

ARB-L4-4800

4800mAh

**Why Settle for Less When
You Could Have More**

Fenix ARB-L4-4800

High capacity 26650 Li-ion rechargeable battery
specially designed for high-drain devices

ARB-L4-4800

4800mAh

ARB-L4-4800 is a high capacity 26650 Li-ion rechargeable battery specially designed for high-drain devices. With outstanding performance, excellent reliability and compact design, it is the best match for your high-drain devices.

ARB-L4-4800

4800mAh

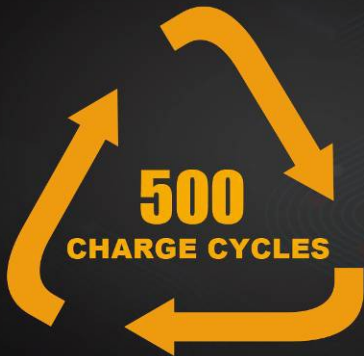

- ✦ 4800mAh high capacity with outstanding performance
 - ✦ Three sets of over-heat protection
 - ✦ Built-in over-charge and over-discharge protection circuit ensure the max performance of the battery
 - ✦ Unique structural design for better impact-resistance
- ✦ The product has successfully passed the following certifications:

RoHS CE FCC

ARB-L4-4800

4800mAh

A properly maintained ARB-L4-4800 battery is designed to retain up to 70% of its original capacity at 500 full charge and discharge cycles. You may choose to replace your battery when it no longer holds sufficient charge to meet your needs.

ARB-L4-4800

4800mAh

Three sets of over-heat protection

Separate microporous protection

Pressure relief valve protection

PTC cathodal block protection

ARB-L4-4800

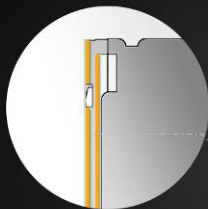

4800mAh

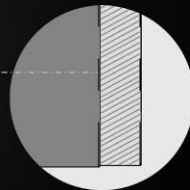

Built-in over-charge and over-discharge protection circuit
ensure the max performance of the battery

ARB-L4-4800

4800mAh

Dual layer structure
at the positive end

Injection-molded protection circuit

Unique structural design for better impact-resistance

Technical Parameters

Model	ARB-L4-4800
Capacity	4800mAh
Voltage	3.7V
Charging current	Recommended 1A, maximum 2A
Weight	98g
Size	Diameter:26.5mm Height:70.5mm
Warranty period	12-month free warranty period since the purchase date

Warning

- ✦ Do not expose the battery to heat or throw it into water.
- ✦ Observe the plus (+) and minus (-) marks on the battery and ensure correct use.
- ✦ After extended periods of storage, it may be necessary to charge the battery to obtain maximum performance every three months.
- ✦ Keep the battery out of the reach of children. Seek medical advice immediately if the battery has been swallowed.
