVE

68

The DOCTOR, DESARIELLA, and GISBORNE are walking through a cave. The DOCTOR is using his sonic as a flashlight. GISBORNE has his sword in his hand. He is ready to use it if he has to.

GISBORNE

Remind me again why we are dragon hunting?

DOCTOR

Aren't you curious?

GISBORNE

Dragons are not the sort of creature one usually willingly goes looking for.

The DOCTOR gives GISBORNE a look. How would he know what a dragon is like? There were no dragons around in 1190's England! Were there?

DESARIELLA hears a soft growl. She holds up her hand motioning the guys to stop. They stop.

DESARIELLA (VA)

Did you hear that?

They both look at her.

GISBORNE

Hear what?

DESARIELLA hears it again.

DESARIELLA (VA)

That. Can't you hear it?

GISBORNE / DOCTOR

No.

DESARIELLA listens harder. She picks up the direction of the sound.

DESARIELLA (VA)

This way.

She leads them through the cave.

CONTINUE TO:

DOCTOR

Yes.

DOONGARA

What do they call you?

DOCTOR

The Doctor.

DOONGARA

Ah. Yes. Of course. We have heard of you.

DOCTOR

You have?

DOONGARA

Yes. We Shadrikans know all about you.

DOCTOR

Shadrikans? I...

(beat)

Of course. Shadrika. It all makes sense now.

DESARIELLA and GISBORNE turn to the DOCTOR.

DOCTOR (cont'd)

You know how on Earth some birds fly south for the winter.

DESARIELLA and GISBORNE nod yes.

DOCTOR (cont'd)

Well the Shadrikans change planets. They spend half the year on Shadrika, then migrate through space to Zephyria for the balance of the year.

DESARIELLA looks at DOONGARA

DESARIELLA (VA)

How did you get here?

DOONGARA

Every 100 years, this planet, Naifa, aligns itself in the middle of our flight path. I crashed. I managed to find my way into this cave. But now I have no way home.

(CONTINUED)

DESARIELLA (VA)

Don't be too sure about that. I said we can help you. And I mean it.

DESARIELLA stands perfectly still and closes her eyes. She slowly raises her arms. The DOCTOR knows what she is about to do, and smiles. The DOCTOR looks at GISBORNE

DOCTOR

You are going to love this. Watch.

GISBORNE is about to ask what she is doing when he hears the sound of the TARDIS.

GISBORNE

Is D actually...

DOCTOR

Yes.

DOONGARA

What is that noise?

DOCTOR

That is your ride out of here.

DOONGARA realizes what the sound is.

DOONGARA

A TARDIS.

DOCTOR

Yes.

The TARDIS materializes around them.

JUMP TO:

2 hours later

71

ZEPHYRIA

71

The DOCTOR, DESARIELLA, and GISBORNE are saying goodbye to DOONGARA.

DOONGARA

Thank you, Doctor.

DOCTOR

No problem.

The DOCTOR reaches into his pocket and removes a device.

(CONTINUED)

DOCTOR (cont'd)

Here.

(beat)

This device is programmed with a signal that will call the TARDIS.

(beat)

If any of your kind ever gets stranded again, just send the signal.

(beat)

It will reach the TARDIS wherever she is.

DOONGARA

I will have our scientists prepare devices for all of us the next time Naifa is in our flight path.

DOONGARA flies off. GISBORNE watches, still amazed at seeing a real dragon.

DESARIELLA goes to GISBORNE and puts her arm around his waist. He puts his arm over her shoulder. They watch as DOONGARA flies away.

After a few moments the DOCTOR addresses them.

DOCTOR

Well, back to the TARDIS.

(beat)

Still work to be done.

They walk back to the TARDIS.

CUT TO:

A few minutes later

72

THE TARDIS

72

The DOCTOR opens the door. He enters and heads for the main console. DESARIELLA and GISBORNE follow. GISBORNE closes the door.

GISBORNE

So that was why we went to Naifa the first time. A Dragon...

DESARIELLA (VA)

You mean Shadrikan.

(CONTINUED)

GISBORNE

Right. A Shadrikan must have sent the signal.

DOCTOR

Yes.

GISBORNE

Can we track the signal once we land on Naifa?

DOCTOR

Oh we can do better than that. Now that I know what it is, I can track it before we get there.

GISBORNE

So we can land right where...

DOCTOR

Or we could just transmat the Shadrikan onboard. We wouldn't even have to land!

GISBORNE gives the DOCTOR a look.

GISBORNE

Wouldn't that change history?

The DOCTOR looks at GISBORNE.

GISBORNE (cont'd)

If we never land, then we will never see the photo of us. If we never see the photo we wouldn't have known to go back. If we didn't go back we couldn't have given them the device. If we didn't give them the device they can't call. If they...

GISBORNE stops talking as he realizes that they are both staring at him.

GISBORNE (cont'd)

What?

DESARIELLA (VA)

I can't believe you just managed to say all like you really understood it.

(CONTINUED)

GISBORNE
I'm starting to. I...

The DOCTOR thinks of something.

DOCTOR
You're right. And you also just reminded me that we haven't posed for that photo yet.

The DOCTOR starts the dematerialization sequence and the TARDIS leaves Zephyria.

JUMP TO:

7 months later

73 JUST OUTSIDE OF CORINTH - ANCIENT GREECE - PATH IN FOREST 73

The DOCTOR, DESARIELLA, and GISBORNE are walking down a path.

The DOCTOR is behind DESARIELLA and GISBORNE. DESARIELLA and GISBORNE are holding hands.

All of sudden GISBORNE drops DESARIELLA's hand and runs into the trees that align the side of the path.

DOCTOR
Where are you...

DESARIELLA runs after GISBORNE. The DOCTOR runs after DESARIELLA.

CUT TO:

74 A CAMP ON THE OTHER SIDE OF THE FOREST 74

There is a wagon loaded with supplies, a group of tethered horses, and a group of armed men. The men are scattered around the camp. They appear to be packing up. One man stands out among the crowd. He is the leader of the group.

GISBORNE comes charging out of the trees and manages to grab an arrow out of mid air. Just before it hits the leader.

All eyes in the camp turn to GISBORNE. The leader looks at him.

LEADER
That was amazing. I owe you my life. I...

(CONTINUED)

GISBORNE

It was nothing. I...

DESARIELLA and the DOCTOR exit the trees. The men in the camp raise their weapons. The DOCTOR and DESARIELLA stop.

GISBORNE (cont'd)

They are with me.

The leader signals the men to lower their weapons. They do.

The DOCTOR wonders who these men are and what GISBORNE has just walked into. He notices the arrow in GISBORNE's hand, and looks at DESARIELLA.

DOCTOR (T)

Tell me he didn't just save this guy's life? We don't even know who he is!

DESARIELLA looks around the camp trying to figure out who these men are. The Leader addresses GISBORNE.

LEADER

You're not from around here. Who are you?

GISBORNE

Gisborne.

The DOCTOR gives GISBORNE a look. He can't believe he didn't say "Sir Guy of Gisborne" like he always does. He wonders if there is a reason.

LEADER

And your friends?

GISBORNE

The Doctor, and Desariella.

The leader nods a greeting to the DOCTOR and to DESARIELLA. They return the nod. The leader looks back at GISBORNE.

LEADER

Well, thank you again, Gisborne.
I...

Momentary pause. The leader seems to be thinking of something.

LEADER (cont'd)

My men and I are off on a quest. I could use a man like you on my

team. I don't suppose you would be
interested in joining us?

Before GISBORNE can answer, one of the men approach.

MAN
Jason.

The Leader turns to the man.

DOCTOR (T)
(raise eyebrow)
Did he say Jason? I...

JASON
Yes.

MAN
The Argo is due to set sail. We
must be on the way.

The DOCTOR smiles when the man says "Argo". He knows who
these people are.

JASON
Of course.

JASON turns to GISBORNE.

JASON
Well?

The DOCTOR answers before GISBORNE can.

DOCTOR
We can't. We have a... previous
commitment.

JASON
I see.

GISBORNE wonders why the DOCTOR said no.

DESARIELLA has finally figured out who these men are.

GISBORNE looks to DESARIELLA and notices the look on her
face. He realizes she knows these men and that there must be
something going on that he's not aware of. GISBORNE looks at
JASON.

GISBORNE
Good luck on your quest.

 JASON
Thank you.

JASON heads over to his men who are all ready to leave.

GISBORNE walks over to DESARIELLA and the DOCTOR. DESARIELLA looks at GISBORNE.

 DESARIELLA (VA)
You, my love, just saved the life
of the King of Corinth.

 GISBORNE
He's a king?

 DESARIELLA (VA)
If he isn't king yet, he will be.

 GISBORNE
I take it he is someone famous.

 DESARIELLA (VA)
Ever hear the story of *Jason and
the Argonauts*?

GISBORNE rolls his eyes.

 GISBORNE
Greek Mythology. Never did like
that stuff. I...

GISBORNE remembers one of the men mentioning the Argo.

 GISBORNE (cont'd)
Wait, he is *that* Jason?

 DESARIELLA (VA)
Yes.

 GISBORNE
Then this quest they are going on
is *The Quest for the Golden Fleece*.

 DESARIELLA (VA)
Yes.

 (beat)
And if you hadn't have saved him,
he never would have...

GISBORNE

So I was supposed to save him.
Being here, now, was meant to be.

DESARIELLA (VA)

Looks like it.

Momentary pause. The DOCTOR was all ready to yell at GISBORNE for jumping in before he knew what was going on. But now he can't because he was supposed to do what he did. It also means that DESARIELLA bringing him on board in the first place was supposed to have happened. The DOCTOR is still confused about one thing.

DOCTOR

How did you know?

GISBORNE is confused.

GISBORNE

Know what?

DOCTOR

That Jason was in danger?

GISBORNE answers honestly. No hesitation in his voice.

GISBORNE

I heard the archer drawing the bow.

The DOCTOR looks at him in disbelief. DESARIELLA looks at GISBORNE and smiles. Of course he did. His hearing was excellent.

GISBORNE (cont'd)

One thing you learn fast living in
the forest is how to listen.

(beat)

I heard the bow being drawn and ran
to the only other spot that had
voices.

(beat)

All the way *here* I could hear the
archer readying the bow, notching
the arrow, aiming the arrow. And,
as soon as I reached the camp, I
heard the arrow being released.

DESARIELLA smiles at GISBORNE and draws closer to him.

DESARIELLA (VA)

My hero.

(CONTINUED)

DESARIELLA kisses GISBORNE. He kisses her back. The DOCTOR rolls his eyes.

ROBIN and gang are defending a village from a band of mercenaries.

The mercenaries are attacking from three sides. The south, the west, and the east. The north side opens on to a body of water and is safe.

ROBIN's gang is divided into three groups.

ROBIN and MUCH are in the south-end building firing arrows and other projectiles at the men attacking from that side.

TUCK and LITTLE JOHN are in the west-end building firing arrows and other projectiles at the men attacking from that side.

ALLAN, GISBORNE, and DESARIELLA, are in the east-end building firing arrows and other projectiles at the men attacking from that side.

The attacking band is slowly being defeated.

PAN TO:

Fine.

(beat)

When we go back everything will be...

DESARIELLA winces. It hurts. It really hurts. More than it should. GISBORNE remembers that this is just a program.

(CONTINUED)

GISBORNE
Right. I forgot.
 (beat)
Everything seems so real. I...

ALLAN gets the feeling something is wrong. Why is Guy not removing the arrow? Why is he doing nothing? He should be more concerned.

 ALLAN
Back? Real? What are...

GISBORNE looks to ALLAN. DESARIELLA tries to get up. She can't.

 DESARIELLA (VA)
 (faintly)
Guy, I...

GISBORNE looks back at her.

 DESARIELLA (VA) (cont'd)

Something is...

GISBORNE can tell she doesn't look good.

 GISBORNE
Are you sure this will...

 DESARIELLA (VA)
Doc...tor.

DESARIELLA passes out. GISBORNE realizes something is wrong.

 GISBORNE
That's it.

ALLAN is staring at them. GISBORNE addresses the TARDIS.

 GISBORNE (cont'd)

GISBORNE (cont'd)
What? The arrow should have...

GISBORNE picks her up and heads for the open door.

GISBORNE (cont'd)
(yell)
DOCTOR!!

GISBORNE exits the room.

CONTINUE TO:

76 HALLWAY 76

GISBORNE heads down the hall yelling for the DOCTOR.

GISBORNE
DOCTOR!!!

He heads for the console room.

CONTINUE TO:

77 CONSOLE ROOM 77

The DOCTOR is looking at something on one of the monitors. He is interrupted by the sound of GISBORNE yelling his name.

GISBORNE (VO)
DOCTOR!

The DOCTOR looks towards the sound of GISBORNE's voice and sees him at the top of the stairs with DESARIELLA in his arms. He stops what he is doing and runs to them.

CONTINUE TO:

78 TOP OF STAIRS 78

The DOCTOR reaches the top of the stairs and sees the arrow.

DOCTOR
What happened?

(CONTINUED)

GISBORNE
We were in the holoroom and...

 DOCTOR
The holoroom?

 GISBORNE
Yes.

The DOCTOR looks at the arrow. If they were in the holoroom, then this arrow isn't real.

 DOCTOR
This is a holo-arrow?

 GISBORNE
Yes.

 DOCTOR
Then why...

 GISBORNE
I don't know. I...

 DOCTOR
You did shut the program down correctly, didn't you?

 GISBORNE
Of course, Doc. You think I'd...

 DOCTOR
No. I...

 GISBORNE
Look, just help me get this arrow out of her, okay.

 DOCTOR
Right.

They head back down the hall.

DESARIELLA'S ROOM - BEDROOM

79

DESARIELLA is asleep in bed. She has a medi-patch on her shoulder where the arrow was.

GISBORNE is sitting in a chair at her beside. He is holding her hand.

The DOCTOR is standing at the foot of the bed. He is concerned. Why did the safety protocols fail? What was going on?

GISBORNE, without taking his eyes off of DESARIELLA, addresses the DOCTOR.

GISBORNE

She's going to be okay, right?

DOCTOR

Of course she is. May have a sore arm for a few days.

GISBORNE

I don't understand what went wrong.

(beat)

D said the program was safe. She said no harm could come to us while we were in there.

DOCTOR

That is correct.

(beat)

There are safety protocols built in to protect the users.

(beat)

Holorooms were invented so that people could partake in dangerous activities without worrying about any of the consequences.

GISBORNE

So what went wrong?

DOCTOR

Not sure.

(beat)

But, until we figure it out, stay out of the holoroom.

The DOCTOR leaves. GISBORNE kisses DESARIELLA's hand.

JUMP TO:

30 minutes later

80 HALLWAY OUTSIDE OF HOLOROOM 80

The DOCTOR is standing outside the holeroom. He is staring at the door.

DOCTOR

Not sure what is going on. But you have caused enough trouble.

The DOCTOR removes his sonic from his pocket. He points it at the door, sealing it with a deadlock seal.

DOCTOR (cont'd)

No one is using this room until I figure out what happened.

The DOCTOR turns and walks away.

JUMP TO:

6 months later

81 1194: NOTTINGHAM - TUNNEL UNDER CASTLE 81

DESARIELLA is kneeling beside GISBORNE's dead body.

GISBORNE is wearing what he was wearing when the TARDIS picked him up all those years ago.

DESARIELLA has returned to the exact spot where she picked him up, just a few moments after they left.

DESARIELLA is crying. She kisses his dead lips. She strokes his hair.

DESARIELLA (VA)

Good bye, my love.

She remembers his dying words. She hears his voice in her head.

GISBORNE (VO)

D, I said I'd love you forever. I mean it. Forever. I will find you again. Somehow. Some day. We will be together again.

(CONTINUED)

She removes the wedding ring from his finger and walks back to the TARDIS. She opens the door and stops. She turns and looks at GISBORNE's body once more. She takes a deep breath and then enters the TARDIS.

The TARDIS dematerializes.

CUT TO:

82 SHERWOOD FOREST (REVISED SCENE 514 FROM "SECOND CHANCES") 82

ARCHER is sitting by himself. MUCH, TUCK, and LITTLE JOHN are off to the side.

DESARIELLA approaches. No one notices her.

DESARIELLA (VA)

Archer?

ARCHER turns. She motions him over. He goes to her.

ARCHER

Des! You're okay! I didn't see you leave the castle. I thought that...

ARCHER notices that she's been crying.

ARCHER (cont'd)

Hey, what's wrong?

DESARIELLA tries to say what she has to say without crying.

ARCHER (cont'd)

Des? What...

DESARIELLA (VA)

You must go back to the tunnels and get Guy's body.

ARCHER gives her a look. Did she just say "Guy"?

ARCHER

What? That tunnel's probably collapsed. In case you hadn't noticed, the entire castle just...

DESARIELLA (VA)

The tunnel is fine. At least the part he is in. Trust me.

ARCHER

How could you know that?

(CONTINUED)

DESARIELLA (VA)
(pleading)
Archer, please. He's your brother.

ARCHER looks at her. He wonders why this means so much to her. She hardly knew GISBORNE, at least that's what he thought. Why would she care so much? Was there something he didn't know?

DESARIELLA (VA) (cont'd)
Please. Go and get his body. Bury
him alongside Robin. He'd want...

ARCHER
I...

DESARIELLA (VA)
Please?

ARCHER
Okay. I'll ask the guys to...

DESARIELLA hugs him.

DESARIELLA (VA)
Thank you.

ARCHER hugs her back. They break the hug. She turns and walks off.

ARCHER
Hey? Where are you going?

DESARIELLA keeps walking, not looking back.

ARCHER (cont'd)
Des?
(beat)
Des?

TUCK walks over.

TUCK
Who was that?

ARCHER
Desariella.

TUCK
Who?

ARCHER looks at TUCK wondering how he could not know who she was.

(CONTINUED)

ARCHER
She was at the castle.

TUCK
Never saw her.

ARCHER
Seriously?

TUCK
I was kinda busy with...

ARCHER
I'm not sure how you couldn't have noticed her though. She was there the whole time.

TUCK
She was?

ARCHER
Yes.
(beat)
I know Robin noticed her. Caught him looking at her a few times. I thought she liked Robin too. But...
(beat)
...now I think she may have had her eye on someone else.

Momentary pause as ARCHER remembers that she did seem to watch Guy a lot. Maybe she had a thing for him. Was there something going on that he wasn't aware of? And if so, did Robin know?

TUCK looks at ARCHER.

TUCK
What did she want?

ARCHER looks back at the retreating DESARIELLA.

TUCK (cont'd)
Archer?

ARCHER ignores him.

TUCK (cont'd)
Archer!

ARCHER looks at TUCK.

ARCHER

I need to ask you and the gang for a favour.

TUCK

Okay.

TUCK calls to LITTLE JOHN and MUCH.

TUCK (cont'd)

John, Much.

TUCK signals them over. LITTLE JOHN and MUCH head over wondering what's up. ARCHER looks at the gang.

ARCHER

Look, I don't know you guys that well, but... Robin and Guy were my brothers. I've always been alone. I find out I have two brothers and then lose them both on the same day. I...

(beat)

Guy's still down there. I need...

LITTLE JOHN, TUCK, and MUCH, look at ARCHER.

ARCHER (cont'd)

We can't leave his body in that tunnel. He deserves...

LITTLE JOHN

You're right.

TUCK places an arm on ARCHER's shoulder. ARCHER smiles a thank you.

LITTLE JOHN

You know, Gis... Guy. Wasn't my favourite person. I spent years hating him and everything he stood for. When Robin brought him into our ... family... I still had my doubts. I never fully trusted him. But he gave his life today fighting with us. He died protecting us. I...

TUCK

John, it's...

LITTLE JOHN
Let's go get him.

MUCH
Robin would want that. We can... We
can lay them to rest together.

LITTLE JOHN puts an arm around MUCH. The gang heads for the tunnel to get GISBORNE.

JUMP TO:

83 CONSOLE ROOM

The DOCTOR is standing by the main console staring at the doors. The doors open. DESARIELLA enters. She walks to the stairs without saying anything.

DOCTOR
You okay?

DESARIELLA (VA)
Let's just go.

DOCTOR
Where to?

DESARIELLA (VA)
Don't care.

DESARIELLA continues up the stairs. The DOCTOR watches her leave. When she reaches the top, and disappears from view, the DOCTOR looks at the console. He starts the dematerialization sequence and the TARDIS heads off.

JUMP TO:

DESARIELLA enters and goes to the bedroom.

CONTINUE TO:

Gisborne's sword is hanging on the wall and one of his leather outfits is hanging on the closet door.

DESARIELLA walks over to the bed and sits on it. She stares at the ring in her hands, Guy's ring.

(CONTINUED)

DESARIELLA (VA)
Rest in peace, my love.

She kisses the ring.

DESARIELLA (VA) (cont'd)
I shall miss you, but never forget
you.

She continues to stare at the ring and starts to cry. She cries for a few moments then her phone rings. She really doesn't want to talk to anyone but the ring-tone indicates that it's Jack. She tries to compose herself and answers it.

86 SPLIT SCREEN: DESARIELLA (RIGHT) / JACK (LEFT) 86

There is a calendar on the wall behind JACK that shows the date as AUGUST 5th, 2010.

DESARIELLA (VA)
Hey Jack.

JACK can sense something is wrong.

JACK
You okay?

DESARIELLA tries to hold back the tears.

DESARIELLA (VA)
Why do you ask?

JACK
Something's wrong.
(beat)
What happened, D?

DESARIELLA (VA)
He's... He's dead.

She can't hold the tears back any longer. She starts crying again.

JACK's first thought is that the Doctor is dead. Then he realizes that that is probably unlikely. It must be GISBORNE.

DESARIELLA (VA) (cont'd)
It's not fair, Jack. Guy and I
were...

(CONTINUED)

JACK
I'm sorry. I...

DESARIELLA (VA)
Tomorrow would have been our 7th
anniversary.

JACK is surprised. Seven years?

JACK
7th?

DESARIELLA (VA)
We were celebrating our 4th
anniversary when we exited the
quarantine.

That would mean it's been three years since he's last seen
her. Three years for her, only 1 month for him.

JACK
I didn't get to know Guy all that
well, but I know how much he loved
you. And how much you loved him.

DESARIELLA (VA)
I've never loved anyone the way I
loved him. From the moment we met I
felt it. I felt this connection to
him.

JACK
I know how you feel. I've been
where you are now. If there is
anything I can do, all you have to
do is ask.

DESARIELLA thinks of something.

DESARIELLA (VA)
Maybe there is.

JACK
Name it.

Momentary pause. JACK is about to say something when
DESARIELLA breaks the silence.

DESARIELLA (VA)
It may be a long shot but, could
you see what ever happened to Seth
or Archer?

JACK
(curious)
Who?

DESARIELLA (VA)
Seth was Guy's son.

JACK
He had a son?

DESARIELLA (VA)
Yes.

Momentary pause.

