

FAQs about Fenix HL35

Q: What's the product positioning of HL35 and who are the target customers?

A: Fenix HL35 is an indestructible high-performance neutral white headlamp designed for rugged outdoor activities. With rugged Aluminum housing and IP68 rated structure, the headlamp is ready for anything you can throw at it.

Q: What are the key features and benefits of HL35?

A: `

1. Neutral white LED
2. Dual light source
3. IP68 rated structure
4. Dual switch
5. Compatible with AA or 14500 Li-ion battery

Q: Why the parameters of Turbo output are different between AA and 14500 Li-ion battery?

A: To maximize the energy efficiency of both AA and 14500 Li-ion battery, the Intelligent Drive Circuit automatically recognizes the battery loaded and chooses the corresponding working mode, thus produces separate outcomes.

Q: Is there a top headband included in the package of HL35?

A: Yes, there is.

A top headband perfectly stabilizes HL35 and provides fore-aft balance.
