

Snowman Poem for Felt Board

Introduce the poem by using hand actions while saying the poem. Make the parts of the snowman out of felt. Have the students place the parts of the snowman up on a felt board as the poem is read or recited.

Snowman

One little snowman short and fat,
Wearing a scarf and a big black hat.
He has two eyes so he can see,
And also a smile, just for me.
Two sticks for arms,
And a carrot nose,
Buttons down the front,
Almost to his toes.
When the weather is cold,
He stands up tall.
But when the sun comes out,
It makes him very small.