DESARIELLA (VA) (cont'd)
Archer was his 1/2 brother.

JACK
(confused)
Seth's? or Guy's?

DESARIELLA (VA)
Guy's. Also Robin's.

JACK
Wait. Guy and Robin? How is that...

DESARIELLA (VA)
Robin's father, Malcolm of
Locksley, and Guy's mother,
Ghislaine of Gisborne, had a son
together.

JACK
Whoa. That puts a whole different
spin on...

DESARIELLA (VA)
The last time I saw Archer he had
joined up with what was left of
Robin's gang. With Robin and Guy
both dying on the same day, the
gang was without a leader.

JACK
The way say that, makes it sound
like Guy was part of the...

DESARIELLA (VA)
He was.

Guy joined...

JACK
The Sheriff killed Marian?

DESARIELLA (VA)
Yes.

JACK
But why would Marian's death cause
Guy to...

DESARIELLA (VA)
He loved her.

JACK
Guy loved Marian?

DESARIELLA (VA)
Yes.

JACK
I thought that... Is any of the
legend true?

DESARIELLA (VA)
Jack, you of all people know that
history has a way of...

JACK
Yeah, but... Guy and Marian? Guy
and Robin fighting together? Guy
and Robin sharing a brother? This
changes everything. The whole...

DESARIELLA (VA)
Jack. Focus.

JACK
Sorry.

Momentary pause.

DESARIELLA (VA)
All I know about Seth, is that he
and his mother, Annie, lived with a
Lady Glasson.

(CONTINUED)

JACK is not sure he will be able to find anything. He will have to go over 816 years of records. This'll be like finding a needle in a haystack. But he doesn't want to let her down.

JACK

Sure, D.

DESARIELLA (VA)

Thanks Jack.

JACK

I'll call you when I find something.

DESARIELLA smiles. She knows that if anyone can find anything it's JACK.

DESARIELLA gets the wrong idea and is about to "blast" JACK.

DESARIELLA (VA)
Really? You called to...

JACK
No. No. Not like that. This man is someone you'll want to meet.

DESARIELLA is curious.

DESARIELLA (VA)
Oh? And why would you think...

JACK
Because, he's a descendant of one Sir Guy of Gisborne.

DESARIELLA perks to attention. She had forgotten she had asked him to look into that. It was so long ago.

DESARIELLA (VA)
How do you know this man is...

JACK
Well, for starters, he looks just like him. When I first saw him I couldn't believe it.
(beat)
I found out who he was and did some digging. Took a while because he'd...

DESARIELLA (VA)
You're sure?

JACK
Would I be calling if I wasn't?

DESARIELLA (VA)
Where are you?

JACK
I'm sending you the time/space
co-ordinates now.

DESARIELLA (VA)
I'll be there soon.

JACK
I'll be waiting.

DESARIELLA (VA)
Thanks Jack.

JACK
Anytime.

JACK hangs up.

Date: Sept 25th, 2010" followed by the co-ordinates.

DESARIELLA (VA)
September 2010? That can't be
right. I knew Jack was good, but 1
month? Hmm. He never ceases to
amaze me.

(beat)

I wonder why he's in London?

She memorizes the co-ordinates. She places the phone back on
the coffee table, and exits the room.

DESARIELLA comes down the stairs and heads to the main

sent her.

The DOCTOR looks up.

DOCTOR
Where are we going?

(CONTINUED)

DESARIELLA doesn't answer. She finishes typing in the co-ordinates, and the TARDIS jerks.

DOCTOR (cont'd)
I said, where are we going?

DESARIELLA doesn't answer.

DOCTOR (cont'd)
D?

The TARDIS lands. DESARIELLA looks towards the doors. So does the DOCTOR. The doors open. JACK enters. The DOCTOR is surprised. JACK is holding a photo in his hands.

DOCTOR (cont'd)
Jack.

JACK
Doctor.

DESARIELLA goes to JACK.

DESARIELLA (VA)
Where is he?

DOCTOR
(confused)
Who?

DESARIELLA ignores the DOCTOR.

DESARIELLA (VA)
(to Jack)
I want to meet him.

JACK holds out the photo. DESARIELLA looks at it.

DESARIELLA (VA) (cont'd)
Is this him?

JACK
Yes.

DESARIELLA takes the photo. She is shocked at the resemblance.

DESARIELLA (VA)
Oh my god. You were right. He looks...

The DOCTOR heads over. He doesn't like being ignored.

DOCTOR
One of you want to tell me...

JACK looks at the DOCTOR.

JACK
I found a descendant of...

The DOCTOR reaches them and sees the photo DESARIELLA is holding. He gets an "oh no" look on his face.

DOCTOR
Gisborne.

JACK
Yes.

The DOCTOR gives JACK a "what are you thinking" look. JACK knows the look. DESARIELLA knows exactly what both of them are thinking. She looks at the DOCTOR.

DESARIELLA (VA)
Don't be mad at Jack.

JACK and the DOCTOR look at her.

DESARIELLA (VA) (cont'd)
I asked him to try and find...

The DOCTOR gives her a look.

DOCTOR
You asked *Jack*?
(beat)
Why not come to me? You know the
TARDIS has records on everyone that
ever lived!

JACK wonders why he never thought to ask her to check the TARDIS data-banks. DESARIELLA just gives the DOCTOR a look.

DESARIELLA (VA)
If I'd've asked you, would you've
helped?

The DOCTOR doesn't say anything.

DESARIELLA (VA) (cont'd)
Didn't think so.
(beat)
You never did like him. No matter
how much you pretended to. You
never really...

JACK looks at DESARIELLA.

JACK
You could have asked the TARDIS
directly.

Both DESARIELLA and the DOCTOR look at JACK.

JACK (cont'd)
She does like you. She...

DESARIELLA (VA)
Tried. She wouldn't help.

All is quiet for a few moments.

DOCTOR
D, you've been mourning him for 3
years. You have to let him go.
It's...

JACK raises a eyebrow. Did he just say 3 years? DESARIELLA
looks at the DOCTOR.

DESARIELLA (VA)
I can't. I just can't.

DESARIELLA looks back at the picture. Momentary silence.

DOCTOR
So what now?

DESARIELLA looks at JACK.

DESARIELLA (VA)
I want to meet him. Who is he?

JACK
Lucas North. He works for MI-5.

The DOCTOR gets one of those "Oh great. MI-5" looks on his
face. JACK continues without stopping.

JACK (cont'd)
Section D.

DOCTOR
That's Counter Terrorism, isn't it?

JACK
(nod)
Yes. And it was one of the few

JACK
Long story.

DESARIELLA looks at the photo.

DESARIELLA (VA)
Lucas North.

JACK
At least that's the name he is
using at the moment.

DESARIELLA gives JACK a look. So does the DOCTOR.

JACK (cont'd)
I did some digging. His real name
is John Bateman.

DOCTOR
What do you know about him?

JACK
He joined MI-5 in 1995 under the
name Lucas North. He was one of the
best.

(beat)
He was promoted to Section Chief
for Section D a few years later.
(beat)
Then, in 2000, he was on assignment
in Russia and was captured. He
spent 8 years in a Russian *prison*.

DESARIELLA can tell from the way that JACK says "prison" he
doesn't mean a regular jail.

DESARIELLA (VA)
You mean he was...

She can't bring herself to say the word "tortured". JACK
knows what she is about to say.

(CONTINUED)

JACK
(thoughtful)
Yes. Prison is one thing but, Lucas
was/is a spy. I'm sure he...

JACK stops himself, knowing full well what could have
happened to Lucas.

The DOCTOR gives him a "continue" look.

JACK (cont'd)
In 2008, the Head of Section D, Sir
Henry James Pearce, Harry to
friends, orchestrated a "spy-swap"
and got Lucas back. He was recently
re-appointed section chief.

DESARIELLA (VA)
So he's at MI-5 right now?

JACK
Yes.

DOCTOR
MI-5. Never liked those guys.
Always so...

JACK
Oh, and I suppose UNIT was
different?

Silence. After a few moments DESARIELLA breaks the silence.

DESARIELLA (VA)
So, we just go to MI-5 and...

JACK
(laugh)
You can't just walk into Thames
House and ask for Lucas North.

DESARIELLA doesn't see a problem.

DESARIELLA (VA)
Why not?

JACK
Their security is...

DESARIELLA looks at JACK, then the DOCTOR, then smiles.

DESARIELLA (VA)
 Last time I checked, "Torchwood"

 I'm sure we'll have no trouble
 getting in.

They all exchange looks.

TARIQ
 See ya when you get back.

TARIQ hangs up, and turns to RUTH. He puts a hand on her shoulder.

RUTH
 I think I'm going to go to...

RUTH gets up from her chair. She is about to finish her line with "Harry's office" but...

TARIQ looks over at the pods. He sees DESARIELLA and JACK enter. He recognizes JACK.

TARIQ
 Wait, isn't that...

RUTH recognizes JACK as well.

RUTH
 Yes. I wonder what he wants?

TARIQ
 Who's that with him?

RUTH
 Never seen her before.

RUTH composes herself and walks over to JACK and DESARIELLA.

(CONTINUED)

RUTH (cont'd)
Can I help you?

DESARIELLA (VA)
Yes. We're here to see Lucas North.

RUTH tries not to start crying again.

TARIQ has started his way over, but stops when DESARIELLA mentions Lucas' name. He is still having a hard time believing that all that just happened actually happened.

DESARIELLA can sense something is wrong. JACK notices the place seems deserted.

JACK
Where is everyone?

RUTH looks at JACK.

RUTH
You're Captain Jack Harkness,
aren't you?

JACK
(smile)
Yes.

RUTH
What do you want with...

DESARIELLA (VA)
Classified.

RUTH looks to DESARIELLA.

RUTH
Classified? By who?

RUTH turns to JACK.

RUTH (cont'd)
I heard Torchwood was shut down
after the 456 incident.

DESARIELLA looks at JACK. Shut down? Why hadn't he mentioned that? DESARIELLA goes for plan B, and pulls out her psychic paper. She flashes it at RUTH.

RUTH looks at it and wonders what Lucas did to warrant UNIT's interest. Could UNIT have found out Lucas' secret? Was it John Batemen they really wanted? And if so, why?

(CONTINUED)

DESARIELLA can tell that RUTH has a thousand questions. She also knows RUTH is thinking about John Bateman. So they know.

RUTH (cont'd)
Great. UNIT. What did...

DESARIELLA (VA)
Nothing. I...
(beat)
We, just need to talk to him. So if
you could...

TARIQ approaches them.

TARIQ
Sorry. You're too late.

JACK
What do you mean?

TARIQ
Lucas is dead.

Both JACK and DESARIELLA are shocked at the news.

DESARIELLA (VA)
What?
(beat)
How? When?

TARIQ
He...

TARIQ pauses. He's not sure how Harry will want to write this up, so it is probably best to be vague.

TARIQ (cont'd)
...fell from the Enver Tower. Just
a few moments ago.

DESARIELLA looks at JACK.

TARIQ (cont'd)
Is there something we can help you
with?

JACK
I don't think so.

TARIQ
The rest of the team are on their
way back. Maybe...

JACK
No. We needed Lucas.

JACK looks at RUTH.

JACK (cont'd)
Sorry for your loss. Lucas was one
hell of an agent.

RUTH
You knew him?

JACK
Not personally.

JACK looks at DESARIELLA. She looks like she is going to
break down any moment. He decides they should leave.

JACK (cont'd)
We better go.

JACK and DESARIELLA head back to the pods. RUTH and TARIQ
watch them go.

BETH and DIMITRI are exiting the pods as JACK and DESARIELLA
get there.

JACK and DESARIELLA pass BETH and DIMITRI and go through the
pods.

BETH and DIMITRI head to RUTH and TARIQ.

DIMITRI
Was that...

RUTH
Yes.

DIMITRI
What did he want?

TARIQ
Lucas.

BETH
Lucas? Why?

RUTH
They didn't say.

RUTH heads to Harry's office. DIMITRI looks at TARIQ.

DIMITRI

What would Torchwood want with Lucas?

TARIQ

Torchwood no longer exists remember?

DIMITRI

So who...

TARIQ

UNIT.

BETH

UNIT?

DIMITRI

Jack Harkness is now with UNIT?

TARIQ (cont'd)

Yeah.

BETH and DIMITRI are still looking at TARIQ, waiting for him to continue. After a few moments of silence, DIMITRI addresses TARIQ.

DIMITRI

Well? What did they want with...

TARIQ

Don't know. They never said.

BETH

Don't you find it odd that UNIT would be looking for Lucas now?

(beat)

And to send Jack Harkness of all people to get him?

DIMITRI

What are you saying?

BETH

I'm not sure.

(beat)

The last few days everything has been turned upside down.

(beat)

I just wish we could go back in time and erase it all.

BETH walks to her desk. DIMITRI looks back towards the pods. He gets the feeling that BETH may be right. TARIQ returns to his desk.

So she knows.

DESARIELLA (VA)

I think they all know.

(beat)

I think that what ever caused Lucas to fall is linked to the team finding out his real name.

JACK

There is a way we can find out.

DESARIELLA (VA)

There is?

JACK

Yes. But...

DESARIELLA (VA)

But what?

(CONTINUED)

JACK
You might not like it.

DESARIELLA (VA)
I need to know why he died. I need
to know...

JACK
Okay. Then we go to the only person
who knows what happened.

DESARIELLA looks at JACK with a raised eyebrow. JACK gets
up.

JACK (cont'd)
Come on.

JACK heads for the door. DESARIELLA follows.

JUMP TO:

93

JACK'S PLACE

93

JACK and DESARIELLA exit the TARDIS and JACK goes to his
safe. He opens it and removes a pill. DESARIELLA gives him a
look.

DESARIELLA (VA)
Is that what I think it is?

JACK
Yes. Torchwood may be gone, but not
all of its secrets are gone.

DESARIELLA (VA)
What do we need retcon for? What
are you...

JACK
We are going to question Sir Harry
Pearce.

DESARIELLA (VA)
Lucas' boss?

JACK
Yes.

DESARIELLA (VA)
And I take it you know where we can
find him?

JACK smiles.

JUMP TO:

94 BAR

94

HARRY is sitting at a bar drinking. He can't believe the man he's known for so long just killed himself. He should have stopped him. He should have been able to help him.

HARRY

Ah Lucas, why'd you have to...

HARRY stops talking as he senses someone approach. He looks up to see a man and a woman approaching him. He recognizes the man.

JACK and DESARIELLA reach HARRY. JACK sits on the stool to HARRY's right, and DESARIELLA sits on the stool to HARRY's left.

HARRY looks at JACK. When HARRY looks to JACK, DESARIELLA drops the retcon into HARRY's drink.

HARRY (cont'd)

Well, if it isn't Captain Jack Harkness.

JACK

Hello, Harry.

HARRY

It's been a while.

HARRY takes a drink. DESARIELLA is surprised. He never mentioned that he actually knew HARRY.

HARRY (cont'd)

What can I...

JACK

I need to talk to you about Lucas.

HARRY

Lucas?

JACK nods.

HARRY (cont'd)

Lucas is dead.

HARRY finishes his drink in one large gulp and places his empty glass on the bar.

(CONTINUED)

JACK

We know.

JACK signals the bartender for another drink for HARRY.

JACK (cont'd)

That's why we...

HARRY

Why did you want to...

The bartender arrives with drink. HARRY picks it up.

JACK

Let's go to that table...

JACK points to a secluded booth.

JACK (cont'd)

...over there. We need privacy for this discussion.

HARRY is curious.

HARRY

Okay.

HARRY, JACK and DESARIELLA head for the table.

CONTINUE TO:

95

TABLE/BOOTH

95

They reach the booth and sit down. By now the retcon has worked it's way into HARRY's system. He won't remember any of this.

JACK

Tell me what you know about John Bateman?

DESARIELLA can see HARRY thinking of Lucas telling him everything.

HARRY

What do you know about...

DESARIELLA places a hand on HARRY's shoulder.

DESARIELLA (VA)

It's okay.

(beat)

We know that Lucas and John are the same man.

(CONTINUED)

(beat)
 We just need to know how much he
 told you?

HARRY looks at her. He's not sure why, but he starts to tell her everything that Lucas told him.

HARRY
 From what he told me, it all
 started in Dakar. With a man named
 Vaughan Edwards.

HARRY stares into his drink.

JUMP TO:

5 hrs later

96

TARDIS - DESARIELLA'S ROOM - LIVING ROOM

96

JACK and DESARIELLA are sitting on the sofa. DESARIELLA looks at Guy's sword.

DESARIELLA (VA)
 It's Guy all over again.

JACK
 What?

DESARIELLA (VA)
 For Guy it was Vasey who lead him
 down the path of destruction. He
 finally broke free, and was
 starting to put his life back
 together when he died.

(beat)
 For Lucas, it was Vaughan.

JACK
 Are you comparing Vaughan to the
 Sheriff?

DESARIELLA (VA)
 Yes.

DESARIELLA looks at JACK.

DESARIELLA (VA) (cont'd)
 We have to do something. We have to
 save him.

(CONTINUED)

JACK

How?

Momentary pause. DESARIELLA tries to think of a way to save Lucas. She thinks she has come up with something.

DESARIELLA (VA)

What if we...

Momentary pause. JACK waits for her to continue. She looks at JACK.

DESARIELLA (VA) (cont'd)

What if we made a clone and left it where...

JACK

A clone?

DESARIELLA (VA)

Yes. It's easy enough to do.

JACK

I know that. But...

DESARIELLA (VA)

We place the clone in the spot where Lucas' body landed, then we just cloak the TARDIS, position her over the spot, open the doors above the swimming pool, and catch him as he falls.

JACK is about to say something but DESARIELLA continues.

DESARIELLA (VA) (cont'd)

I need you to get the case file on his death. If we're going to pull this off, we will need to have people in place to make sure all the info in the file stays the same.

JACK

I know a few people who can help with that.

DESARIELLA (VA)

We will need to cover everything. The cops that arrive at the scene, the forensics team that collects evidence and photos, even the autopsy team. And we will need to

(MORE)

(CONTINUED)

DESARIELLA (VA) (cont'd)
know the exact time he fell from
the roof.

JACK
Don't worry everything will be
covered.

JACK thinks of something and looks at DESARIELLA.

JACK (cont'd)
Are you going to ask the Doctor
to...

DESARIELLA (VA)
Ask? Who says I'm asking?

JACK
What? No. I'm not going to go
behind his back and...

DESARIELLA (VA)
Come on, Jack. After what he...

JACK
Don't go there.

JACK looks at her. She looks at him.

DESARIELLA (VA)
I'm going to do this. I have to do
this.

JACK
If you do this without his
permission, you may jeopardize your
relationship with him forever. Is
it worth it?

DESARIELLA (VA)
Yes.

JACK looks at her. He can't believe she is willing to throw
everything away for a man she doesn't even know.

DESARIELLA (VA) (cont'd)
I know the Doctor better than he
knows himself. Sure, he'll get all
high and mighty at first, but once
he calms down he'll understand.

Momentary pause. JACK is still giving her a look.

DESARIELLA (VA) (cont'd)
Lucas North is...

JACK
You mean John Bateman.

DESARIELLA (VA)
Lucas, John, same person.
(beat)
He died today. He fell from the
Enver Tower and...

JACK
Jumped. He jumped.

DESARIELLA (VA)
You don't know that.

JACK
That's what Harry told us. You
heard him. He said that...

DESARIELLA (VA)
He also said his back was to Lucas.
Lucas could have slipped.

JACK
Seriously, D?

DESARIELLA (VA)
Either way, it doesn't matter. When
we pick him up, we won't be
changing anything.

JACK knows she is right. Dead is dead. Did it really matter
how?

JACK
What are you planing to do with him
once you get him on board?

DESARIELLA thinks.

DESARIELLA (VA)
I don't know yet. Depends on him I
guess.

JACK
D, you have to discuss this with
the Doctor.

DESARIELLA looks at JACK. She knows he's right. She hates it
when he's right. JACK stares at her.

(CONTINUED)

JACK (cont'd)
You can't just...

DESARIELLA places her head in her hands as she says her line.

DESARIELLA (VA)
I know.

Momentary pause. After a few moments she looks up.

DESARIELLA (VA) (cont'd)
You think you could get started on the clone and case file, while I go talk to...

JACK
(smile)
Sure.

DESARIELLA (VA)
Thanks Jack. Wish me luck.

JACK
Good luck.

DESARIELLA rises from the couch. JACK watches her walk out of the room.

CUT TO:

97 MAIN CONSOLE ROOM

97

The DOCTOR is at a console, pretending to be busy. DESARIELLA comes down the stairs. She pauses halfway down, looks at the DOCTOR, takes a deep breath, and then continues. She reaches the bottom and goes over to him.

DESARIELLA (VA)
Jack thinks I should discuss this with you but there is nothing to discuss. I am going to do this. I have to.

The DOCTOR thinks he knows what she is about to do, but he's not certain. He looks at her.

DOCTOR
Do what?

DESARIELLA (VA)
Save Lucas.

(CONTINUED)

DOCTOR
Like you saved Gisborne.

DESARIELLA (VA)
Yes.

Momentary pause.

DESARIELLA (VA) (cont'd)
And before you tell me I can't,
remember that saving Guy proved to
be the right thing to do. He saved
Jason of Corinth. He...

DOCTOR
Yes. He did.

DESARIELLA (VA)
And saving Lucas will be the same.
There is a reason we arrived when
we did. I am saving him, and there
is nothing you can do to stop me.

DOCTOR
Okay.

DESARIELLA is surprised.

DESARIELLA (VA)
Okay? That's it? You're not going
to...

DOCTOR
Nope.

DESARIELLA gives him a look. That was too easy. Is he up to
something? The DOCTOR goes back to what he was doing.
DESARIELLA turns and goes back upstairs.

JUMP TO:

4 hours later (or is it 12 hrs before?)

98

CITY STREET BELOW THE ENVER TOWER

98

CAMERA is pointing up towards the roof. A figure, LUCAS, is
seen falling. The TARDIS materializes silently and
invisible. The invisible doors open, LUCAS falls into the
invisible box, and then the TARDIS dematerializes just as
silently as she arrived.

CONTINUE TO:

LUCAS lands in the pool with a splash.

DESARIELLA is waiting with a towel. She watches as he falls and lands in the pool.

LUCAS comes to the surface and exits the pool.

DESARIELLA watches him. She is amazed. He not only looks like Guy, he moves like him, he carries himself like him, he could very well be him.

LUCAS has a look of confusion on his face. He spots her and goes to her. His years of training take over. Everything that was going on a few moments ago is gone. The spy, the agent, in him is back. Taking over.

LUCAS

Where am I? What...

DESARIELLA offers him the towel.

DESARIELLA (VA)

All will be explained.

LUCAS takes the towel and looks around. Still curious as to where he is.

DESARIELLA (VA) (cont'd)

First, you need to get out of those wet clothes.

LUCAS looks at DESARIELLA. She somehow seems familiar.

