To the Manager and/or Owner of this Business:

Executive Coaching for Local Businesses

Hello,

My name is Brian McAleer and I am a practicing Life Coach and Author, based in the local area.

I have written this letter exclusively for you as I would like to offer you the opportunity for some executive coaching in relation to setting goals and professional development.

As you know, for any business it's important to set clear goals for your long-term success. I am the author of a book entitled, "Setting Goals using The SMARTEST Method" which is receiving rave reviews and selling across the world right now.

Read what others have to say about my book

"If you are interested in learning how to set goals, then this is the book to read"

"I feel it offers excellent advice and structure to developing goals within my personal and professional life"

What I am offering businesses in the local area is a series of goal-setting coaching sessions. For you, the manager or owner of the business, or even some of your staff members, this can help achieve the long-term goals for your business, increase profit, improve productivity, handle the competition and the overall successful operation for your business or service. I am local to the area and passionate about helping business owners succeed.

I welcome you to contact me at your earliest convenience for a Free, No Obligation Consult, over the phone or in person, where I will discuss The SMARTEST Method with you in more detail and how it can help you achieve the goals for your business.

Please call me on 0432 586 039 or alternatively email me on info@brianmcaleer.com and I will get in touch with you immediately and schedule a time to have a chat.

Thank you and I look forward to hearing from you.

Kind Regards,

Brian – Owner/Manager