LUCAS

Not till you tell me where I am and how I got here.

DESARIELLA (VA)

Fine.

(beat)

You are on the TARDIS. I...

LUCAS raises an eyebrow in surprise and disbelief.

LUCAS

The TARDIS?

DESARIELLA (VA)

Yes.

LUCAS looks around, then back at DESARIELLA.

(CONTINUED)

DESARIELLA can sense that LUCAS knows what the TARDIS is.
But how?

LUCAS

Really?

DESARIELLA (VA)

Yes.

(beat)

Your tone indicates that you know
what...

LUCAS

I do.

DESARIELLA (VA)

How?

LUCAS

I knew someone who, worked for UNIT
before he joined MI-5.

DESARIELLA (VA)

I see.

LUCAS

He used to tell me stories of The
Doctor.

DESARIELLA (VA)

(curious)

Who was this friend?

LUCAS

Harry Sullivan.

DESARIELLA raises an eyebrow. Harry Sullivan? Really? She'd
never met Harry but she knew who he was.

DESARIELLA (VA)

You know Harry Sullivan?

LUCAS

I did. He was at MI-5 when I joined
up.

She wonders if the Doctor knew that Harry had left UNIT for
MI-5?

DESARIELLA (VA)

Really. Harry left UNIT for MI-5?

(CONTINUED)

LUCAS

Yes.

DESARIELLA (VA)

Is he still there?

LUCAS

No. He left MI-5 for NATO and at the moment no-one knows where he is. He hasn't been seen in years.

Momentary pause. LUCAS looks at her.

LUCAS (cont'd)

Why am I here?

DESARIELLA (VA)

Do you believe in second chances?

LUCAS

Why?

DESARIELLA (VA)

I can give you one.

LUCAS

Who exactly are you? Where is the Doc...

DESARIELLA (VA)

My name is Desariella. I...

JACK enters the room. They don't notice him.

LUCAS is staring at DESARIELLA.

LUCAS

How are you doing that?

DESARIELLA (VA)

Doing what?

LUCAS

Talking without moving your lips. I...

DESARIELLA smiles more to herself than to LUCAS.

DESARIELLA (VA)

He said the same thing.

(CONTINUED)

LUCAS

Who did?

DESARIELLA looks at LUCAS. She wonders if she should say anything. LUCAS notices the pendant.

LUCAS (cont'd)

The pendant. It has something to do with the pendant.

DESARIELLA is surprised that he guessed that. LUCAS is looking at the pendant.

DESARIELLA (VA)

Yes.

LUCAS

It lights up every time you *talk*.

DESARIELLA (VA)

Yes.

LUCAS looks at DESARIELLA.

LUCAS

You're not from Earth, are you?

DESARIELLA (VA)

No.

LUCAS is about to say something, when JACK speaks up.

JACK

For a man who just tried to kill himself you seem...

LUCAS turns. He recognizes JACK.

LUCAS

Well, if it isn't Captain Jack Harkness.

(beat)

Fine mess you guys made last September during the...

JACK

That wasn't our fault. If we hadn't have been kept in the dark til it was too late, we...

LUCAS

I agree. Forbisher should have brought Torchwood in from the start.

(CONTINUED)

(beat)
But it was you that provoked the
456 into releasing the gas in
Thames House. A lot of good people
died that day. Some of them were my
friends.

JACK
I lost people too. I...

JACK stops, thinking about his grandson Steven, and Ianto.
DESARIELLA can sense what JACK is feeling, and thinking.

DESARIELLA (VA)
Guys!

JACK and LUCAS exchange a look. Momentary silence.

JACK
How did Section D get so lucky
anyway? Thames House was in
lock-down.

LUCAS
We were...
(beat)
...off-site.

JACK
(raise eyebrow)
Off site? The whole section?

LUCAS
There was a rumour that The Grid
had been comprised. We were all
told to work off site and not...

JACK
Compromised? The security measures
on your Grid are top notch. Not
just anyone would be...

LUCAS
Look, can one of you please tell me
why I am here?

LUCAS looks at DESARIELLA. He can't shake the feeling he's
seen her somewhere before. He knows he hasn't, but he also
feels that he has.

LUCAS (cont'd)
You said something about second
chances.

DESARIELLA (VA)

Yes. I did.

(beat)

I also said you need to change out
of those wet clothes first.

(beat)

Come with me.

DESARIELLA turns to leave. LUCAS follows. JACK watches them
leave.

JACK

I guess I'll just go tell the
Doctor that our guest is...

DESARIELLA addresses JACK without turning around.

DESARIELLA (VA)

You do that.

JACK turns and heads for the exit on the other side of the
room.

JUMP TO:

30 minutes later

100

DESARIELLA'S ROOM - LIVING ROOM

100

DESARIELLA is sitting on the couch.

LUCAS walks out of the bedroom. He is wearing clothes that
belonged to Guy.

DESARIELLA stares at him as he walks over. He looks so much
like Guy.

LUCAS talks to DESARIELLA as he walks over to her.

LUCAS

How do I look?

DESARIELLA (VA)

Fine.

LUCAS

So, who was the leather guy?

DESARIELLA gets a look on her face.

LUCAS realizes he might have just said something he
shouldn't have. He sits on the couch.

(CONTINUED)

LUCAS (cont'd)
Sorry. I...

DESARIELLA (VA)
No. It's okay. He was...

LUCAS
Was?

DESARIELLA (VA)
He died three years ago.

LUCAS
I'm sorry. I...

DESARIELLA looks at him.

DESARIELLA (VA)
You remind me so much of him.

Momentary silence.

LUCAS senses there is more to this. But now is not the time to get into that. He decides to get back to the main issue.

LUCAS
So. Second chances. What did you mean?

DESARIELLA (VA)
Well, the way I see it, you actually have a few choices.

LUCAS
(confused)
Choices?

DESARIELLA (VA)
Yes.
(beat)
#1. We can go back in time to the day Vaughan returned. Convince the you that is there to confess all to Harry. Tell him everything. Only one drawback.

LUCAS
Which is?

DESARIELLA (VA)
The you that is here right now will cease to exist.

(CONTINUED)

LUCAS

Why?

DESARIELLA (VA)

By telling Harry, we will have changed the course of events. You wouldn't have had any reason to...

LUCAS

Right.

(beat)

What's option 2?

DESARIELLA (VA)

#2. We go back and take out Vaughan before he contacts you. That way he never runs into you and things don't get so messed up.

LUCAS

Wouldn't that still mean that I'd cease to exist?

DESARIELLA (VA)

Yes.

LUCAS

Next option.

DESARIELLA (VA)

#3. We take you back to the second we picked you up, and you jump out of the TARDIS. Completing what you started.

LUCAS

Is that it? Are they my only options?

DESARIELLA (VA)

No. There is a #4.

LUCAS

Which is?

DESARIELLA (VA)

Stay. Come with us.

LUCAS

(surprise)

With you?

(CONTINUED)

DESARIELLA (VA)

If you were really trying to kill yourself, you obviously felt that there was nothing left for you at MI-5.

Momentary silence. LUCAS is thinking. DESARIELLA is trying to read him.

DESARIELLA (VA) (cont'd)

You already know what we do. You've heard of the Doctor. You...

LUCAS

Yes. I've heard of him.

DESARIELLA (VA)

You don't need to give me an answer right away. You have time to think.

Momentary silence.

LUCAS

I don't need time to think. I want to come with you.

DESARIELLA is surprised. That was fast. No thinking at all.

DESARIELLA (VA)

Really?

LUCAS

There's nothing left for me here. I have no-one. I just wish I could disappear.

(beat)

Running away in the TARDIS seems like a perfect option. I...

LUCAS pauses. DESARIELLA senses the sadness in him.

DESARIELLA (VA)

So, what do I call you? John or Lucas?

LUCAS

Good question.

LUCAS thinks.

LUCAS (cont'd)

John is the name I was born with. But I am not him anymore. I don't want to be him ever again.

(CONTINUED)

(beat)
Lucas is who I have been for the last 15 years. And he is who I want to be.

DESARIELLA (VA)
Then Lucas it shall be.

LUCAS
I just wish I could forget all that has happened in the last few weeks. I...

DESARIELLA (VA)
I can help you with that.

LUCAS
How?

DESARIELLA (VA)
I can lock away everything that has happened to you since Vaughan came back.

LUCAS
Really?

DESARIELLA (VA)
Yes.

LUCAS
How?

DESARIELLA (VA)
All I need to do, is probe your mind, find the moment Vaughan returned, and then open a box and place all the memories from that moment til your fall, in the box. Then seal the box.

LUCAS
Sounds both easy and hard at the same time.

DESARIELLA (VA)
It's easy. I've done it a few times before.

LUCAS
So what do I...

DESARIELLA slides closer to him and looks at him.

(CONTINUED)

DESARIELLA (VA)
First, I need you to trust me.

LUCAS
(skeptical)
Oh kay.

DESARIELLA (VA)
Say it like you mean it.

LUCAS
I trust you.

DESARIELLA (VA)
(smile)
Next. Relax.

LUCAS starts to relax. DESARIELLA places her hands on the sides of his face in the "meld" positions.

LUCAS
What are you....

DESARIELLA (VA)
Relax. Deep breath.

LUCAS takes a deep breath.

DESARIELLA (VA) (cont'd)
Close your eyes.

LUCAS closes his eyes. She closes hers. She enters his mind. She goes back to the moment before he fell.

DESARIELLA (VA) (cont'd)
Okay. Everything from this moment back to the moment you met Vaughan will be locked away.

DESARIELLA starts going back through LUCAS' memories.

DESARIELLA (VA) (cont'd)
They can be unlocked whenever you wish.

LUCAS
I don't think I'll ever want to remember the last few weeks.

DESARIELLA (VA)
Are you ready?

DESARIELLA has reached the point when LUCAS runs into Vaughan.

LUCAS

Yes.

DESARIELLA (VA)

Okay. I will lock them away.

DESARIELLA takes a deep breath, then leans in and kisses LUCAS.

DESARIELLA (VA) (cont'd)

Lock Vaughan.

She kisses him for longer than she had planned to. She's never locked away such a large amount of time before.

(Note: Since Vaughan appears in the last scene of the first episode of Series 9, this Lucas will not remember any of the events of Series 9 except for episode 1.)

She drops her hands and is about to break the kiss when LUCAS starts to kiss her back.

After a few moments they break the kiss. LUCAS stares at her. The feeling that he somehow knows her is getting stronger. DESARIELLA senses something.

DESARIELLA (VA) (cont'd)

Are you okay?

LUCAS

Fine. I...

LUCAS stops talking. He is still staring at her. She wonders if he is okay.

DESARIELLA (VA)

Lucas, what is the last thing you remember before being in the pool?

LUCAS

(curious)

Why?

DESARIELLA (VA)

Just answer the question.

LUCAS

Okay.

LUCAS thinks.

(CONTINUED)

LUCAS (cont'd)
Strange.

DESARIELLA (VA)
What is it?

LUCAS
I remember being in the Grid. Ruth
was looking for Beth.

FADE TO FLASHBACK:

101 THE GRID (SERIES 9, EPISODE 1, 2ND LAST SCENE) 101

LUCAS is at his desk typing.

RUTH
Has Beth gone?

LUCAS
Yeah, she just left. You should
catch her if you hurry.

LUCAS shakes his head in disbelief. He knows why RUTH wants
her.

LUCAS (cont'd)
I take it you're telling her the
good news.

RUTH
You're not pleased?

LUCAS
I'm not sure about her.
(beat)
In fact...

LUCAS picks up a file from his desk.

LUCAS
...I plan on doing a bit of
background research, starting
tonight.
(beat)
Actually, there is one thing. She
doesn't have anywhere to stay in
London. You've got a spare room,
right?

RUTH
Oh, Lucas, I...

(CONTINUED)

LUCAS

Won't be forever. I want her kept close.

RUTH

But I...

LUCAS

Thanks, Ruth.

LUCAS leaves. RUTH watches him go.

RETURN TO THE PRESENT:

102 DESARIELLA'S ROOM - LIVING ROOM

102

DESARIELLA is a little confused and concerned. That should not be the last thing he remembers.

DESARIELLA (VA)

That's the last thing you...

LUCAS

No. I...

(beat)

I went home. And the next day...

(beat)

...instead of going straight to the Grid like I should have, I found myself heading to the Enver Tower. I can't explain why I was going there. It was like I was being drawn there. I entered the building and went to the roof. When I reached the roof I went to the edge and looked down.

DESARIELLA (VA)

And?

LUCAS

Then I heard it. A voice in my head. A soft, loving voice. A voice that I hadn't heard in a while.

DESARIELLA raises an eyebrow.

DESARIELLA (VA)

What did it say?

LUCAS

It said everything would be okay. All I had to do was step off and

(MORE)

LUCAS (cont'd)
everything would be okay. So I did.
And on the way down, I heard the
same voice say "Welcome to your new
life. Hope you can swim." Then
splash.

DESARIELLA (VA)
Splash?

LUCAS
Yeah. In the pool. I opened my
eyes, came to the surface and saw
you.

DESARIELLA smiles at him. LUCAS realizes something.

LUCAS (cont'd)
The voice I was hearing in my head,
was you.

DESARIELLA (VA)
(surprise)
Me?

LUCAS
Yes.

LUCAS stares at her.

DESARIELLA (VA)
What?

LUCAS
Come to think of it, your voice has
been with me for a long time.

DESARIELLA (VA)
Really?

LUCAS
Yes. Always there. Even in my
darkest hour. 8 years in a Russian
prison. 8 years of hell. 8 years
of... The one thing that helped me
make it through was you.

DESARIELLA (VA)
You didn't even know me then.
How...

LUCAS points to his head.

(CONTINUED)

LUCAS

You were in here. Telling me everything would be okay. At first it was just a voice in my head. Then, as time went on, it became more than a voice.

LUCAS looks at her.

LUCAS (cont'd)

Why did you kiss me?

DESARIELLA looks at him, not sure how to answer. While she is thinking of how to respond, LUCAS kisses her. DESARIELLA kisses back. After a few moments LUCAS breaks the kiss and looks at her.

LUCAS (cont'd)

Aresia.

DESARIELLA (VA)

(raise eyebrow)

What?

LUCAS

Your planet. You grew up on Aresia, but you were born on Valdoria.

DESARIELLA (VA)

How did you...

LUCAS

This is going to sound weird, but ever since I came aboard, I've had this feeling that we've met before. A feeling like I know you. And I mean know you as more than just a voice in my head.

DESARIELLA (VA)

Lucas, what are you...

LUCAS

The Doctor. You met him as an infant.

DESARIELLA (VA)

Yes.

LUCAS

How did I know that? How did I know where you were from? How...

(CONTINUED)

DESARIELLA looks at him. She knows he could have just simply picked up some of her thoughts during the meld, or maybe Sullivan mentioned her, after all he was on the TARDIS with Sarah Jane the day the Doctor found her, or... or he could be remembering a past life as...

LUCAS (cont'd)
Gisborne.

DESARIELLA (VA)
What did you say?

LUCAS
You were thinking of Gisborne.

DESARIELLA (VA)
How'd you...

LUCAS
Who's Gisborne?

DESARIELLA (VA)
Long story.

Momentary pause.

LUCAS
One kiss and I feel like we...

DESARIELLA (VA)
Lucas, I...

Momentary pause.

LUCAS
What?

DESARIELLA (VA)
I could tell you everything you need to know or...

LUCAS
...or you could show me.

DESARIELLA (VA)
Yes.

LUCAS
Show me.

DESARIELLA places her hands on LUCAS' face in the "meld" positions. They both close their eyes. DESARIELLA displays an image of Nottingham castle.

(CONTINUED)

LUCAS (cont'd)
That's Nottingham Castle.

DESARIELLA (VA)
Yes.

LUCAS
How did I know that? I've never...

DESARIELLA moves the image to the stables. She focuses on a black stallion.

LUCAS (cont'd)
(smile)
Midnight.

DESARIELLA (VA)
Yes.

DESARIELLA focuses on a white mare.

LUCAS
(smile)
Snowstorm.

DESARIELLA (VA)
Yes.

LUCAS
I know those horses. How do I know those horses?

DESARIELLA
Lucas...

LUCAS
The castle. Everything around it. I know it. It's like I was there. I...

LUCAS opens his eyes, breaking the meld. DESARIELLA opens her eyes and looks at him.

LUCAS (cont'd)
Wait. Was I? Was I really there?

Momentary silence. LUCAS looks at DESARIELLA.

LUCAS (cont'd)
D, please. I...

DESARIELLA (VA)
(surprise/shock)
What did you just call me?

LUCAS
I...

DESARIELLA (VA)
Why did you called me "D"?

LUCAS
I don't know. It just seemed right.
(beat)
I'm sorry if...

DESARIELLA (VA)
No. It's okay.

Momentary pause.

DESARIELLA (VA) (cont'd)
To answer your question. Yes you
were there. And no you weren't.

LUCAS
Explain.

DESARIELLA (VA)
One of your ancestors worked at the
castle.
(beat)
If you are actually remembering
things, then maybe you are more
than just his descendant. Maybe
you...

LUCAS
...were him. That's what you were
going to say wasn't it?

DESARIELLA (VA)
It is possible.

LUCAS
I don't think so. There must be...

DESARIELLA (VA)
You not only recognized his
favourite horses, you knew their
names.

(CONTINUED)

LUCAS

Lucky guess.

DESARIELLA (VA)

Midnight, maybe. But Snowstorm? Not the first choice for white horse.

(beat)

I'd like to show you a few more images.

LUCAS looks at her with raised eyebrows.

DESARIELLA (VA) (cont'd)

Don't you want to know?

LUCAS thinks, then gives in.

LUCAS

Okay.

DESARIELLA places her hands on LUCAS' face in the "meld" positions. She shows him an image of Locksley Manor.

LUCAS (cont'd)

(pride)

Locksley Manor.

DESARIELLA flashes an image of Knighton Hall.

LUCAS (cont'd)

(sorrowful)

Knighton Hall.

DESARIELLA flashes an image of Sherwood Forest.

LUCAS (cont'd)

(happy)

Sherwood Forest.

DESARIELLA flashes an image of Sheriff Vasey.

LUCAS (cont'd)

(hateful)

Vasey.

DESARIELLA is about to change the image when LUCAS breaks the meld.

LUCAS (cont'd)

Wait.

DESARIELLA drops her hands and opens her eyes.

(CONTINUED)

DESARIELLA (VA)
What is it?

LUCAS
That man. Vasey. He's...

Momentary pause.

DESARIELLA (VA)
Lucas?

LUCAS seems to be putting everything together.

LUCAS
No way.

DESARIELLA (VA)
What?

LUCAS
Vasey. He's the Sheriff.

DESARIELLA (VA)
Yes.

LUCAS
The Sheriff. Of Nottingham.

DESARIELLA (VA)
Yes.

LUCAS
You're telling me that I used to
work for the Sheriff of Nottingham.

DESARIELLA (VA)
Yes.

LUCAS
You showed me Locksley Manor and
Sherwood Forest.

DESARIELLA (VA)
Yes.

LUCAS
They are all connected to Robin
Hood. I knew Robin Hood.

DESARIELLA (VA)
Yes.

LUCAS looks at DESARIELLA.

LUCAS
Who was I?

DESARIELLA isn't sure he is ready.

LUCAS (cont'd)
D, who was I?

Momentary pause.

DESARIELLA (VA)
Sir Guy of Gisborne.

LUCAS
Gisborne? Wasn't he...

LUCAS notices the sword hanging on the wall.

LUCAS (cont'd)
That's his sword.

DESARIELLA (VA)
Yes.

LUCAS
How did his sword get here?

DESARIELLA (VA)
Long story.

LUCAS
I'm not going anywhere.

DESARIELLA looks at him.

CONSOLE ROOM

103

The DOCTOR and JACK are standing around the console. JACK looks at his watch.

JACK
They sure are talking a long time.

The DOCTOR looks at JACK.

JACK (cont'd)
How long does it take to change clothes?

JACK thinks of something, and looks at the DOCTOR.

(CONTINUED)

JACK (cont'd)
You don't think they're...

DOCTOR
Jack.

JACK
I wouldn't blame her if they were.
I mean he looks exactly like him.
And he's...

DOCTOR
Jack.

JACK
Guy's only been gone for a month
and...

The DOCTOR corrects JACK.

DOCTOR
36 months.

JACK remembers the DOCTOR saying something about 3 years earlier. He meant to question him about it but got sidetracked with other stuff.

JACK
You've been gone for three years?

DOCTOR
Time is relative. You know that.

JACK
I know. Not fair though.
(beat)
You used to do it all the time with
D.
(beat)
Visit her once a year.
(beat)
No matter how much time had passed
on the TARDIS, it was always one
year on Aresia.
(beat)
Now you're doing it to me.
(beat)
You go away for 3 years, TARDIS
time. While for me, only a month
goes by.

Momentary pause. JACK looks up the stairs.

(CONTINUED)

JACK (cont'd)
If she asks him to stay, will you
be okay with that?

DOCTOR
Of course.

JACK looks at the DOCTOR.

DOCTOR (cont'd)
Why wouldn't I be?

JACK
Hey, it's me Doc. I know you. And I
know that D means a lot to you.
More than you'll ever admit.
(beat)
I used to think you saw her as a
daughter, and cared for her like a
father.
(beat)
But I'm beginning to think that
maybe there is more.

DOCTOR
There can never be more between us.

JACK gives the DOCTOR a look. He can tell the Doctor doesn't
want to, or won't, expand on the "CAN NEVER", so he just
sits and goes back to waiting.

CUT TO:

1 hour later

104 DESARIELLA'S ROOM - LIVING ROOM

104

DESARIELLA and LUCAS are sitting on the couch.

LUCAS
5 years? You were trapped in the
distortion for 5 years?

DESARIELLA (VA)
5 1/2. Yes.

LUCAS
How much time passed...

DESARIELLA (VA)
The Doctor said *a few hours*, but
his concept of a few and my concept
of few are not the same.

(CONTINUED)

(beat)

For me, and probably you as well, a few hours would mean 3, 4, maybe 5 at the most.

(beat)

For him, it could mean 7, 8, maybe even 10.

LUCAS

I guess when you have all of time at your fingertips the concept of "A few" would be different.

DESARIELLA (VA)

Exactly.

Momentary pause.

LUCAS

So you and Gisborne were married.

DESARIELLA (VA)

(smile)

Yes.

She looks up at GISBORNE's sword, and the display case that holds their rings.

LUCAS

Were you happy?

DESARIELLA (VA)

Yes.

(beat)

Life with Guy at the castle was... interesting.

LUCAS

Interesting?

DESARIELLA (VA)

I've seen a lot traveling with the Doctor. And before I started traveling with him, I'd seen everything he had seen, everything he'd ever done, everywhere he'd ever been. I...

LUCAS

The Doctor means a lot to you as well. Doesn't he?

(CONTINUED)

DESARIELLA (VA)

Yes.

DESARIELLA looks at the rings that the Doctor gave her.
Momentary pause. LUCAS breaks the silence.

LUCAS

Did you ever figure out what caused
the time distortion?

DESARIELLA (VA)

Not really. But I have a guess.

LUCAS

Oh?

DESARIELLA (VA)

I think the TARDIS deliberately
created it. She knew that the
Doctor would quarantine the room
and that...

LUCAS

The TARDIS? Why would it...

DESARIELLA (VA)

She.

LUCAS

Sorry. She. Why would she do that?

DESARIELLA (VA)

Ever since I was a baby, I've had
this *connection* to her. I can't
explain it, and neither can the
Doctor.

LUCAS

What sort of connection?

DESARIELLA (VA)

We seem to know when the other is
in danger.

LUCAS

You think she *locked* you in to
protect you from something?

DESARIELLA (VA)

Not in the way you think.

Momentary pause.

(CONTINUED)

DESARIELLA (VA) (cont'd)
 I think she knew that my time with
 Guy would be limited. I think she
 wanted to give me a chance for a
 life with him before...

DESARIELLA goes silent. LUCAS senses something.

LUCAS
 What happened?

DESARIELLA (VA)
 Three years after we got of the
 distortion, he...

DESARIELLA's eyes start to tear up. LUCAS places a hand on
 her leg and looks at her.

LUCAS
 If you don't want to talk about it,
 I understand.
 (beat)
 You could always show me.

DESARIELLA looks at him and smiles.

CUT TO:

CONSOLE ROOM

105

JACK is pacing, staring at his watch every few seconds. The
 DOCTOR looks at him.

DOCTOR
 Jack. Stop pacing.

JACK
 How can you be so calm? You have no
 idea what...

DOCTOR
 D will be fine. She is fine.
 (beat x2)
 Now, if you don't sit down, I'm
 going to throw you out.

JACK
 No you won't.

(CONTINUED)

DOCTOR
You sure about that?

JACK gives him a look. He knows *his* Doctor would never do it. But this Doctor? He still hadn't quite figured him out.

JACK
Fine.

JACK sits.

JACK (cont'd)
You never answered my question.

DOCTOR
What question?

JACK
If Lucas decides to stay...

JACK doesn't finish the sentence. He just leaves it hanging, waiting for the DOCTOR to answer.

DOCTOR
If Lucas stays, we will be fine.

JACK
You sure?
(beat)
I know you and Gisborne never...

DOCTOR looks at JACK.

DOCTOR
What? How do you...

JACK
D is my friend too, you know.

DOCTOR
She told you?

JACK
Not all the details of course. But enough to know that you really didn't like him that much.

DOCTOR
She loved him. He made her happy. Why would I...

JACK
So you're saying that you *liked*
Gisborne then?

The DOCTOR turns away from JACK and looks at the console.
JACK smirks.

JACK (cont'd)
Thought not.

JACK looks at his watch, then glances to the top of the
stairs.

CUT TO:

1 hour later

106

DESARIELLA'S ROOM - LIVING ROOM

106

DESARIELLA is crying. LUCAS is comforting her. She has her
head against his shoulder and he is holding her. She is
trying to compose herself.

LUCAS
It's okay.

DESARIELLA (VA)
Sorry I broke down like that. I...

LUCAS
Don't be.

DESARIELLA looks at him. He looks at her. Their eyes lock
for a moment then she backs away. She wipes her eyes.

DESARIELLA (VA)
So, where was I?

Before LUCAS can say anything she remembers.

DESARIELLA (VA) (cont'd)
Right. Archer.
(beat)
I went to see Archer and he agreed
to go to the tunnel to get Guy's
body and bury it along side Robin.

LUCAS
Why bring him back to 1194? Why
not...

(CONTINUED)

DESARIELLA (VA)
 He belonged there. I always knew
 that one day I would have to return
 his body to Nottingham. I just
 figured that we would have more
 time...

Her eyes tear up. She lowers her head and tries not to start crying again. LUCAS looks at her. He places a hand under her chin and raises her head. He smiles and looks at her.

LUCAS
 D, it's okay.

DESARIELLA looks at him. He wipes a tear from her eye. He looks at her. He leans in and kisses her. She returns the kiss. After a few moments they break the kiss.

LUCAS (cont'd)
 Sorry. I shouldn't have...

DESARIELLA kisses him. She wraps her arms around his neck. He kisses her back. He lays her down on the couch.

CUT TO:

2 hours later

107

CONSOLE ROOM

107

The DOCTOR is at the main console trying to look busy.

JACK is sitting, tossing a ball up in the air and catching it. He tosses it a few times then stops.

JACK
 How long do we have to sit and
 wait?

The DOCTOR doesn't answer.

JACK (cont'd)
 Doctor?

The DOCTOR still doesn't answer.

JACK (cont'd)
 Doc?

The DOCTOR looks at him.

(CONTINUED)

JACK (cont'd)
How much longer...

The DOCTOR is about to say something when DESARIELLA and LUCAS come down the stairs.

The DOCTOR and JACK look at them.

JACK notices that LUCAS is wearing one of GISBORNE's outfits. JACK looks at DESARIELLA.

JACK (T)
D, are you...

DESARIELLA gives JACK an "I'm fine" look, then addresses the DOCTOR and JACK.

DESARIELLA (VA)
Lucas has decided to stay.

JACK stares at LUCAS.

JACK
You have no idea what you're in for.

LUCAS
In a way I do.

JACK looks at him wondering what he means by that.

LUCAS (cont'd)
I have a few *friends* that work for UNIT. I know all about...

LUCAS looks at the DOCTOR.

LUCAS (cont'd)
...you.

DOCTOR
I doubt that.

LUCAS
I've seen your file, Doctor.

Everyone looks at LUCAS.

DOCTOR
How? UNIT files are...

LUCAS
MI-5, remember?

DOCTOR
Your MI-5 clearance wouldn't
even...

LUCAS
You'd be surprised what my
clearance can get.

The DOCTOR walks off. They all watch him go.

LUCAS looks at DESARIELLA.

LUCAS (cont'd)
Something I said?

JACK looks at LUCAS.

JACK
Seriously, how did you get his
file?

LUCAS
Every spy has his secrets, *Captain*.

JACK gives him a look. DESARIELLA knows that Sullivan gave
LUCAS the file years ago. She looks at JACK.

DESARIELLA (VA)
If I remember correctly you got
hold of his file a few years ago,
didn't you?

JACK
That was different. UNIT and
Torchwood had an understanding.

LUCAS
What makes you think UNIT and MI-5
don't have the same *understanding*?

JACK
I doubt it.

DESARIELLA decides to change the subject.

DESARIELLA (VA)
So, you hanging around for a while,
Jack?

JACK
Good question. I don't know.

DESARIELLA (VA)
Don't know? It's a simple question.

JACK
Not really.

DESARIELLA (VA)
Yes it is. Stay or go.

JACK gives her a look.

JACK
D, I...

LUCAS notices that JACK just called her D, and wonders if there is or was anything between them.

DESARIELLA senses something in JACK.

DESARIELLA (VA)
Well, I haven't sensed that in a while.

JACK gives her a look wondering what she means.

JACK
What?

DESARIELLA (VA)
You're jealous.

JACK
Jealous?

DESARIELLA (VA)
Yes.

LUCAS is curious.

JACK
Me jealous?

DESARIELLA (VA)
That's what I'm sensing.

Momentary pause. DESARIELLA starts to walk over to JACK.

JACK (T)
Okay. Maybe a little.

JACK looks at DESARIELLA. He talks to her telepathically as she walks over. LUCAS can not hear JACK.

JACK (T) (cont'd)
D, I know what Guy meant to you.
And I don't want to see you hurt.

DESARIELLA reaches JACK. She presses a button on her privacy shield, activating it. She sets it so that only JACK can hear her.

LUCAS notices her touch the device, but doesn't know what it is.

DESARIELLA (T)
Jack, I...

LUCAS notices the pendant is pulsating, indicating that DESARIELLA is talking but he can not hear her. He wonders if the device on her arm has something to do with why he can not hear her.

JACK (T)
Lucas is not Guy. He may look like him. Sound like him. But he is not...

DESARIELLA (T)
I'm not sure about that.

JACK gives her a look.

LUCAS has the feeling that they are talking to each other telepathically.

DESARIELLA (T) (cont'd)
Lucas knows things about Guy that...

JACK (T)
Are you saying he *is* Guy?

DESARIELLA (T)
Not sure. But it is possible.

JACK (T)
Just... Be careful.

DESARIELLA (T)
(smile)
Always.

Momentary pause. DESARIELLA presses a button on her privacy shield. The shield drops. When she next speaks, LUCAS will be able to hear her.

DESARIELLA (VA)

Jack, with Torchwood gone, you could always stay. I'm sure the Doctor wouldn't mind having you...

JACK

No. I think I should go. My place is here. On Earth.

LUCAS raises an eyebrow when JACK says Earth. There is something in the way JACK says EARTH that gives LUCAS a strange feeling. JACK continues his line without a stop.

JACK (cont'd)

Not on the TARDIS. Those days are over.

LUCAS is still curious. Was JACK saying he traveled in the TARDIS before?

JACK (cont'd)

If you ever need me, I'm just a phone call away.

DESARIELLA says line as JACK hugs her.

DESARIELLA (VA)

Of course.

They break the hug.

JACK

Say goodbye to the Doctor for me.

DESARIELLA (VA)

Will do.

JACK heads for the door. DESARIELLA heads back to LUCAS. JACK exits.

LUCAS

You and Jack. Anything I should...

DESARIELLA (VA)

Ancient history.

LUCAS

Really?

DESARIELLA (VA)
Yeah.

LUCAS
Good.

DESARIELLA (VA)
Why?

LUCAS smiles and kisses her.

The DOCTOR walks back into the room and sees them kissing.

DOCTOR
Where's Jack?

DESARIELLA and LUCAS break the kiss.

DESARIELLA (VA)
He left.

DOCTOR
Of course he did. Never sticks
around.

DESARIELLA (VA)
You could always ask him to come
with us.

DOCTOR
If he doesn't want to be here, I'm
not going to...

DESARIELLA (VA)
Maybe he just wants you to ask.

The DOCTOR reaches the console. He looks at LUCAS.

DOCTOR
So Lucas. First trip. Where would
you like to go?

DESARIELLA looks at LUCAS. LUCAS looks from DESARIELLA to
the DOCTOR.

DOCTOR (cont'd)
Why is it no-one ever seems to have
an answer to that question when I
ask?

LUCAS
It's a lot to think of. I mean the
TARDIS can go anywhere. Any point
(MORE)

(CONTINUED)

LUCAS (cont'd)
 in history. The past and the
 future. She can travel across the
 universe, go to other planets. I
 think I need time to think.

The DOCTOR smiles when LUCAS refers to the TARDIS as "she".
 LUCAS thinks for a bit then looks at the DOCTOR

LUCAS (cont'd)
 I think I will leave my first stop
 up to you. Show me something that
 will amaze me.

DOCTOR
 (smile)
 I think I'm going to like you.

LUCAS smiles. DESARIELLA goes to LUCAS.

The DOCTOR looks at the console and searches for a
 destination.

DESARIELLA (VA)
 While Doc searches for the perfect
 place, why don't I show you around
 some more? After all the TARDIS is
 pretty big. Easy to get lost.

DESARIELLA gives LUCAS a look.

The DOCTOR wonders if she means what she is saying or if she
 is saying something else entirely.

LUCAS
 I'd like that.

DESARIELLA takes LUCAS' hand in hers and leads him up the
 stairs.

JUMP TO:

3 hours later

108

DESARIELLA'S ROOM - LIVING ROOM

108

DESARIELLA and LUCAS are sitting on the sofa.

LUCAS
 You and Jack Harkness have known
 each other for a while?

(CONTINUED)

DESARIELLA (VA)

Yes.

LUCAS

How did you meet?

DESARIELLA (VA)

There was a time when Jack traveled with the Doctor.

LUCAS

Really?

DESARIELLA (VA)

Yes.

(beat)

But he wasn't with him for long.

LUCAS

What happened?

DESARIELLA looks at LUCAS.

DESARIELLA (VA)

You want to know the story of Jack Harkness?

LUCAS

Yes.

DESARIELLA (VA)

You sure?

LUCAS

Yes.

DESARIELLA (VA)

Then let me show you.

DESARIELLA and LUCAS position themselves in the mind-meld positions. She shows him how Jack met the Doctor. (see "DW: The Empty Child" and "DW: The Doctor Dances"). LUCAS breaks the meld.

LUCAS

Wait. Jack is from the future?

DESARIELLA (VA)

Yes. The 51st Century.

LUCAS

And he's a Time Agent?

(CONTINUED)

DESARIELLA (VA)
He was. He quit.

LUCAS
Is Jack Harkness even his real
name?

DESARIELLA (VA)
No.

LUCAS
What is his real name?

DESARIELLA (VA)
He's never told me.
(beat)
He's been Jack Harkness for so long
I doubt he even remembers it
himself.

LUCAS
(thoughtful)
One never forgets their real name.
Trust me.

Momentary pause. LUCAS thinks of something else.

LUCAS (cont'd)
Where is he from?

DESARIELLA (VA)
A place called The Boeshane
Peninsula.

LUCAS
Never heard of it.

DESARIELLA (VA)
No reason you should have. It's...

LUCAS
Right.
(beat)
So that is how the Doctor and Jack
hooked up. But how did you meet
Jack?

DESARIELLA and LUCAS reposition themselves in the mind-meld
positions. She shows him her first three meetings with Jack
(see "The Aresian Saga").

LUCAS (cont'd)
I can't believe the Doctor actually
thought Jack was spying. Couldn't
he see that...

DESARIELLA (VA)
It was for the best. The Doctor
knew that.
(beat)
Jack and I were never to be.

LUCAS
Maybe, but the Doctor shouldn't
have...

DESARIELLA (VA)
That was nothing compared to what
happened next.

DESARIELLA and LUCAS reposition themselves in the mind-meld
positions. She shows him the events of "DW: Boom Town", "DW:
Bad Wolf" and "DW: The Parting of the Ways". LUCAS breaks
the meld.

LUCAS
Jack is immortal.

DESARIELLA (VA)
Yes.

LUCAS
And the Doctor just left him on
Satellite 5?

DESARIELLA (VA)
Yes.

LUCAS
How did he...

DESARIELLA (VA)
...manage to leave the year
200,001?

LUCAS
Yeah.

DESARIELLA and LUCAS reposition themselves in the mind-meld
positions. She shows him Jack's arrival in 1869 and his
escapades with the early Torchwood. LUCAS breaks the meld.

LUCAS (cont'd)

So Jack was with Torchwood for a long time.

DESARIELLA (VA)

A very long time. Yes.

DESARIELLA and LUCAS reposition themselves in the mind-meld positions. She shows him the events up to the end of Torchwood Series One. LUCAS breaks the meld.

LUCAS

Jack heard the TARDIS and went to hook up with the Doctor again.

DESARIELLA (VA)

Yes.

(beat)

He needed answers and he'd waited a long time for the time to be right.

LUCAS hears something in her "voice".

LUCAS

Why do I get the feeling things didn't work out?

DESARIELLA and LUCAS reposition themselves in the mind-meld positions. She shows him the events of "DW: Utopia", "DW: The Sound of Drums", and "DW: The Last of the Time Lords". LUCAS breaks the meld.

LUCAS (cont'd)

Are you saying they just *erased* an entire year? Rewrote time?

DESARIELLA (VA)

They didn't really rewrite it. They put it back the way it was supposed to be. Time returned to the point where the Paradox was activated. Only the people on the Valiant remember what they refer to as "The Year that Never Was".

LUCAS

And that's when Jack left the Doctor and returned to Torchwood.

DESARIELLA (VA)

Yes.

DESARIELLA and LUCAS reposition themselves in the mind-meld positions. She shows him the events of Torchwood Series Two, "DW: Stolen Earth", "DW: Journey's End", and Jack's visit to her in scenes 412-418 of "The Aresian Saga". LUCAS breaks the meld.

LUCAS

Just how many Jack Harkness' are there?

DESARIELLA (VA)

What do you mean?

LUCAS

Well there's the real Jack Harkness that died in WW II. Then there's...

(beat)

1. The Time Agent that met the Doctor in 1941, was left on Satellite 5 in the year 200,001 and was then stranded in 1869, and joined Torchwood.

(beat)

2. The Jack Harkness that was sent back to 27 AD, buried until he was dug up by Torchwood in 1901, frozen under Torchwood 3 til 2008, then awoke to continue where he left off before going back to 27 AD.

(beat)

Not to mention the Jack Harkness that, due to a time rift, managed to go back to 1941 and meet the real Jack Harkness. Which would now mean that there were 3 Jack's in 1941 London.

DESARIELLA gives him a look. He continues.

LUCAS (cont'd)

How did he manage to *not* run into himself?

DESARIELLA doesn't answer.

LUCAS (cont'd)

When Jack was with the Doctor, they visited Cardiff many times. While they were there, there were 2 other Jack's there. One working for Torchwood, and one frozen under the Hub.

(CONTINUED)

DESARIELLA (VA)

Yes.

LUCAS

Wouldn't that get confusing trying to keep all the dates in play so that the past Jack doesn't run into the future Jack?

DESARIELLA (VA)

He's never had any problem.

LUCAS

Sounds like a real headache.

DESARIELLA (VA)

It can be.

Momentary pause.

LUCAS

So what happened next?

DESARIELLA (VA)

The next part you already know part of as you were...

LUCAS

The 456.

DESARIELLA (VA)

Yes. The 456.

DESARIELLA and LUCAS reposition themselves in the mind-meld positions. She shows him the events of "Torchwood: Children of Earth". LUCAS breaks the meld.

LUCAS

I never knew he had to sacrifice his own grandson.

DESARIELLA (VA)

Yeah.

LUCAS

Next time I see him, I think I owe him an apology.

Momentary pause. Both are quiet for a few moments. Thinking. LUCAS looks up and sees GISBORNE's sword. He gets that eerie feeling again.

JUMP TO:

CORRIDOR

109

LUCAS is walking around the TARDIS. He is trying to get to the main console room, but he appears to be lost. He comes to a spot where the corridor branches off to the left and to the right. He looks to the right corridor.

LUCAS

Was it that way?

He looks to the left.

LUCAS (cont'd)

Or that way?

(beat)

Why do all these corridors look the same. Why...

He pauses and looks back down the right corridor. Something is telling him to go that way.

LUCAS (cont'd)

This way.

He starts to walk down the right corridor.

LUCAS (cont'd)

I think.

He walks for a few moments, then he stops. He turns and looks at the door on the left side of the corridor. There is something oddly familiar about that door. He walks to the door and opens it.

HOLOROOM

110

It's the holeroom. A program is running. LUCAS looks into the room and recognizes what it is.

LUCAS

Sherwood Forest.

(beat)

This must be the holeroom. I...

He pauses and steps into the room.

CONTINUE TO:

111 INSIDE THE HOLOROOM

111

Sherwood Forest

The door closes behind him. LUCAS turns back around, and notices the door is gone. He is alone. In the forest.

LUCAS

I wonder how I get out of here?

LUCAS looks around and heads down the path.

JUMP TO:

1 hour later

112 MAIN CONSOLE ROOM

112

The DOCTOR is at the controls. DESARIELLA comes down the stairs and heads straight for a console. She starts entering commands. The DOCTOR looks at her.

DOCTOR

What are you doing?

DESARIELLA (VA)

Nothing.

She keeps on typing. The DOCTOR goes over to her. He looks over her shoulder and can see a map.

DOCTOR

What are you looking for?

DESARIELLA finds the information she needs and starts to leave.

DOCTOR (cont'd)

Where are you...

DESARIELLA keeps going. She heads back up the stairs. The DOCTOR looks back at the monitor and sees the one blinking red light. He also realizes where the light is.

DOCTOR (cont'd)

The Holoroom?

(beat)

I thought I'd sealed that! How did...

The DOCTOR looks back at DESARIELLA who is now at the top of the stairs and heading for the Holoroom.

JUMP TO:

15 minutes later

113 HOLOROOM

Outlaw Camp

LUCAS approaches the camp. He is being drawn to the camp. He heads straight for the hidden entrance and locates the hidden lever that opens the door. He pulls the lever and opens the door. He immediately knows where he is.

LUCAS
Robin's camp. I...

He enters the camp.

LUCAS (cont'd)
How did I know where it was? How could...

A voice sounds from behind him.

DESARIELLA (VA)
Lucas?

LUCAS turns and sees DESARIELLA.

LUCAS
This is Robin Hood's camp.

DESARIELLA (VA)
Yes.
(beat)
How did you get in here?

LUCAS
I found the lever on the...

DESARIELLA (VA)
Not the camp. I meant the room.
(beat)
How did you get into the...

LUCAS
I just went to the door and opened it.

DESARIELLA (VA)
How? The Doctor sealed it years ago. No one could...

(CONTINUED)

LUCAS starts to feel strange. He sits. He goes real quiet.
DESARIELLA goes to him. She sits beside him.

DESARIELLA (VA) (cont'd)
What is it?

LUCAS
I remember.

DESARIELLA gives him a look. She wonders what exactly he is remembering.

LUCAS (cont'd)
I remember all of it.
(beat)
Being here. With Robin. And...

LUCAS looks at her.

LUCAS (cont'd)
You. I remember.

DESARIELLA (VA)
What are you saying?

LUCAS raises a hand to the side of her face and kisses her.
Really kisses her. Like Guy used to. LUCAS sends her a
thought while kissing her.

LUCAS-GISBORNE (T)
D, I said I would find you again.
I've found you, my love. I've
finally found you.

After a few moments DESARIELLA breaks the kiss. She looks at
him.

DESARIELLA (VA)
Guy? Is it really you?

LUCAS-GISBORNE
Yes, my love. I am here.

DESARIELLA (VA)
What about Lucas? Where...

LUCAS-GISBORNE
He's here too.

DESARIELLA (VA)
How long have you...

LUCAS-GISBORNE
I've been here since day one.
Guiding him on the path he needed
to take to get here.

DESARIELLA (VA)
You made him go to Dakar.

LUCAS-GISBORNE
Yes.

DESARIELLA (VA)
You let him hook up with Vaughan
knowing what would...

LUCAS-GISBORNE
I had no way of knowing what would
happen.

DESARIELLA (VA)
Vaughan made his life hell.

LUCAS-GISBORNE
I also had him befriend Lucas.

DESARIELLA (VA)
Did you know that Vaughan would
kill Lucas so that...

LUCAS-GISBORNE gives DESARIELLA a look. Is that what she
thought happened?

DESARIELLA can tell he is thinking of something and tries to
get a read on him but can't. She's not sure if it is because
he is sharing the body with LUCAS, or if it is because he
had learned how to hide things from her when he wanted to.

LUCAS-GISBORNE
Where did you hear...

DESARIELLA (VA)
Harry told me.

LUCAS-GISBORNE
Pearce? You talked to... Of course
you did.

(beat x2)
The real Lucas had to die so that
John could become Lucas.

DESARIELLA (VA)
Why?

(CONTINUED)

LUCAS-GISBORNE

By being Lucas, he could join MI-5 and be in a position to cross paths with the only person who would be able to get me back to you.

Momentary pause. DESARIELLA thinks.

DESARIELLA (VA)

I don't know anyone at MI-5.

LUCAS-GISBORNE

But MI-5 does have dealings with Torchwood. And...

DESARIELLA (VA)

(understandingly)

Jack.

LUCAS-GISBORNE

Yes.

DESARIELLA (VA)

How did you know Jack and Lucas would...

LUCAS-GISBORNE

The 456.

(beat)

You told me that Torchwood and MI-5 worked on the 456.

Momentary pause.

DESARIELLA (VA)

I guess when Vaughan showed up, and started to turn Lucas' life upside down you...

LUCAS-GISBORNE

Yeah. Things started to fall apart there.

(beat)

So, I made sure Jack spotted Lucas. I knew he'd call you. I just hoped you would arrive before it was too late.

DESARIELLA (VA)

The first time we didn't.

(CONTINUED)

LUCAS-GISBORNE

First time?

DESARIELLA (VA)

When Jack and I showed up at the Grid, we were informed that Lucas had just died.

LUCAS-GISBORNE remembers the same thing happening to him. DESARIELLA saved him after he had sorta died.

LUCAS-GISBORNE

Like it was with me.

DESARIELLA smiles.

DESARIELLA (VA)

I used the TARDIS to go back and *catch* him as he fell.

(beat)

As far as anyone on Earth is concerned, Lucas is dead. We left a body in his place.

LUCAS-GISBORNE thinks.

LUCAS-GISBORNE

Strange. I remember everything that happened. But... But Lucas seems to be missing...

DESARIELLA (VA)

That would be the memory block. He asked me to help him forget those last few weeks.

LUCAS-GISBORNE

I see. Probably for the best. Vaughan really did do a number on him. There were times I thought for sure he was going to end it.

Momentary pause.

DESARIELLA (VA)

That's when you sought out Jack.

LUCAS-GISBORNE

Yes. I knew that if I was to be more than just a voice in Lucas' head, if I wanted to fully awaken, I would need one thing.

(CONTINUED)

DESARIELLA (VA)
Which was?

LUCAS looks around.

LUCAS-GISBORNE
This. The TARDIS.

DESARIELLA (VA)
The TARDIS?

LUCAS-GISBORNE
Yes. And once I got aboard, I felt
it. I was waking up. Coming alive
again. He felt it too. We...

DESARIELLA takes his hand in hers and looks at him.

DESARIELLA (VA)
I've missed you, Guy.

LUCAS-GISBORNE
And I you. I've waited a long time
to be back.

DESARIELLA (VA)
Yes. It's only been 3 years for me,
but for you, it's...

LUCAS-GISBORNE kisses her.

CUT TO:

13 months later

114 DESARIELLA'S ROOM - LIVING ROOM

114

LUCAS is sitting on the couch. He is looking through one of
DESARIELLA's sketch books. He hears the door open, and looks
up as DESARIELLA enters.

DESARIELLA (VA)
Urgh! He can be so frustrating.

DESARIELLA heads over to LUCAS.

LUCAS
I take it he's still locked up in
the workshop?

DESARIELLA (VA)
Yes.

DESARIELLA sits on the couch.

(CONTINUED)

LUCAS
He's been in there for days. Any
idea what he is up to?

DESARIELLA (VA)
None.

LUCAS gives her a look.

LUCAS
Really? Can't you...

DESARIELLA (VA)
Not this time. He's blocking me.

LUCAS
(raise eyebrow)
He can do that?

DESARIELLA (VA)
Yes.

LUCAS closes the book. LUCAS thinks of something.

LUCAS
So, since the Doctor is busy with
whatever he is doing, I guess that
means we can do whatever we want.

DESARIELLA (VA)
I guess.

DESARIELLA looks at him.

DESARIELLA (VA) (cont'd)
What do you have in mind?

LUCAS smiles and kisses her. She kisses him back. The moment
is interrupted when her phone rings. The ring tone indicates
it's JACK. DESARIELLA breaks the kiss.

DESARIELLA (VA) (cont'd)
Hold that thought.

DESARIELLA walks over to the counter that the phone is on.
LUCAS watches her.

DESARIELLA answers the phone.

CONTINUE TO SPLIT SCREEN:

115 SPLIT SCREEN: DESARIELLA (RIGHT) / JACK (LEFT) 115

DESARIELLA (VA)
Jack. Long time. What...

JACK
(urgent)
Where are you?

DESARIELLA (VA)
Why?

JACK
How soon can you get here?

DESARIELLA can sense the urgency in JACK's tone.

DESARIELLA (VA)
What's wrong? What's happened?

JACK
I need to see you. Now.

DESARIELLA (VA)
Send me the time/space co-ordinates
and we'll be right there.

DESARIELLA hangs up.

CONTINUE TO SINGLE SCREEN:

116 DESARIELLA'S ROOM - LIVING ROOM 116

DESARIELLA looks at LUCAS.

DESARIELLA (VA)
Whatever you were planning may have
to wait.

LUCAS
Why? What did Jack say?

DESARIELLA (VA)
Not much. But whatever it is, it
sounds urgent.

DESARIELLA's phone beeps. She looks at it. It's the text
from Jack with the time/space co-ordinates. She looks up at
LUCAS.

DESARIELLA (VA) (cont'd)
Come on.

DESARIELLA heads for the door. LUCAS follows.

(CONTINUED)

JUMP TO:

15 minutes later

117 JACK'S PLACE - LIVING ROOM

117

JACK, DESARIELLA and LUCAS are sitting in the living room. The TARDIS is also in the room.

There is a calendar in the room that shows that it is sometime in October 2010.

DESARIELLA and LUCAS are sitting on the couch. JACK is sitting in an armchair.

LUCAS

Jack, I... I'm sorry. D told me everything that you... I never knew. I...

JACK

It's okay Lucas. There was no way you...

LUCAS

I hope we can start over. Friends?

LUCAS offers JACK his hand. JACK takes it.

JACK

So, how do you like life on the TARDIS?

LUCAS looks at DESARIELLA.

LUCAS

I like it a lot. More than I thought I...

DESARIELLA gives LUCAS a look.

JACK

What's the strangest thing that's happened to you so far?

LUCAS

I discovered I wasn't alone.

JACK gives him a "what" look.

LUCAS (cont'd)

All my life I've heard this voice in my head, guiding me. I always

(MORE)

(CONTINUED)

LUCAS (cont'd)
thought it was just my imagination.
But it wasn't. It was him.

JACK
Him?

LUCAS
Gisborne.

JACK gives DESARIELLA a "seriously" look, then looks back to LUCAS.

JACK
Are you saying...

LUCAS-GISBORNE
Yes Jack. Still here. Nice to see
you again.

JACK
(shock/surprise)
Guy?

LUCAS-GISBORNE
Yes.

JACK
Wow.

LUCAS-GISBORNE
Thanks by the way.

JACK
For what?

LUCAS-GISBORNE
Doing what I knew you would when I
made sure you saw Lucas that day.

JACK
You arranged that?

LUCAS-GISBORNE
Yes.

JACK
And you knew I'd call D?

LUCAS-GISBORNE
You are so predicable, Jack.

(CONTINUED)

JACK

What's it like? Sharing a body the way you are? I take it you are both in there.

LUCAS

Yes we are. At first it was weird. But now, I'm fine with it. All these years I just thought I had voices in my head. But...

JACK notices he said voices. Plural.

JACK

Voices?

LUCAS

Yes. D was there as well. A calming, soothing voice. A voice that saw me through some tough times.

JACK

So how's it work?

LUCAS gives JACK a look.

JACK (cont'd)

I mean you are both in there. Who's in control?

LUCAS

It varies. Whoever needs to be.

Momentary silence. DESARIELLA takes this moment to find out why they are really here.

DESARIELLA (VA)

Okay. Enough of the small talk. What is the big emergency?

JACK

It concerns Lucas.

LUCAS

Me? What...

JACK

I just learned that MI-5 is about to disavow you.

(CONTINUED)

DESARIELLA (VA)

What?

JACK

They are planning on erasing...

DESARIELLA (VA)

They can't do that.

LUCAS lowers his head.

DESARIELLA (VA) (cont'd)

After all he's done for them?
They...

JACK

Yes they can. They are claiming
that since the Lucas they knew
wasn't even really Lucas that...

DESARIELLA (VA)

No. I won't let this happen.

LUCAS speaks quietly.

LUCAS

D, there's nothing you can do. It's
the way it works.

DESARIELLA looks at LUCAS.

DESARIELLA (VA)

No. They owe you. You spent 15
years working for them. 8 of those
years were... No. There must be
something we can...

JACK

We could go to Harry.

LUCAS looks at JACK.

JACK (cont'd)

If we can convince Harry, then
Harry can convince the powers that
be.

DESARIELLA (VA)

Well then. What are we waiting for?
Let's go.

JACK
Ah... Wait a minute.

DESARIELLA (VA)
What?

JACK looks at LUCAS. DESARIELLA looks at LUCAS.

LUCAS
What? Why are you looking at me
like that?

JACK
D and I have to this alone. You
understand.

LUCAS gives them a look.

DESARIELLA (VA)
He means, you have to stay here.

LUCAS
Why?

JACK
Well, for starters, you're dead.
You can't be seen with us, or by
anyone. If you step foot outside of
here any number of CCTV's could
spot you. And once they spotted you
The Grid would be notified.

LUCAS
Right.

DESARIELLA thinks of something.

DESARIELLA (VA)
We could always pull a Clark Kent.

LUCAS and JACK look at her.

JACK
A what?

DESARIELLA (VA)
Disguise him. "Geek" him up.

JACK looks at LUCAS.

JACK
It might work.

LUCAS

No. I... I'll just stay here. I have something I need to work on anyway.

DESARIELLA gives LUCAS a look, wondering what he is up to.

JACK

You sure?

LUCAS

Yeah.

JACK

Okay.

JACK looks to DESARIELLA. He pulls an ID wallet out of his pocket.

JACK (cont'd)

You're going to need this.

JACK tosses her the wallet. She catches it. She opens it. Psychic paper.

DESARIELLA (VA)

Nice.

DESARIELLA looks at LUCAS. She kisses him.

DESARIELLA (VA) (cont'd)

Don't worry. I'll make them understand.

LUCAS

You don't have to. It doesn't matter. My life here is over. I...

DESARIELLA (VA)

It does matter.

She kisses him again. Then she and JACK leave.

CUT TO:

118

THE GRID

118

JACK and DESARIELLA are in HARRY's office. HARRY is sitting behind his desk. JACK and DESARIELLA are sitting in front of it.

RUTH, BETH and DIMITRI are at the desks watching them. TARIQ comes over.

(CONTINUED)

TARIQ
They still in there?

DIMITRI
Yes.

TARIQ
They've been in there for over 2
hours. I wonder what they are
talking about?

DIMITRI
Bet it has to do with Lucas.

RUTH, BETH, and TARIQ look at him.

DIMITRI (cont'd)
Don't look at me like that. You're
all thinking it.

Momentary pause.

DIMITRI (cont'd)
I still think there is more going
on then we are being told. The day
Lucas died, they...

DIMITRI points to JACK and DESARIELLA.

DIMITRI (cont'd)
...show up looking for him. When
they learn he is dead. They leave.
Never say why they were here in the
first place. And now, now they are
back. There is more to this. I know
it. I can feel it.

All eyes turn back to watching HARRY'S Office.

PAN TO:

119 HARRY'S OFFICE

119

DESARIELLA (VA)
Harry, you've known Lucas almost
since the day he got here.

HARRY
Yes.

DESARIELLA (VA)
He was a good agent.

(CONTINUED)

HARRY
One of the best.

DESARIELLA (VA)
He doesn't deserve to be...

HARRY
He lied to us. He betrayed us.
He...

DESARIELLA (VA)
Not really.

HARRY looks at her. JACK is watching DESARIELLA defend LUCAS. He wonders if she may be getting in too deep.

DESARIELLA (VA) (cont'd)
The day he joined MI-5 he became Lucas North. He has been Lucas North every day since then.
(beat)
Lucas North never betrayed you. Lucas North never did anything wrong.
(beat)
Lucas North spent 8 years in a Russian prison. He suffered unknowing horrors in there.
(beat)
Don't erase all the good he did as Lucas North.
(beat)
John Bateman may not have been a saint, but John Bateman is dead. He died the day Lucas joined MI-5.

HARRY
Look, there's nothing...

DESARIELLA (VA)
Bring the team in.

JACK looks at her. HARRY looks at her.

HARRY
What?

DESARIELLA (VA)
Let's ask them.
(beat)
If they agree that Lucas is a traitor and should be treated as such, then we shall leave. Case closed.

(CONTINUED)

(beat)
 But if they agree with me, then you
 have to do what you can to help
 save his name.

HARRY thinks.

PAN TO:

120 THE GRID

120

RUTH and TARIQ, and BETH and DIMITRI, are still hovering around at the desks outside of HARRY's office. RUTH is about to say something, when HARRY rises from his chair. So do JACK and DESARIELLA.

DIMITRI
 They're coming out.

Everyone tries to look busy. HARRY's door opens. HARRY looks at them.

HARRY
 Briefing room.

HARRY heads to the briefing room. JACK and DESARIELLA follow him. RUTH and TARIQ follow them. BETH and DIMITRI follow them. DIMITRI leans in and whispers to BETH.

DIMITRI
 This should be good.

BETH
 Shh.

All head to briefing room.

JUMP TO:

121 THE BRIEFING ROOM

121

Everyone sits at the table. BETH and DIMITRI on one side. RUTH and TARIQ on the other. HARRY takes his usual place at the head of the table. JACK sits on one side of HARRY, and DESARIELLA sits on the other. Everyone waits for HARRY to start.

HARRY
 This discussion will be off the
 record. You are free to say
 whatever you wish. You will not be
 judged.

Everyone is curious.

(CONTINUED)

HARRY (cont'd)
Captain Jack Harkness and his
partner Desariella are here today
on behalf of Lucas' memory.

DESARIELLA can hear what they are all thinking.

DIMITRI (T)
I knew this had to do with Lucas.

BETH (T)
Dimitri was right. I wonder what
they are really after.

TARIQ (T)
Why would UNIT care about the
reputation of an MI-5 agent? Is
there still more we don't know?

RUTH (T)
Lucas. I'm so sorry. I...

DESARIELLA wonders what RUTH is sorry about.

HARRY
They feel that the powers that be
are making a mistake by wiping
their hands of him and pretending
he never existed. They think it is
unfair. I want to know what you all
think.

HARRY looks at the team. He wonders who will speak first.
DESARIELLA knows they are all thinking about what LUCAS
meant to them.

DESARIELLA (VA)
The four of you were his friends,
his colleagues. You are the only
hope he has.

Momentary silence. BETH speaks up. She looks at HARRY.

BETH
I didn't know Lucas that long, but
the Lucas I knew, I liked. He would
do anything you asked. He loved his
job. He was a good agent. Hell, he
was a great agent.

(beat)
He convinced you to give me that
second chance when you were about
to fire me because of my past.

(MORE)

(CONTINUED)

BETH (cont'd)

You'd only known me a few days and yet you agreed with him. I'm still here. You've known him a lot longer.

(beat)

Desariella is right. Lucas doesn't deserve to be treated this way.

(beat)

Sure, John Bateman did some terrible things, but Lucas was not John. He stopped being John a long time ago. If you can forgive me. You can forgive Lucas.

(beat)

I say we treat him like he deserves. Erase the last few weeks before he died and...

DIMITRI

I agree with Beth.

(beat)

Whatever Lucas may have done as John Bateman, the 8 years he spent in that Russian prison was punishment enough.

(beat)

Lucas was one of the best agents I knew. He should be remembered as the hero he was, and not as the man he used to be.

TARIQ

We shouldn't let his past, and the last few weeks of his life erase all the good he did.

(beat)

Lucas saved a lot of lives. He put his own life on the line more times than I can count. He doesn't deserve to be cast away.

Silence. HARRY looks at RUTH.

HARRY

Ruth? Do you have anything you'd like to say?

Everyone looks at RUTH. RUTH thinks.

RUTH

I... I've known Lucas for longer than some of you. And...

(CONTINUED)

(beat)

I agree. He was a great agent. A real...

(beat)

Those last few weeks before he died I.. I knew something was wrong. I knew he was in trouble. I...

(beat)

I should have said something sooner. I could have...

HARRY

Ruth, he could have come to...

RUTH

I know that everything he did he...

(beat)

He wasn't Lucas then. Vaughan had him backed into a corner. He... He tried to get out. But...

(beat)

I should have been able to help him. I...

HARRY

Ruth. I...

RUTH

They're right Harry. You know that.

(beat)

Lucas isn't here to defend himself so we have to. He needs us.

Everyone is quiet. After a moment HARRY breaks the silence.

HARRY

Thanks for your candor. Dismissed.

RUTH, TARIQ, BETH and DIMITRI rise from the table and exit the room. HARRY looks to JACK and DESARIELLA.

HARRY (cont'd)

Okay. I'll see what I can do.

DESARIELLA (VA)

Thanks.

HARRY

I have one question.

JACK

Which is?

(CONTINUED)

HARRY

Why do you care so much?

JACK doesn't answer. DESARIELLA gives JACK a look.

HARRY (cont'd)

You're not going to tell me are you?

JACK

You really don't want to know.

JACK rises from the table. So does DESARIELLA. JACK and DESARIELLA head for the door. HARRY watches them leave, then places his head in his hands.

JUMP TO:

122 THE GRID

122

RUTH and TARIQ are at their desks. BETH and DIMITRI are standing near the pods. JACK and DESARIELLA reach the room and head for the pods.

DIMITRI

I just wanted to say thank-you.

JACK

For what?

DIMITRI

Sticking up for Lucas.

DESARIELLA (VA)

Not a problem.

DIMITRI

I know that there is more to this than just defending his name. I also know I may never find out what that is. So I just wanted to let you know that I appreciate all you are doing for him.

DIMITRI walks off. JACK watches him go. BETH looks to DESARIELLA.

BETH

Desariella, can I see you for a moment?

(CONTINUED)

DESARIELLA
(curious)
Sure.

BETH leads her off to the side. JACK goes over to DIMITRI.

CONTINUE TO:

123 FOCUS ON: DESARIELLA AND BETH 123

DESARIELLA can tell that BETH is concerned about something.

BETH
With Lucas gone, I kinda feel like
an outsider here. I get the feeling
my days here are numbered.

DESARIELLA isn't sure what BETH is getting at.

BETH (cont'd)
I was just wondering if you knew if
maybe UNIT was hiring?

DESARIELLA wonders how to get out this.

DESARIELLA (VA)
I'm sorry. I'm probably not the
best person to talk to as I will be
leaving town soon.

BETH
That's okay. I was just...

DESARIELLA thinks of something. She looks over at JACK who
is talking with DIMITRI.

DESARIELLA (VA)
If you ever leave here. Why don't
you give Jack a call. Harry has his
number.

BETH
Thanks.

DESARIELLA goes back to the pods and she and JACK leave.
BETH goes over to DIMITRI.

BETH (cont'd)
Any luck?

DIMITRI
No. I think he was flirting me
though.

(CONTINUED)

(beat)

You?

BETH

Not really. I did learn that Harry has Jack's number. So maybe Harry and Jack know each other more than they were letting on.

DIMITRI

You think that maybe Harry and Lucas were connected to Torchwood in the old days?

BETH

Maybe.

DIMITRI

Maybe we should do some digging into the Canary Wharf affair. When Torchwood London fell, it left a lot of collateral damage. We might find something.

BETH

Should we ask Tariq to help?

DIMITRI and BETH look over at TARIQ.

JUMP TO:

124

JACK'S PLACE

124

JACK and DESARIELLA enter. LUCAS is not in the room but the TARDIS door is open.

JACK

That went well.

DESARIELLA (VA)

Yes it did.

DESARIELLA smiles more to herself than to JACK. JACK can sense something in her. He sensed it back at the Grid as well. JACK finally figures out what it is.

(Note: neither of them notice LUCAS standing, well more like leaning, in the TARDIS doorway.)

JACK

Oh my god. You love him don't you?

DESARIELLA pretends not to know what he is talking about.

(CONTINUED)

DESARIELLA (VA)
Who?

JACK
Lucas.

DESARIELLA gives JACK a look. She knows she can't hide anything from JACK. She confesses.

DESARIELLA (VA)
Yes. I love him.

LUCAS speaks from the TARDIS door.

LUCAS (VO)
You do?

DESARIELLA turns.

LUCAS
Really? You love me? Not just
Gisborne?

DESARIELLA (VA)
I love you both. Is that wrong?

LUCAS goes to her.

LUCAS
No. Not really. We are both the
same person aren't we?

DESARIELLA smiles. LUCAS raises a hand to the side of her face and draws her to him. He kisses her. She kisses him back. The kiss is interrupted when the DOCTOR speaks from the TARDIS door. He speaks as he exits.

DOCTOR
Oh, Jack's place again.

JACK
Nice to see you too.

DESARIELLA and LUCAS look at the DOCTOR.

DESARIELLA (VA)
So, you're out of the workshop.

The DOCTOR smiles.

DOCTOR
Yes.

LUCAS

What were you doing in there for so long?

The DOCTOR looks at DESARIELLA.

DOCTOR

There's someone who would like to say hello.

Everyone is curious. The DOCTOR looks to the TARDIS door and whistles. K-9 comes out. DESARIELLA smiles a big smile and runs to K-9.

DESARIELLA (VA)

K-9!

K-9

Hello, mistress.

LUCAS

A robot dog? You...

DESARIELLA looks at LUCAS.

DESARIELLA (VA)

K-9 is more than just a robot dog. He... He's a friend.

DESARIELLA looks back to K-9, and hugs him.

DESARIELLA (VA) (cont'd)

Aren't you, K-9?

K-9

Yes, mistress.

JACK

This is what, the 4th, version of K-9?

DOCTOR

5th.

LUCAS

5th?

DESARIELLA (VA)

The first K-9 stayed with Leela on Gallifrey, the second stayed with Romana in E-Space, the third was a gift to Sarah Jane and when he was destroyed the Doctor replaced him with the fourth. And now...

(CONTINUED)

DESARIELLA looks back at K-9.

DESARIELLA (VA) (cont'd)
Now he's back. I've missed you K-9.

DESARIELLA hugs him.

K-9
And I you, mistress.

The DOCTOR looks at DESARIELLA and K-9, then looks to JACK and LUCAS.

DOCTOR
So, what did I miss?

Everyone shares a look.

DESARIELLA (VA)
We'll fill you in later.

DOCTOR gives her a look. He gets the feeling she never will.

DESARIELLA goes to JACK.

DESARIELLA (VA) (cont'd)
You sure you don't want to come
with us for a while?

JACK
I'm needed here.

DESARIELLA gives him a hug.

DESARIELLA (VA)
In that case, take care.

JACK
You too.

DESARIELLA goes the TARDIS. K-9 follows her in. LUCAS looks to JACK.

LUCAS
Thanks.

JACK
Don't mention it.

LUCAS turns to go back to the TARDIS. JACK calls him.

JACK (cont'd)
Oh, Lucas?

LUCAS turns to JACK.

LUCAS
Yeah?

JACK
Take care of her.

LUCAS
(smile)
I will.

LUCAS turns and heads to the TARDIS. The DOCTOR looks at JACK.

DOCTOR
You know you are always welcome
Jack. If you...

JACK
(smile)
Thanks. But, you really have your
hands full at the moment, and... I
can do more good here. Someone
needs to look after this planet
when you're not here.

The DOCTOR smiles, then turns and enters the TARDIS. JACK
stares at the TARDIS as it dematerializes.

LUCAS and K-9 are alone in the living room. LUCAS is staring at Gisborne's sword and the rings in the display case underneath it.

LUCAS

K-9?

K-9

Yes master Lucas?

LUCAS

You've known D a long time, right?

K-9

Affirmative, Master Lucas.

LUCAS

LUCAS

It could happen to anyone. Those stairs are...

DESARIELLA (VA)

Lucas, K-9 knows every inch of the TARDIS. He...

LUCAS

You'd think the Doctor would have put in some ramps for him by now.

DESARIELLA (VA)

K-9 doesn't need a ramp. He can hover.

LUCAS

Really? I've never...

DESARIELLA (VA)

Just because you've never seen him do it, doesn't mean he can't.

LUCAS looks at her.

LUCAS

So I guess the Doctor's locked himself in the workshop again.

DESARIELLA (VA)

(curiously)

Yes.

LUCAS

Any idea how long it will take to repair K-9?

DESARIELLA gives LUCAS a look. She is beginning to wonder if K-9 really fell. She tries to read LUCAS. She can tell he is up to something. But he appears to be blocking her. LUCAS can tell she is curious. He can't help but think to himself.

LUCAS (T)
She is so beautiful. I love her so much. I...

He pauses, then blurts out his line without thinking.

LUCAS
Marry me.

DESARIELLA is shocked and surprised.

DESARIELLA (VA)
What?

He gets up from the table and goes to her. He gets down on one knee in front of her. He takes her hand and looks at her.

LUCAS
I love you. Even before I knew you, I loved you. You...

DESARIELLA (VA)
Lucas, I...

LUCAS
I know you love Guy. But I know you love me too. We are the same person.

DESARIELLA (VA)
I know. And I do love you. Both of you.

LUCAS
So marry us?

DESARIELLA (VA)

DESARIELLA looks at him. He reaches into his pocket and pulls out a ring.

LUCAS
Yeah. Us. Me and him. What do you say?

She looks at the ring.

DESARIELLA
This is crazy.

LUCAS
I know. But...

DESARIELLA (VA)
Yes.

LUCAS
Yes?

DESARIELLA (VA)
Yes. I'll marry you. Both of you.

LUCAS smiles and puts the ring on her finger. He stands up. She rises. He kisses her. She kisses back.

The kiss is interrupted when DESARIELLA's phone rings. The ring tone indicates it's JACK. DESARIELLA breaks the kiss.

DESARIELLA (VA) (cont'd)

BETH
You think the whole thing was...

DIMITRI
Only one way to find out.

DIMITRI is about to open the car door and exit. BETH stops

BETH

DIMITRI
I'm getting to the bottom of this.
Now. You coming?

BETH thinks. She let's go of DIMITRI's arm and nods a yes.
They exit the car.

JACK
So who are you marrying? Lucas or
Guy?

DESARIELLA (VA)

Both.

JACK

Both? I...

Knock on door.

LUCAS

You expecting someone?

JACK thinks it's MARTHA.

JACK

Not really. But I think I know who it is. Stay here.

JACK goes to door and opens it. Not Martha. DIMITRI says his line as he and BETH charge into the room.

DIMITRI

Mind if we come in.

LUCAS recognizes the voice. He turns to get into the TARDIS but doesn't make it to the door.

BETH and DIMITRI reach them. They still can't believe LUCAS is standing right in front of them.

They are so preoccupied with LUCAS that neither notice that JACK is opening a safe behind them.

DIMITRI (cont'd)

Lucas. Is it really you?

LUCAS knows there is no escape. JACK takes something out of the safe and closes it.

LUCAS

Yes.

BETH

So what happ...

BETH stops talking as she notices the TARDIS. She stares at it. She says line as she turns and looks at JACK. JACK puts his hand behind his back as she looks at him. She points at the TARDIS.

DIMITRI remembers the noise they heard in the car earlier. He looks back at the TARDIS, and slowly starts to back away from it. BETH notices the look in DIMITRI's eyes. JACK gives DESARIELLA a look.

JACK (T)
Sneak up on Beth. Vulcan neck
pinch.

DESARIELLA nods that she understands. JACK positions himself behind DIMITRI.

BETH
What is it?

DIMITRI
I think I...

BETH
What?

DIMITRI looks at JACK. JACK stops moving. So does DESARIELLA.

DIMITRI
That's the TARDIS! Isn't it?

BETH
The what?

DIMITRI
I've heard stories of it. Never
thought I'd actually see it.

BETH
(confused)
What are you...

DIMITRI turns back to LUCAS. JACK gives DESARIELLA a "let's try again" look.

DIMITRI
You didn't die that day. You left
with the Doctor. In the TARDIS.
Didn't you?

(CONTINUED)

BETH

The Doctor? What are you...

LUCAS knows DESARIELLA and JACK are up to something but he's not sure what. He decides to distract DIMITRI and BETH. LUCAS addresses DIMITRI.

LUCAS

Yes.

DIMITRI

Was Harry in on it? Did he know?
Was the entire thing fake? Was...

DIMITRI's line is cut short as JACK comes up behind him, places a hypospray on his neck, and injects something. DIMITRI slumps in JACK's arms.

BETH is about to say something when DESARIELLA comes up behind her and applies the Vulcan Neck pinch knocking her out. DESARIELLA catches BETH as she falls.

JACK and DESARIELLA exchange a look. LUCAS wonders what DIMITRI was about to say.

LUCAS

What did he mean?

DESARIELLA and JACK exchange a look.

LUCAS (cont'd)

What did Dimitri mean? Was what
fake?

DESARIELLA

You don't want to know.

LUCAS

Yes I do.

DESARIELLA (VA)

You really don't, Lucas.

LUCAS

What is it you are hiding from me?
What are you not telling me?

JACK gives DESARIELLA a look.

JACK (T)

Maybe you should tell him.

LUCAS can tell something is going on.

(CONTINUED)

LUCAS

I know there is something. I keep getting the feeling that something happened and I just can't remember it. I...

DESARIELLA (VA)

Lucas. Don't.

LUCAS gives her a look.

DESARIELLA (VA) (cont'd)

You're right. There is something. But the reason you can't remember is because you asked me to help you forget it. You didn't want to remember it. You said you wanted the memories of those last few weeks gone for good.

LUCAS

Weeks?

DESARIELLA (VA)

Yes.

LUCAS

I've forgotten weeks?

DESARIELLA (VA)

Yes.

LUCAS sits. DESARIELLA goes to him. She places a hand on his leg.

DESARIELLA (VA) (cont'd)

If you want, I can unlock those memories for you.

LUCAS

Do it.

DESARIELLA (VA)

LUCAS-GISBORNE
You wanted to speak to me?

DESARIELLA (VA)
I need your help.

LUCAS-GISBORNE
Anything.

DESARIELLA (VA)
Lucas wants his memories back.

LUCAS-GISBORNE
I know.

DESARIELLA (VA)
I need you to promise me you will
help him deal with them if he
decides to keep them.

LUCAS-GISBORNE
You're going to give him the option
to lose them again?

DESARIELLA (VA)
Yes.

LUCAS-GISBORNE
Then don't you think you should get
rid of these two?

JACK
Right.

JACK takes DIMITRI into the other room.

DESARIELLA (VA)
So you'll do it?

LUCAS-GISBORNE

Yes.

DESARIELLA (VA)

Thank-you.

LUCAS-GISBORNE looks at her, then down at her finger.

LUCAS-GISBORNE

Congratulations.

DESARIELLA (VA)

What?

LUCAS-GISBORNE

You and Lucas.

DESARIELLA (VA)

Maybe not after I unlock the...

LUCAS-GISBORNE

JACK returns and brings BETH's body to the other room.

DESARIELLA (VA)

Things may change after he...

LUCAS-GISBORNE

Trust me. His feelings for you are real and will not...

DESARIELLA (VA)

She kisses him. They break the kiss.

LUCAS-GISBORNE

You want Lucas back.

DESARIELLA (VA)

LUCAS-GISBORNE flashes her a smile. Pause as LUCAS returns.

DESARIELLA (VA)

DESARIELLA goes to him.

DESARIELLA (VA)

He looks at her. He backs away and heads back to the couch.

LUCAS
What did I do? What...

He puts his head in his hands. DESARIELLA goes back to him and hugs him.

DESARIELLA (VA)
It's okay Lucas. It...

LUCAS breaks down and starts to cry on her shoulder. JACK comes back.

DESARIELLA signals JACK to come over and remove her pendant. He does. JACK places it on the table and leaves.

DESARIELLA (T)
Lucas, it's okay. I'm here. Just
like always. You are safe. Nothing
will hurt you. Relax Lucas.

LUCAS (T)
D?

DESARIELLA (T)
Yes my love. I am here. Let it out.
Let it all out. Everything is fine.
You are free of John. John is gone.
Gone for good.

LUCAS looks up at her. He kisses her.

JACK and DESARIELLA raise their eyebrows in curiosity.

JACK
I thought your pods disabled all...

LUCAS
(smile)
Only incoming ones.

LUCAS continues line as he walks over to JACK's coat.

LUCAS (cont'd)
If they planted it on you while you were on the Grid, the pods would not have deactivated it when you left.

LUCAS picks up the coat and searches the collar. He finds the tracker. He takes it off the coat and throws it to JACK as he says his line.

LUCAS (cont'd)
Told you. They are good.

JACK catches, and looks at the tracker. He wonders why the vortex manipulator didn't detect it. It should have detected it. And the house "security" should have deactivated it.

LUCAS makes his way back to the couch. DESARIELLA looks at JACK.

DESARIELLA (VA)
If they know you are here, then you know what...

JACK
Yeah. I need to move.

LUCAS sits back on couch.

goes to it. He kneels down and picks it up.

BETH (cont'd)
He couldn't have just disappeared.

DIMITRI
Sure he could have.
(beat)
He's Jack Harkness. He's Torchwood.
(beat)
They can make anything disappear.

BETH gives DIMITRI a look. There is something in his tone.
Something that makes her feel like he is speaking from
personal experience.

BETH
You say Torchwood like you...

DIMITRI
I do. I mean, I did.

BETH
Really?

(CONTINUED)

DIMITRI

I had friends who worked at Canary Wharf.

(beat)

I know all about Torchwood and what they are capable of.

BETH

(surprise)

Why didn't you mention that before?

DIMITRI

Doesn't matter.

(beat)

They're gone.

(beat)

We'll never see them again.

BETH

We can find them.

DIMITRI

We won't. Trust me.

DIMITRI stands and hurls the tracker at the wall. BETH has never seen DIMITRI this upset. DIMITRI storms out of the house. BETH follows.

DOCTOR

So, you and D are getting married.

LUCAS

Yes.

DOCTOR

Any particular place you want to have the wedding?

LUCAS looks at the DOCTOR.

DOCTOR (cont'd)

I can take you anywhere. Any time. Any place.

(beat)

Think about it. You could...

LUCAS
I already have the perfect spot.

DOCTOR
You do?

LUCAS
Yes. We both know she will love it.

DOCTOR
Both?

LUCAS points to his head. The DOCTOR understands.

DOCTOR (cont'd)
You and Guy. Right. I keep
forgetting he's in there.

LUCAS
I don't.

The DOCTOR looks at LUCAS.

LUCAS (cont'd)
I knew D was the one the day I met
her. But... I was never sure if it
was me, or him, that she...

DOCTOR
She loves you both.

LUCAS
I know that now. When I heard her
tell Jack that she loved me, I...

DOCTOR
Lucas, you are meant to be with
her. You and D have a connection.
(beat)
It started with Guy. I didn't
really see it till it was too late.
Guy was meant to be here.
(beat)
So are you.

LUCAS
Thanks, Doc.

LUCAS
No.

JACK
Still time to back out.

LUCAS
Never.

DOCTOR
I should go check on D. You two

The DOCTOR heads for the stairs. LUCAS and JACK watch him

LUCAS
So how have you been?

JACK
Fine. And you?

LUCAS
Fine. Mind if I ask what the date

JACK
Nov 5th, 2010.

JACK
How long has it actually been for
you?

LUCAS thinks for a moment.

LUCAS
7 months. I think. Kinda hard to

There is a round clearing with trees surrounding it on all sides.

In the middle of the circle, there is an altar. At the altar there is an arch.

There is a path/aisle leading to the altar. The path is made of tree branches and flower petals.

(CONTINUED)

On the left side of the altar there is a table. The table has a cake, a punch bowl, and food, on it.

K-9 is standing near the table.

The door appears.

JACK and LUCAS enter. LUCAS is wearing Guy's sword. The door vanishes. JACK looks around.

JACK
Sherwood?

LUCAS
Yes.

JACK looks at LUCAS.

JACK
You could have had any place, any time, any where, and you choose a holo-program of Sherwood?

LUCAS
What's wrong with Sherwood?

JACK
Nothing. But...

LUCAS
This forest means a lot to all of us.

JACK
Okay.

JACK walks over to K-9. LUCAS watches him go.

JUMP TO:

LUCAS and JACK are standing at the altar waiting for DESARIELLA to arrive.

DESARIELLA and the DOCTOR enter.

LUCAS (T)
Wow. She looks so beautiful.

(CONTINUED)

JACK (T)

Wow.

The DOCTOR escorts DESARIELLA down the aisle. K-9 follows them with the rings on a cushion on his back.

The surrounding forest has an eerie silence to it.

LUCAS and JACK watch as the DOCTOR walks DESARIELLA down the path.

When the DOCTOR and DESARIELLA reach the front, the DOCTOR looks to LUCAS and "gives" DESARIELLA to him. LUCAS links arms with her. The DOCTOR then stands in front of LUCAS and DESARIELLA. He clears his throat.

DOCTOR

Dearly beloved.

The DOCTOR smiles.

DOCTOR (cont'd)

I always wanted to say that.

DESARIELLA gives him a look.

Focus on: DESARIELLA and LUCAS

Another guard and the SHERIFF step out the trees near LUCAS and DESARIELLA.

SHERIFF
Gissy, Gissy, Gissy.

LUCAS and DESARIELLA stop dancing and turn to the SHERIFF. DESARIELLA is curious. LUCAS gets a look of disgust on his face.

LUCAS
Vasey.

SHERIFF
My invitation must have gotten
lost.

A guard comes from behind DESARIELLA and grabs her. LUCAS instinctively puts his hand on his sword.

SHERIFF (cont'd)
Uh-ah. I wouldn't do that.

DESARIELLA gives him an "I'm okay" look. LUCAS turns to the SHERIFF.

LUCAS-GISBORNE
This is between me and you. Let
them go.

SHERIFF
You have become weak, Gisborne. You
used to be so...

LUCAS-GISBORNE
I challenge you. One on one.

The SHERIFF smiles.

(CONTINUED)

SHERIFF

Oh?

LUCAS-GISBORNE

If I win, you let them go.

SHERIFF

And if I win?

Momentary pause.

LUCAS knows that will never happen. Guy wouldn't let it. Besides if, by some fluke, the Sheriff did win, it was just a program.

SHERIFF (cont'd)

If I win... You take me to Hood's camp.

DESARIELLA decides to play along.

DESARIELLA (VA)

Guy. No. You...

LUCAS sees no reason not to agree. After all this is just a program.

LUCAS-GISBORNE

Okay. But I won't lose.

LUCAS draws his sword.

LUCAS-GISBORNE (cont'd)

I've waited a long time for this.

The SHERIFF draws his sword. They fight. Everyone is focused on the fight.

After about 5 minutes, we...

JACK looks at the DOCTOR with a "you know these guys" look.

ALLAN and LITTLE JOHN wonder how this man knows who they are.

ALLAN
Yes. This way.

ALLAN motions for the DOCTOR and JACK to head into the forest.

The DOCTOR and JACK head in. ALLAN and LITTLE JOHN each grab a guard and follow.

JACK looks at the DOCTOR.

JACK
We can't just leave.

ALLAN
Des and Guy will be fine. They...

The DOCTOR looks to ALLAN.

DOCTOR
You and John just dispose of the guards. Jack and I are staying here.

ALLAN and LITTLE JOHN exchange a look.

LITTLE JOHN
Okay. Just stay out of sight. We'll be back soon.

ALLAN and LITTLE JOHN go off with the two guards.

PAN TO:

Focus on: Desariella

DESARIELLA is so intently watching the fight, that she doesn't sense what is happening behind her.

Her guard falls, and is replaced with someone else. DESARIELLA hears a voice in her ear. A voice she never expected to hear again.

(CONTINUED)

ROBIN
Sneaking off again, D?

DESARIELLA (VA)
Robin? I...

ROBIN
Shh.

DESARIELLA turns.

DESARIELLA (VA)
How did you...

ROBIN
Would you believe me if I said a
"little voice" told me?

DESARIELLA (VA)
(confused)
What?

ROBIN gives her a look. He wonders if she knows how he feels about her. How he's felt since the first day he saw her.

ROBIN
You called me.

DESARIELLA (VA)
(still confused)
I what?

ROBIN
I heard your voice. "Robin. I need
you. Help me."

DESARIELLA looks at him. She reads him. She sees him remembering.

FLASHBACK TO:

FLASHBACK: Somewhere in the Forest

ROBIN is walking back to camp. All of a sudden he hears a voice calling his name.

DESARIELLA (VO)
Robin.

ROBIN recognizes the voice and turns. There is no-one there.

(CONTINUED)

ROBIN

D? Where are...

DESARIELLA (VO)

Robin. I need you. Help me.

ROBIN looks around some more. He still can't see her.

ROBIN

D? Where are you?

DESARIELLA (VO)

North clearing. Hurry.

ROBIN is confused. The North Clearing was on the other side of the forest. How could he hear her when she wasn't here? Was she really in trouble or was his mind playing tricks on him? Only one way to find out.

ROBIN heads for the North Clearing. After a few moments he runs into ALLAN and LITTLE JOHN.

ROBIN

With me. Now.

ALLAN

Where are we going?

ROBIN

North Clearing.

LITTLE JOHN

Why?

ROBIN doesn't answer he just keeps running. ALLAN and LITTLE JOHN follow.

RETURN TO:

RETURN to PRESENT

ROBIN is staring at DESARIELLA.

ROBIN

DESARIELLA (VA)

Fine. I... It's impossible. You couldn't have heard me. I...

DESARIELLA thinks of something.

DESARIELLA (VA) (cont'd)
K-9.

ROBIN
What?

DESARIELLA (VA)
Nothing.

ROBIN gives her a look.

PAN TO:

Focus on: The DOCTOR and JACK

The DOCTOR and JACK are watching DESARIELLA with ROBIN. JACK doesn't know who the man is.

JACK
Who's the man with...

DOCTOR
Robin.

JACK
(raise eyebrow)
Robin *Hood*?

DOCTOR
Yes.

JACK notices how ROBIN is acting with her.

JACK
He looks very *comfortable* around
her.

DOCTOR
Always did.

JACK gives the DOCTOR a look.

JACK
What?

The DOCTOR gives JACK a look.

(CONTINUED)

DOCTOR
She never told you?

JACK
Told me what?

The DOCTOR looks back at DESARIELLA and ROBIN.

DOCTOR
She may have only had eyes for Guy
back then, but Robin was the one
fawning over her.

JACK can't believe this.

JACK
Robin?

DOCTOR
Yes.

JACK
She could have had Robin Hood, but
she choose Sir Guy of Gisborne?

DOCTOR
Yes.

JACK
Why would...

DOCTOR
Don't know. I don't think Guy even
gave her a second look then.

JACK looks back at DESARIELLA and ROBIN. It was so obvious
that ROBIN had feelings for her. She must have known.

DOCTOR (cont'd)
When she told me she was saving
him, I assumed she meant Robin.

JACK
But she didn't.

DOCTOR
No. I was stunned when said she
wanted to save Guy.

JACK suddenly thinks of something.

JACK

Wait. *This* is just a program. This is not real. This Robin shouldn't have feelings for her. This Robin should only know her as Guy's wife.

DOCTOR

Yes. I thought of that. But... this *program* always did have a life of it's own. It's always been *more* than just a program.

(beat)

Never figured out how it manages to do that.

The DOCTOR starts to walk off. JACK looks at him.

JACK

Where are you...

The DOCTOR points to DESARIELLA and ROBIN.

DOCTOR

Over there.

The DOCTOR heads through the trees. JACK follows.

PAN TO:

Focus on: DESARIELLA and ROBIN

DESARIELLA looks over to where JACK and the DOCTOR were standing. She notices they are gone.

DESARIELLA (VA)

Where did...

ROBIN knows she is looking for her friends.

ROBIN

Your friends are with Allan and John.

DESARIELLA (VA)

Oh.

DESARIELLA's attention is drawn back to the fight. So is ROBIN's.

ROBIN

Don't worry. I won't let it get out of hand.

(CONTINUED)

DESARIELLA (VA)
I'm not worried.

DESARIELLA almost slips and says "Lucas" but catches herself just in time.

DESARIELLA (VA) (cont'd)
L... Guy can handle the Sheriff.

ROBIN
I know. But... They still have a lot of unsettled issues.

DESARIELLA (VA)
Yeah.

ROBIN
If it looks like he's in trouble...

ROBIN takes her hand.

ROBIN (cont'd)
...I will intervene.

DESARIELLA (VA)
(smile)
Thanks.

DESARIELLA looks at ROBIN. She is about to say something else, when the DOCTOR and JACK arrive.

JACK notices ROBIN is holding DESARIELLA's hand. JACK addresses DESARIELLA.

JACK
How long you plan to let them fight?

ROBIN looks at JACK. He sees the DOCTOR as well.

ROBIN (T)
What are they doing here? Allan and John were supposed to take them to safety? Speaking of which...

ROBIN wonders where ALLAN and LITTLE JOHN are. He lets go of DESARIELLA's hand and addresses the DOCTOR.

ROBIN
Where are Allan and John?

(CONTINUED)

DOCTOR

They went to dispose of the two guards.

ROBIN

Oh.

ROBIN looks to DESARIELLA and can see she is focused on the fight.

PAN TO:

Focus on: The Fight

LUCAS is doing remarkably well. The SHERIFF is starting to falter.

(Note: Neither notice that ROBIN is with DESARIELLA, JACK, and The DOCTOR.)

LUCAS-GISBORNE

I can do this all day, Vasey.

SHERIFF

So can I.

LUCAS-GISBORNE

I don't think so. You're starting to falter already.

The fight goes on for a few more minutes, then LUCAS manages to knock the SHERIFF's sword out of his hands and back him into a tree.

(Background: ROBIN is about to run over. DESARIELLA grabs his arm, stopping him.)

LUCAS brings his sword to the SHERIFF's neck.

LUCAS-GISBORNE (cont'd)

I win.

SHERIFF

Yes. This time.

LUCAS doesn't drop the sword. He thinks to himself.

LUCAS (T)

It would be so easy to kill him. This is just a program. Wouldn't be really killing him.

The SHERIFF gives LUCAS a look.

(CONTINUED)

SHERIFF

You won, Gisborne. Drop the sword.

LUCAS-GISBORNE

No.

(Background: ROBIN shakes DESARIELLA loose and heads over.)

LUCAS is still glaring at the SHERIFF.

ROBIN (VO)

GUY! Drop it!

LUCAS-GISBORNE tenses up. He wonders when Robin got here. LUCAS-GISBORNE addresses ROBIN without looking at him.

LUCAS-GISBORNE

Why should I?

ROBIN reaches them.

ROBIN

Guy. Drop the sword. You don't want to...

LUCAS-GISBORNE

Maybe I do.

ROBIN places his hand on the sword. LUCAS-GISBORNE gives in and lowers the sword. The SHERIFF breathes. ROBIN looks to the SHERIFF.

ROBIN

Go. Now. Before I change my mind.

The SHERIFF runs off. ROBIN looks at LUCAS-GISBORNE. DESARIELLA, The DOCTOR, and JACK reach them. JACK is smiling.

JACK

That fight was amazing. You really...

LUCAS

Thanks, Jack.

ROBIN is still looking at LUCAS. There is something different about him. He's not quite sure what it is, but he knows it is something.

LUCAS turns to ROBIN.

(CONTINUED)

LUCAS (cont'd)
Why did you stop me?

ROBIN
You know why.

LUCAS
Robin, I...

DESARIELLA looks to LUCAS, trying to get a read on him.

DESARIELLA (VA)
You weren't really going to kill
him, were you?

LUCAS
What do you think?

DESARIELLA gives him a look.

LUCAS (T)
Wouldn't have mattered if I did,
would it? This is just a program.

DESARIELLA knows that as much as Guy would have loved to
kill Vasey. He'd never do it.

DESARIELLA (VA)
No. I don't think you would.

DESARIELLA notices that JACK is looking at ROBIN. JACK looks
at DESARIELLA.

JACK (T)
Aren't you going to introduce us?

DESARIELLA looks to ROBIN.

DESARIELLA (VA)
Robin, I don't think you know Jack
or the Doctor.

ROBIN
No. I don't.

DESARIELLA (VA)
Let me introduce you.

DESARIELLA takes ROBIN over to JACK and The DOCTOR. LUCAS
looks at the sword.

(CONTINUED)

DESARIELLA (VA) (cont'd)
Robin. This is Jack Harkness. Jack,
Robin Hood.

They nod a greeting.

DESARIELLA (VA) (cont'd)
And this is The Doctor.

ROBIN
A doctor, eh?

DOCTOR
Yeah.

DESARIELLA looks over at LUCAS and can tell he is thinking of something. She goes to him. Leaving ROBIN alone with the DOCTOR and JACK.

DESARIELLA (VA)
You okay?

LUCAS looks to her.

LUCAS
Is this program *acting up* again?

DESARIELLA (VA)
What do you mean?

(Background: While DESARIELLA and LUCAS are talking, ALLAN and LITTLE JOHN arrive and go to ROBIN. They say something to ROBIN, then leave.)

LUCAS
Where did the Sheriff come from?
Why was he here? Why did Robin...

DESARIELLA (VA)
You mean you didn't ask for...

LUCAS
No. I...
(beat)
I didn't. But *he* may have. And I think he may have had help.

DESARIELLA (VA)
Oh?

LUCAS
Have you seen K-9?

(CONTINUED)

DESARIELLA (VA)
Not in a while. Why?

LUCAS
I know Guy had a discussion with him this morning. Not sure what it was about. But I bet *this* was them.

DESARIELLA (VA)
Robin mentioned that *I* told him to come here.

LUCAS
You?

DESARIELLA (VA)
I probed his mind and saw him hearing me telling him to come here.

(beat)
K-9 would have no problem impersonating me.
(beat)
I think I need to have a little chat with...

DESARIELLA stops talking as ROBIN comes over.

ROBIN
I'll meet you two back at camp.

DESARIELLA is curious. Where is ROBIN going?

LUCAS
Stay for a while.

ROBIN
I can't.

DESARIELLA can tell ROBIN is hiding something. She looks at him.

DESARIELLA (VA)
Be careful.

ROBIN looks at her and smiles.

ROBIN
Hey. I'm Robin Hood. I'll be fine.

And with that ROBIN leaves. LUCAS watches him go.

The DOCTOR, DESARIELLA, and LUCAS are standing around the console. LUCAS has just suggested a planet he would like to visit. The DOCTOR is giving LUCAS an "are you serious" look.

DOCTOR

Are you sure you want to go there?

LUCAS

I've been reading about it in your library. Sounds like an interesting planet.

DOCTOR

I haven't been there in years.

DESARIELLA (VA)

We could do with a little adventure.

The DOCTOR gives DESARIELLA a look.

DOCTOR

Adventure? Aerboria is not really the "adventurous" planet. More like a "vacation" planet. Nothing ever happens there.

DESARIELLA gives the DOCTOR a look and smiles.

DESARIELLA (VA)

I've heard that before.

DOCTOR

I'm serious. It is a *boring* planet.

DESARIELLA (VA)

We'll see about that. How soon can we be there?

The DOCTOR looks at the console.

DOCTOR

Shouldn't take long.

The DOCTOR looks back at LUCAS.

DOCTOR (cont'd)

You sure?

(CONTINUED)

LUCAS
Yes, Doc. I'm sure.

DOCTOR
Okay.

The DOCTOR enters some information into the console. LUCAS looks at DESARIELLA. DESARIELLA looks at LUCAS.

JUMP TO:

158 EXT: TARDIS

158

The TARDIS materializes in a field near a path. It is night. There are 2 moons in the sky casting an eerie glow on the surrounding area.

The doors open. The DOCTOR exits, followed by DESARIELLA and LUCAS. The DOCTOR sonics the area.

DOCTOR
Looks like the closet town is this way.

The DOCTOR points to his left. They all walk off in that direction.

JUMP TO:

10 Minutes later

159 VILLAGE

159

The DOCTOR, DESARIELLA, and LUCAS, enter the village.

LUCAS gets the feeling that something is wrong. He scopes out the village trying to find what it could be.

DESARIELLA senses LUCAS' concern.

DESARIELLA (VA)
Lucas? What is it?

LUCAS
Not sure. Something seems wrong.

DESARIELLA (VA)
Wrong? Like what?

LUCAS
Don't know. Can you *read* these people?

(CONTINUED)

DESARIELLA (VA)

Yes.

LUCAS

See if you can pick up anything from them while I see if I can spot anything *out of place*.

DESARIELLA (VA)

Okay.

DESARIELLA starts to read the people in the surrounding area, trying to see if anyone can reveal anything.

LUCAS continues scoping out the people. Maybe the agent/spy in him will spot something.

They approach a bar. LUCAS spots two men talking outside the bar. LUCAS notices that both men have sonic blasters on their waist, and vortex manipulators on their wrists.

LUCAS (T)

Now that shouldn't be here.

DESARIELLA turns to LUCAS. LUCAS addresses the DOCTOR.

LUCAS

Ah, Doc?

The DOCTOR turns to LUCAS.

DOCTOR

Yes.

LUCAS

Those two men over there...

LUCAS points to the two men.

LUCAS (cont'd)

I don't think they belong here.

The DOCTOR looks at the two men. He doesn't notice the blasters or the vortex manipulators.

LUCAS noticed the blasters because he is trained to spot weapons. LUCAS looks at the DOCTOR.

LUCAS (cont'd)

I'm pretty sure sonic blasters and vortex manipulators are not standard issue on, in your words, a *boring* planet.

(CONTINUED)

The DOCTOR looks closer at the two men and spots the sonic blasters. He wonders how he missed them earlier.

DOCTOR
Time Agents.

LUCAS
Or Space Pirates.

The DOCTOR wonders why time agents or space pirates would be interested in Aerboria.

DOCTOR
Why would...

LUCAS looks to DESARIELLA.

LUCAS
D. Can you tell which?

DESARIELLA focuses on the two men.

DESARIELLA (VA)
Neither.

The DOCTOR looks to DESARIELLA.

LUCAS / THE DOCTOR
(raise eyebrow)
What?

DESARIELLA is still focused on the two men.

DESARIELLA (VA)
They are assassins. Here for Prince Skylar who will be passing through town mid-day tomorrow.

LUCAS recognizes the name.

LUCAS
Prince Skylar?

DESARIELLA (VA)
Yes.

LUCAS looks at the DOCTOR.

LUCAS
What year is it?

The DOCTOR consults the sonic.

DOCTOR
15-65-27.

LUCAS
We have to stop them.

The DOCTOR gives LUCAS a "we can't interfere" look.

DOCTOR
Lucas, you know we can't...

LUCAS
No. You don't understand. Prince
Skylar will become King Thorlan.
One of the greatest rulers this
planet will ever have.

DOCTOR
Are you sure?

LUCAS
Yes. I spent a lot of time reading
the history of this planet, Doc.
Those two...

LUCAS points to the two men still outside the bar.

LUCAS (cont'd)
...must be stopped.

DESARIELLA looks at LUCAS.

DESARIELLA (VA)
Why the name change?

LUCAS and the DOCTOR look at her.

DESARIELLA (VA) (cont'd)
Why did Skylar change his name to
Thorlan?

LUCAS
No one ever found out.

DESARIELLA looks back at the two men.

DESARIELLA (VA)
So, any idea on how to handle those
two?

The DOCTOR and LUCAS look at the two men.

JUMP TO:

DESARIELLA and LUCAS *escort* JEDRICK and MARU away from the bar.

JUMP TO:

The DOCTOR is waiting for LUCAS and DESARIELLA. He walks over to the window and sees them approaching with the two men. He goes to the door and opens it.

LUCAS enters with MARU. He spots two chairs in the middle of room. He goes over and places MARU in one of the chairs. LUCAS spots the ropes on the bed and goes for them.

DESARIELLA enters with JEDRICK. She spots the chairs and goes to them. She places JEDRICK in the second chair.

LUCAS binds MARU to the chair, then goes to JEDRICK and binds him to the chair.

DOCTOR

Is that really necessary?

LUCAS

I know what I'm doing, Doc.

LUCAS removes the vortex manipulators and sonic blasters from both. He hands them to the DOCTOR.

LUCAS (cont'd)

Here, take these.

The DOCTOR takes them.

LUCAS goes to the bedside table and pours two glasses of water from the pitcher that is there. He returns and offers DESARIELLA one of the glasses.

LUCAS (cont'd)

You have your psychic paper on you?

DESARIELLA takes the glass and smiles.

DESARIELLA (VA)

Never leave the TARDIS without it.

LUCAS

Can I borrow it?

DESARIELLA (VA)

Sure.

DESARIELLA hands LUCAS the psychic paper. He takes it.

(CONTINUED)

LUCAS

Thanks.

(beat)

On the count of three.

(beat)

Ready?

DESARIELLA nods affirmatively.

LUCAS (cont'd)

1, 2, 3.

DESARIELLA and LUCAS throw the water at their respective captive.

MARU and JEDRICK wake up. They realize they are tied.

MARU

What, where, who...

JEDRICK

Untie us. Now. We...

LUCAS flashes the psychic paper. He wonders who they will think they are.

MARU and JEDRICK look at the paper.

JEDRICK (cont'd)

Great. Time Agents. Figures.

MARU

How'd you find us?

DESARIELLA (VA)

We traced the vortex manipulators.

JEDRICK

You what?

DESARIELLA (VA)

They leave a trace signal every time they are used.

LUCAS

Easy to trace if you know what your looking for.

MARU looks at JEDRICK.

MARU

I told you taking them was a bad idea.

(CONTINUED)

JEDRICK
Shut up, Maru.

LUCAS looks at JEDRICK.

LUCAS
You were easy enough to spot once
we got here.

JEDRICK looks at LUCAS.

LUCAS (cont'd)
If you wanted to be inconspicuous,
you shouldn't have worn the sonic
blasters so openly.

MARU looks at the floor.

MARU
I knew we'd get caught. This was
all going so well. I...

JEDRICK looks at MARU.

JEDRICK
Shut up.

MARU looks at JEDRICK.

MARU
No. They have us, Jed. It's over.
We have no chance to stop it now.
We won't...

DESARIELLA looks concerned. So does LUCAS. The DOCTOR raises
an eyebrow as well.

DESARIELLA (VA)
Stop it? Stop what?

MARU looks at DESARIELLA.

MARU
The assassination of Prince Skylar.

LUCAS
We just did. We have you. He'll...

JEDRICK laughs.

JEDRICK
You think we are the assassins?

DOCTOR
Aren't you?

JEDRICK turns to the DOCTOR. He hadn't noticed him in the room.

JEDRICK
No. What gave you that...

LUCAS
We heard you at the bar.

MARU
We never said anything about killing...

JEDRICK
I was *thinking* about it though.

MARU gives JEDRICK a look.

MARU
What?

JEDRICK looks at DESARIELLA.

MARU (cont'd)
How could you think about killing Skylar? The boss would...

DESARIELLA (VA)
Boss? Who...

JEDRICK notices DESARIELLA's lips aren't moving.

JEDRICK
You're her, aren't you?

DESARIELLA looks at JEDRICK.

DESARIELLA (VA)
Who?

JEDRICK
The one I've been warned about my entire life.

LUCAS
What do you mean?

JEDRICK
"Beware of she who speaks without words."

LUCAS and DESARIELLA exchange a look.

JEDRICK (cont'd)
I never understood what that meant.
(beat)
I mean how can one speak without
using words?
(beat)
But now I see it. Telepathy.
Speaking in thoughts and not words.
You're a telepath.

DESARIELLA (VA)
Yes I am.
(beat)
And I am never wrong.

MARU looks at DESARIELLA and LUCAS.

MARU
You are this time. We don't want
Skylar dead.

MARU looks at JEDRICK.

MARU (cont'd)
I least I don't.

MARU looks back at DESARIELLA and LUCAS.

MARU (cont'd)
We need him alive. The plan...

JEDRICK looks at MARU.

JEDRICK
Will you shut up!

MARU looks at JEDRICK.

MARU
Why? It's over, Jed. It...

LUCAS
If you two are not the assassins,
then who is? Skylar is still...

MARU
They have infiltrated his
entourage. We were planning on
ambushing them and taking out the
assassins.

DOCTOR
So you know who they are?

JEDRICK
No.

JEDRICK looks at the DOCTOR.

JEDRICK (cont'd)
You're not a time agent.

DOCTOR
What makes you say that?

JEDRICK
Not sure. There's just something
about you.

LUCAS
You are correct. He's not with us.
We found him when we arrived. We
thought *he* was who we had come for.

DESARIELLA
But he wasn't.

JEDRICK
So who are you then?

DOCTOR
The Doctor.

MARU
A doctor?

JEDRICK recognizes the name.

JEDRICK
No you idiot. *The* Doctor.
(beat)
You're a Time Lord.

DOCTOR
Yes.

JEDRICK
And you are working with these two
Time Agents.

DOCTOR
For now.

JEDRICK doesn't buy it. Something isn't adding up.

(CONTINUED)

JEDRICK (T)

I wonder what the boss would have
to say about a Time Lord working
with Time Agents?

DESARIELLA hears JEDRICK's thought.

DESARIELLA (VA)

Who is this *boss* of yours?

JEDRICK looks back at DESARIELLA.

JEDRICK

Don't know really.

LUCAS

You don't know?

JEDRICK

He just approached us and asked if
we would like to make some easy
money.

MARU

Yeah. He said all we would have to
do is stop the assassination of the
Prince of Aerboria.

LUCAS

That's it?

MARU

There was one more thing.

LUCAS

Which was?

MARU

Once we had stopped the
assassination we were to get Skylar
alone and contact him.

LUCAS

What for?

MARU

Don't know.

JEDRICK

Doesn't matter now anyway. Does it?

(CONTINUED)

DESARIELLA (VA)
What do you mean?

JEDRICK
What ever he wanted with Skylar,
I'm pretty sure he will change his
mind once he learns the Time Lords
and the Time Agency are interested.

The DOCTOR appears to be thinking. DESARIELLA looks at the DOCTOR. LUCAS looks at DESARIELLA and then the DOCTOR.

The DOCTOR signals DESARIELLA and LUCAS to come over. They go to him.

JEDRICK watches them.

CONTINUE TO:

163

FOCUS ON THE DOCTOR, DESARIELLA, AND LUCAS

163

DESARIELLA and LUCAS reach the DOCTOR. The DOCTOR looks at DESARIELLA.

DOCTOR
(quietly)
Well? Do we trust them?

DESARIELLA (VA)
(quietly)
They *appear* to be telling the
truth.

LUCAS
(quietly)
Appear?

DESARIELLA (VA)
(quietly)
I'm not sure about Jed. I think
there is more to what he is really
doing here.

LUCAS
(quietly)
You mean more than Maru knows?

DESARIELLA (VA)
(quietly)
Yes.

(CONTINUED)

DOCTOR
 (quietly)
 Like what?

DESARIELLA (VA)
 (quietly)
 Don't know, Doc.

Momentary pause.

LUCAS
 (quietly)
 Skylar is still in danger. Our
 first priority right now should be
 saving him. We can worry about
 these two later.

The DOCTOR gets an idea.

DOCTOR
 (quietly)
 Maybe we can use them.

LUCAS and DESARIELLA look at the DOCTOR.

JUMP TO:

164

FOREST PATH

164

LUCAS, DESARIELLA, the DOCTOR, JEDRICK, and MARU are hiding
 in the trees alongside the path.

LUCAS
 This is the best place for an
 ambush.

JEDRICK
 You sure?

LUCAS
 Trust me. I once lived in a forest.

MARU and JEDRICK look at LUCAS.

MARU
 (raise eyebrow)
 You did?

LUCAS
 Yes. A long time ago, on a planet
 far far away.

LUCAS looks at DESARIELLA.

(CONTINUED)

LUCAS (T)

Always wanted to say that.

DESARIELLA smiles. JEDRICK and MARU are still curious. LUCAS looks back at the group.

LUCAS

From what I remember, when Skylar's coach passes here, he will have men on horses and foot surrounding him.

JEDRICK

How many horses?

LUCAS

Most accounts say six. One on the left, one on the right, two at the back and two at the front.

MARU

And guards on foot?

LUCAS

Ten. Five in front of the front horses, and five behind the back horses.

MARU

No side guards?

LUCAS

If trouble approaches from the sides, the men at the back would see it.

JEDRICK

(mutter)

Not necessarily.

LUCAS looks to JEDRICK.

LUCAS

If they are positioned correctly, the men at the back would be able to see the sides.

JEDRICK

I still think we...

LUCAS hears something and signals the group to be quiet.

LUCAS
They're coming.

No one else hears anything.

MARU
I don't hear...

LUCAS looks at him.

MARU (cont'd)
Sorry.

LUCAS looks to DESARIELLA.

LUCAS (T)
They are still a way up there. I'm
going to take a look and come right
back.

DESARIELLA smiles at him and nods affirmatively. LUCAS
leaves. Everyone watches him go.

JEDRICK
Where is he going?

DESARIELLA (VA)
He'll be back. And be quiet. They
should be here soon.

Momentary pause. All wait for LUCAS to come back. After a
few moments LUCAS returns. He returns quietly, when he
speaks, JEDRICK and MARU are startled.

LUCAS
We have a problem.

DOCTOR
What sort of...

LUCAS
The horses and guards are all
aligned wrong. The entire
protection detail is...

MARU
What do you mean?

LUCAS
All the horses are at the front,
and all the men are at the back.

(CONTINUED)

MARU

Why the change?

LUCAS

The positioning is not the only difference. There are eight horses, not six, and twelve men, instead of ten.

DESARIELLA (VA)

Two extra horses and two extra men.

LUCAS

Looks like we go with Plan B.

JEDRICK

Plan B? We don't have a Plan B.

LUCAS

I always have a Plan B. Goes with years of field work. You always, always, have a Plan B.

DOCTOR

So what's Plan B?

JUMP TO:

165 PATH

165

LUCAS and DESARIELLA are standing in the middle of the path. The horses can be seen approaching.

There are two rows of horses. The first row consists of four horses walking side by side by side by side. The second row also has four horses but they are split, two horses, then a gap, then the other two horses.

Behind the two rows of horses is a coach that has one horse pulling it.

Behind the coach are two rows of guards. Each row has six men walking side by side by side by side by side by side.

LUCAS holds up his hand in a stop gesture.

The second of the guards in the front row of horses signals everyone to stop. He then motions his horse a few steps ahead. He addresses LUCAS.

CAPTAIN

Out of the way.

(CONTINUED)

LUCAS
I don't think so.

CAPTAIN
In the name of Prince Skylar, you
are ordered to stand aside.

LUCAS
No. You see, we have an urgent
message for the Prince. One he will
want to hear.

The CAPTAIN looks at LUCAS. LUCAS thinks a message to
DESARIELLA.

LUCAS (T)
Find the men that don't belong.

DESARIELLA starts to read the men on horses.

CAPTAIN
Who are you?

LUCAS
I have my credentials right here.
If I may approach.

The CAPTAIN is still giving LUCAS a look.

CAPTAIN
The girl can bring them to me.

DESARIELLA raises an eyebrow. Girl?

LUCAS takes the psychic paper out of his pocket and hands it
to DESARIELLA.

DESARIELLA takes the paper and brings it to the CAPTAIN.

The CAPTAIN dismounts his horse as DESARIELLA walks over to
him. DESARIELLA reaches him and hands him the paper. He
looks at it and gets a very surprised look on his face.

CAPTAIN (cont'd)
Stay here.

The CAPTAIN walks back to the coach.

DESARIELLA continues to read the men on the horses. They all
seem to be legit. That must mean the assassins are amongst
the men at the back.

DESARIELLA gives LUCAS a look that says "none of these guys
are the ones they want."

(CONTINUED)

The CAPTAIN returns. He hands the psychic paper back to DESARIELLA and looks at LUCAS.

CAPTAIN (cont'd)
Come with me.

LUCAS walks to the CAPTAIN. When he reaches the CAPTAIN, he and the CAPTAIN head to the coach.

PAN TO:

166 DOCTOR, JEDRICK, AND MARU 166

The DOCTOR, JEDRICK, and MARU watch LUCAS head to the coach.

JEDRICK
I can't believe that worked.

MARU
What did he show him?

DOCTOR
Time Agents have all sorts of secrets.

JEDRICK gives the DOCTOR a look.

JEDRICK
If you don't know, just say you don't know.

JEDRICK returns his eyes to the scene in front of him. Lucas is now talking to Skylar.

MARU
What ever it was, it worked. He's talking to Skylar.

They notice the Captain look towards the men at the back. Lucas says something to the Captain. The Captain goes back to the front and gets Desariella. Once the Captain and Desariella reach Lucas, the three of them head to the back.

PAN TO:

167 LUCAS, DESARIELLA, THE CAPTAIN, AND THE GUARDS AT THE BACK 167

LUCAS, DESARIELLA, and the CAPTAIN, reach the back of the carriage. DESARIELLA reads the men. She starts to walk amongst them LUCAS and the CAPTAIN follow her. She finds one man and points him out to LUCAS and the CAPTAIN. The CAPTAIN takes him out of the line. She continues walking and finds

(CONTINUED)

the second one. She points him out and the CAPTAIN removes him from the line as well. The CAPTAIN is looking at the two men he has. He doesn't recognize them.

CAPTAIN

I've never seen these two before.

LUCAS

Really?

CAPTAIN

Thank you. The Prince owes you his life.

LUCAS

I suggest you take these two men away.

CAPTAIN

Of course. Right away.

The CAPTAIN heads to the front of the coach with the two assassins in tow.

DESARIELLA and LUCAS follow.

CONTINUE TO:

168

FRONT OF COACH

168

The CAPTAIN approaches one of the guards on horse back and motions him to take the two men away.

The guard dismounts his horse, removes rope from the saddle bag, binds the two men's wrists then drags them back to his horse. He mounts his horse and leaves with the two men walking beside the horse.

LUCAS looks to the CAPTAIN.

LUCAS

One more thing.

CAPTAIN

Yes.

LUCAS

Behind me, in the trees, don't look, you will find two men. They are also part of this. Although they may deny it. You might want to send someone to get them.

(CONTINUED)

CAPTAIN

Of course.

The CAPTAIN goes over to another of the men on horseback and whispers something to him. The man nods and leaves.

DESARIELLA looks over at the DOCTOR and gives him a "run" look.

PAN TO:

169 DOCTOR, JEDRICK, AND MARU

169

JEDRICK and MARU are intensely focused on what they are seeing, that they don't notice the DOCTOR sneak off. Nor do they notice the arrival of a guard a few moments later.

GUARD (VO)

Don't move.

JEDRICK and MARU exchange a look, and then notice the DOCTOR is gone.

PAN TO:

170 LUCAS ETAL

170

LUCAS addresses the CAPTAIN.

LUCAS

Might I make a suggestion on your "protection" set-up?

The CAPTAIN looks at him.

LUCAS (cont'd)

Would it not be better if you had two horses behind the coach, one on either side, and two in front?

The CAPTAIN thinks about that.

LUCAS (cont'd)

And what about 5 men behind the horse at the back, and 5 men in front of the horses in the front?

The CAPTAIN thinks. He likes the set-up.

CAPTAIN

Yes. Yes. You are correct. That is much better. Thank you.

(CONTINUED)

LUCAS
No problem.

LUCAS takes DESARIELLA's hand and they start to leave.

CAPTAIN
You're leaving?

LUCAS
Our job here is done. We are needed
elsewhere. Don't forget to
rearrange your men.

LUCAS and DESARIELLA walk off. The CAPTAIN rearranges his
men.

JUMP TO:

4 years later

171 DESARIELLA'S ROOM - LIVING ROOM 171

DESARIELLA is staring at Guy's sword.

The display case under the sword now has 3 more rings in.
The left side of the case had Guy's wedding ring and
Desariella's engagement and wedding rings. The right side of
the case has Lucas' wedding ring and Desariella's engagement
and wedding rings.

DESARIELLA's attention moves to the rings.

DESARIELLA (VA)
I've lost you again. This time I
don't think you'll be coming back.

She is about to say something else, when her phone rings.
The ring tone indicates that it is Jack. She's not sure if
wants to answer it. She decides to answer it. If anyone
would understand what she is going through, it's Jack. She
picks up the phone.

CONTINUE TO SPLIT SCREEN:

172 SPLIT SCREEN: DESARIELLA'S ROOM (LEFT) / JACK'S PLACE (RIGHT) 172

There is a calendar on the wall behind JACK that indicates
that it is sometime in December 2010.

DESARIELLA (VA)
Hey Jack.

(CONTINUED)

JACK

I just heard. I'm sorry. I...

DESARIELLA (VA)

It's always gonna be this way,
isn't it?

JACK

What?

DESARIELLA (VA)

I will keep loosing them.

JACK

D, I...

DESARIELLA (VA)

I loved them, Jack. Both of them.

JACK

I know.

DESARIELLA (VA)

And I lost them. Guy twice and
Lucas...

(beat)

I don't think I can do this again.

JACK is not sure he knows what she means.

JACK

What are you saying?

DESARIELLA (VA)

I'm done. No more.

JACK

No more what?

DESARIELLA (VA)

Love.

JACK

Don't say that.

DESARIELLA (VA)

I'm serious, Jack. I don't want to
lose anyone else.

Momentary pause.

(CONTINUED)

JACK
Where are you?

DESARIELLA (VA)
Don't know. Don't care.

JACK
D, you don't mean that.

DESARIELLA (VA)
I really don't know where we are.
Doc said something about finding
the perfect place for Lucas, but...

JACK
I see.

DESARIELLA (VA)
When Guy died, I just brought him
back to Nottingham. Where he
belonged. But there is no where to
return Lucas to. He...

JACK thinks of something.

JACK
I want to be there.

DESARIELLA (VA)
What?

JACK
Lucas was my friend too. I...

DESARIELLA (VA)
Of course. Send me your time/space
co-ordinates and I'll have the
Doctor pick you up.

JACK
Thanks. I'll see you soon.

DESARIELLA (VA)
See ya, Jack.

DESARIELLA hangs up the phone.

JUMP TO:

173 ALIEN PLANET

173

The DOCTOR, JACK, and DESARIELLA are standing around a funeral pyre. Lucas' body is atop of the pyre wrapped in a sheet.

DESARIELLA is not wearing her pendant. She is, however, wearing her privacy shield. She has the shield set on "personal" as she wants to be alone with her thoughts.

The DOCTOR, JACK, and DESARIELLA each have a lit torch in their hand. They light the pyre and then step back. They watch it burn.

DESARIELLA has tears in her eyes. JACK goes over to her and puts his arm around her. She leans on him crying.

PAN TO:

174 THE DOCTOR

174

The DOCTOR looks over at JACK and DESARIELLA. He remembers a time when DESARIELLA and JACK were close. He wonders how different all their lives may have been if he hadn't have interfered then.

DOCTOR (T)

Maybe they deserve a second chance.
Maybe I should just leave them
together.

(beat)

Maybe it's time I stop running and
face my fate at Lake Silencio.

(beat)

No. I'm not ready for that yet.
Maybe I can convince Jack to stay
for a while.

The DOCTOR looks back at the flames.

PAN TO:

175 DESARIELLA

175

DESARIELLA feels safe in JACK's arms.

DESARIELLA (T)

Good ole Jack. Always there.

 Good bye, Lucas. Good bye, Guy. I
 will always love you. Both of you.

DESARIELLA continues staring at the flames.

PAN TO:

176

JACK

176

JACK is wondering what DESARIELLA is thinking. He knows she has her privacy shield set on "personal". But she needs to let it out. Holding it all in is not good. He remembers when they first met. She captured him from day one. Maybe they could try again. Maybe this time there was a chance for them.

JACK (T)
 Should I ask the Doctor if I could
 stay?

JACK looks over at the DOCTOR. The DOCTOR seems to be lost in his own thoughts. JACK wonders what he is thinking.

PAN TO:

DESARIELLA heads for and ascends the stairs. JACK watches her ascend the stairs.

The DOCTOR heads to the console. JACK follows. The DOCTOR addresses JACK as they walk to the console.

DOCTOR
 Would you consider staying with us
 for a while?

JACK looks at the DOCTOR.

(CONTINUED)

DOCTOR (cont'd)
I think D could really...

JACK
I was actually thinking the same thing.

DOCTOR
So you'll stay.

JACK
Yes. I'll stay.

The DOCTOR focuses back on the console.

JACK looks up the stairs.

Lucas/Gisborne's grave that she put there 6 months ago.

DESARIELLA (VA)
I miss you so much. Both of you.
You meant everything to me. How
will I go on without you.
(beat)
In here...

She indicates the holeroom.

DESARIELLA (VA) (cont'd)
...I can still sense you. If I
close my eyes I can still see you.
(beat)
This is all I have left of you.
(beat)

She starts to cry. She is so caught up in her own little world, that she doesn't sense someone approach.

(CONTINUED)

ROBIN (VO)
I'm sorry. I...

She looks up to see ROBIN.

DESARIELLA (VA)
Robin?

She wasn't expecting ROBIN. She wasn't expecting anyone. How did he get here? Why is he here?

ROBIN
If there is anything I...

DESARIELLA (VA)
Thanks. But...

ROBIN sits beside her.

ROBIN
We all miss him, D.
(beat)
I miss him.

Momentary pause. ROBIN looks at the grave.

DESARIELLA (VA)
You two go way back, don't you.

ROBIN
We grew up together.

DESARIELLA (VA)
I know. He told me.

ROBIN looks at her.

ROBIN
Did he tell you he almost got hung
for something I did.

DESARIELLA (VA)
Yes.

ROBIN gives her a look. DESARIELLA can tell ROBIN's mind is racing with thoughts. Way too many to isolate.

ROBIN
I never should have let you two go
off on your own that day.

DESARIELLA (VA)

What?

ROBIN

You said your doctor friend needed you and you'd be back in a few hours.

(beat)

But you never came back.

DESARIELLA remembers that day. They really were planning on coming right back. She looks at ROBIN.

ROBIN (cont'd)

I should have insisted that one of us go with you.

DESARIELLA (VA)

Robin, Guy and I...

ROBIN

Something felt wrong. Don't ask me to explain it. I should have followed my feelings and gone with you. If I did, he might...

DESARIELLA (VA)

Robin, there was nothing you could have done. You...

ROBIN looks at her.

ROBIN

Come back.

DESARIELLA (VA)

What?

ROBIN

We miss you. I miss you.

DESARIELLA (VA)

I can't.

ROBIN

You can't do this alone, D.

DESARIELLA (VA)

I can't Robin.

ROBIN is giving her a look. She can tell what he is thinking. She knows he wants her to return to the camp. But she can't.

(CONTINUED)

DESARIELLA (VA) (cont'd)
What's that look for?

ROBIN
It must be a family curse.

DESARIELLA (VA)
What must be...

ROBIN
Loving the same woman.

DESARIELLA gives him a "what" look.

ROBIN (cont'd)
First it was my father and his
father fighting over Ghislane.
(beat)
Then it was me and him fighting
over Marian.
(beat)
Now it's....

DESARIELLA thinks she knows where this is going.

ROBIN (cont'd)
...you.

DESARIELLA (VA)
Me?

ROBIN
Yes you.

DESARIELLA (VA)
Robin, I...

ROBIN kisses her. After a few moments he breaks the kiss.

ROBIN
I've wanted to that since the first
moment I saw you.

DESARIELLA (VA)
The day you found me and Guy at...

ROBIN
Yeah. The day you'd just married
Guy.

DESARIELLA (VA)
I...

ROBIN

I've been trying to put my feelings
aside. I don't think Guy ever knew
that I...

DESARIELLA (VA)

No. He never knew.

ROBIN can tell from the way she said that that maybe she
did.

ROBIN

But you did.

DESARIELLA (VA)

I... I suspected you felt something
for me. But I knew that you would
never act on those feelings as long
as Guy and I were...

ROBIN looks at her again.

ROBIN

But now he's gone. He's been gone
for 6 months.

DESARIELLA (VA)

What are you saying?

ROBIN

Come back to camp. Give me a
chance. Let me...

DESARIELLA (VA)

Robin, I can't. I...

ROBIN kisses her. Really kisses her. She finds herself
kissing him back. After a few moments ROBIN breaks the kiss.

ROBIN

Come with me.

DESARIELLA (VA)

What?

ROBIN stands up and offers her his hand. She hesitates for a
moment, then takes it. ROBIN helps her up.

DESARIELLA (VA) (cont'd)

Where are we going?

ROBIN, holding her hand, guides her into the forest.

ROBIN
Somewhere we can be alone.

DESARIELLA raises an eyebrow. ROBIN continues leading her into the forest.

JUMP TO:

A cabin in the forest

ROBIN and DESARIELLA approach the cabin. ROBIN opens the door. They enter.

ROBIN lets go of her hand and looks at her. He raises a hand to the side of her face and kisses her. She kisses back. He picks her up and carries her over to the bed. He lays her onto the bed and positions himself on top of her. He breaks the kiss and looks at her.

ROBIN (cont'd)
I love you, D.

DESARIELLA smiles. ROBIN kisses her.

The program pauses.

DESARIELLA (VA) (cont'd)
Save.

The program saves.

DESARIELLA gets out of bed and gets dressed. She takes one more look at ROBIN and then addresses TARDIS.

DESARIELLA (VA) (cont'd)
Exit.

(CONTINUED)

The TARDIS shuts down the program. DESARIELLA watches as the room slowly fades away to be replaced with a blank room.

HALLWAY

DESARIELLA exits the holoroom, turns left, and collides with JACK.

JACK

Whoa.

DESARIELLA (VA)

Sorry. I...

JACK looks at the door she just came out of.

JACK

The Holoroom? What were you doing in there?

DESARIELLA (VA)

Nothing. I...

JACK gets the feeling she is lying.

DESARIELLA (VA) (cont'd)

I have to go. Later Jack.

DESARIELLA walks off. JACK looks at the holoroom.

JACK

What was she doing in there? Why would she...

JACK thinks he knows.

JACK (cont'd)

Guy.

JACK turns and looks at the retreating DESARIELLA.

JUMP TO:

181 DESARIELLA'S ROOM - LIVING ROOM

181

K-9 is in the room. DESARIELLA enters.

K-9
Mistress?

DESARIELLA (VA)
Hey K-9.

K-9 senses something is wrong.

K-9
Are you okay, Mistress?

DESARIELLA (VA)
Fine. Why do you ask?

K-9
Your heart rate is slightly
elevated, and your...

DESARIELLA (VA)
It's nothing, K-9. I just...

DESARIELLA stops. K-9's ears twitch.

K-9
Mistress?

DESARIELLA (VA)
I just did something I never
thought I would.

K-9's ears twitch again. DESARIELLA can tell he is confused.

DESARIELLA (VA) (cont'd)
It's hard to explain. I went to the
holoroom to...

K-9
The Holoroom, Mistress? Did the
Doctor not say to stay out of...

DESARIELLA (VA)
I went to visit Lucas/Guy's grave.

K-9
Oh.

DESARIELLA (VA)
But I had an unexpected visitor.

K-9's ears twitch again.

(CONTINUED)

DESARIELLA (VA) (cont'd)
I have no idea how he got there. Or
why he was there. I never
programmed him into...

K-9
Him, mistress?

DESARIELLA (VA)
Robin.

K-9's ears twitch again. He senses something in the way she
says Robin's name.

K-9
Sherwood Forest is Robin's home. He
belongs there. You can not have one
without the other.

DESARIELLA (VA)
But it is a *program*, K-9. A
program. It should only do what I
tell it.

K-9
This is not the first time the
Sherwood program did something on
its own. Records indicate that it
has...

DESARIELLA (VA)
I know. But...
(beat)
I wasn't expecting Robin to be
there. And I certainly wasn't
expecting what happened to happen.

K-9's ears twitch.

K-9
Mistress?

DESARIELLA (VA)
I knew Robin had feelings for me.
He always did. The real Robin and
the holo-Robin.
(beat)
I just never thought I'd feel
anything for him. But, when he
kissed me, I...

DESARIELLA goes quiet.

K-9
Mistress?

DESARIELLA (VA)
I kissed him back. I...

DESARIELLA looks at Guy's sword.

DESARIELLA (VA) (cont'd)
How could I have done that? How?

K-9
A kiss is just a kiss, mistress.

DESARIELLA (VA)
It was more than a kiss. A lot
more.

(beat)
I never thought I'd be with someone
like that again. Especially not
Robin. I...

K-9
He is not real, Mistress.

DESARIELLA (VA)
What?

K-9
The Robin you were with in the
holoroom, is not real. He is just a
projection. A hologram. He is not
the real Robin.

DESARIELLA (VA)
He felt real. It felt real. It may
have all been within a
holo-program, but it was real.

K-9
You are mistaken. Holo-programs are
not real. Holograms are not real.

DESARIELLA looks at K-9.

DESARIELLA (VA)
It was real to me. And I still
can't believe I let it happen.

DESARIELLA looks back at the sword on the wall.

JACK is walking down the hall. K-9 is coming towards him from the other end of the hall. JACK stops. K-9 reaches him.

JACK

K-9?

K-9 stops.

K-9

Yes master Jack.

JACK

Have you seen D?

K-9's ears twitch. JACK waits for an answer. After a few moments he repeats his question.

JACK (cont'd)

K-9.

(beat)

Where is D?

K-9

Mistress Desariella is in the holeroom.

JACK raises an eyebrow.

JACK

The holo... Seriously? What is she doing in there?

K-9

She is on a date.

JACK

A date? In the holeroom? With who?

K-9's ears twitch. JACK think he knows who she is with.

JACK (cont'd)

Guy.

K-9

Negative.

JACK looks at K-9.

(CONTINUED)

JACK
If not Guy, then who is...

K-9
Mistress Desariella is with Robin.

JACK
(surprise)
Robin?

K-9
Affirmative.

JACK
Robin Hood?

K-9
Affirmative.

JACK says line more to himself than K-9.

JACK
What is she thinking?

K-9
Insufficient data.

JACK says line more to himself than K-9.

JACK
Has she completely lost her mind?

K-9
Insufficient data.

JACK
She can't do this.

JACK runs off down the hall. K-9 continues to wherever he was going.

Sherwood - Path

ROBIN and DESARIELLA are walking along a path.

DESARIELLA (VA)
We can't do this.

ROBIN stops walking. DESARIELLA stops walking. ROBIN looks at her.

(CONTINUED)

ROBIN

What do you...

DESARIELLA (VA)

Last night was a mistake. It never should have happened. We can't...

ROBIN raises a hand to the side of her face.

ROBIN

I love you.

DESARIELLA (VA)

I know but...

DESARIELLA lowers her head.

ROBIN

Guy.

DESARIELLA looks at ROBIN.

DESARIELLA (VA)

Yes. I love Guy. I'll always love Guy. I...

ROBIN

I understand.

DESARIELLA (VA)

Do you?

ROBIN

Yes. And, when you are ready, just know that I am here.

ROBIN kisses her. DESARIELLA breaks the kiss and hugs him.

DESARIELLA (VA)

Thanks.

DESARIELLA is about to let ROBIN go, when the holeroom door appears in front of her and JACK enters. Once JACK is in the room, the door vanishes.

JACK sees DESARIELLA in ROBIN's arms.

DESARIELLA (VA) (cont'd)

Jack?

ROBIN lets DESARIELLA go and starts to turn. As he is turning, JACK addresses the TARDIS.

(CONTINUED)

JACK

PAUSE.

The program pauses. DESARIELLA looks at JACK.

DESARIELLA (VA)

What are you doing here?

JACK

I could ask you the same question.

DESARIELLA doesn't say anything. She looks at ROBIN who is paused.

JACK (cont'd)

I don't know what you're doing D,
but this isn't right.

DESARIELLA, still looking at ROBIN, addresses JACK.

DESARIELLA (VA)

I know.

JACK doesn't hear her and keeps going on his rant.

JACK

I mean Robin? Really? This is wrong
on so many levels.

DESARIELLA, still looking at ROBIN, addresses JACK.

DESARIELLA (VA)

I know.

JACK doesn't hear her and keeps going on his rant.

JACK

What would....

DESARIELLA turns to JACK.

DESARIELLA (VA)

(loud)

Jack! I said I know.

JACK

Oh.

DESARIELLA walks over to a tree and sits under it. JACK looks at her for a few moments, then walks over and sits beside her.

(CONTINUED)

JACK (cont'd)
Why would you even...

DESARIELLA says line while staring at the ground.

DESARIELLA (VA)
He's safe.

JACK
Safe?

DESARIELLA (VA)
(still staring at ground)
He'll never die on me.

JACK
Who, Robin?

DESARIELLA (VA)
(look at JACK)
He'll never leave me.

JACK
D, he's a hologram.

DESARIELLA (VA)
I know. If he should ever die, all
I'd have to do is exit the program
without saving and come back in.
I'd never have to...

JACK
You can't live you life in a
holo-program.

DESARIELLA (VA)
Why not?

JACK
Guy and Lucas wouldn't want that.
They'd want you to be...

DESARIELLA (VA)
Jack, I...

JACK places a hand on her shoulder.

JACK
I remember a time when you wanted
to see the universe.

DESARIELLA (VA)
That was sooo long ago.

JACK
I still want to show it to you.

DESARIELLA (VA)
What are you saying?

JACK raises a hand to the side of her face. He leans in and kisses her. After a few moments they break the kiss.

JACK
You don't need this holo-program,
D. You have me.

DESARIELLA (VA)
Jack, I...

JACK
(smile)
I'll never die on you, D.

JACK kisses her again. She breaks the kiss. She looks over at ROBIN, then addresses the TARDIS.

DESARIELLA (VA)
Exit.

The program shuts down.

CONTINUE TO:

JACK and DESARIELLA are sitting in the middle of the floor. The door appears. JACK looks at DESARIELLA.

JACK
You didn't save that.

DESARIELLA (VA)
I know.

DESARIELLA gets up from the floor. So does JACK.

DESARIELLA (VA) (cont'd)
I think it's time the *Sherwood*
program is filed away. For good.

JACK
You sure?

DESARIELLA (VA)

Yeah.

DESARIELLA heads for the door. JACK follows her, wondering if she really means it.

JACK

I have to take care of this.

No. It shouldn't take long. Once I fix it, I'll call you and you can come get me.

DOCTOR

Okay.

JACK heads down the ramp to the doors.

JACK exits the TARDIS. He closes the door and walks away a bit. He turns and watches the TARDIS dematerialize.

Once the TARDIS leaves, he looks at his vortex manipulator to get his bearings. That's when he realizes he is not where he wanted to be. Well, he is in the right city, just not the right date.

JACK

I can't believe he did that.

(beat)

How could he have messed up the date?

(beat)

I said December 4th 2010. Not April 12th 2010.
