Watch for details as each event gets closer!

Incentives

Participation in Pink fundraising is encouraged but not required. In addition to the events listed in the calendar, this year we are offering incentives for personal fundraising (ex: dining for a cause at a local restaurant, tag sale, lemonade stand, etc). Families who take pictures of their gymnasts holding personal fundraisers and turn in over \$100 will be eligible to win the following incentives:

1st place - one month of tuition paid for one gymnast

2nd & 3rd places - private lesson with the coach of your choice.

Who is competing at Pink this year?

All J.O. level 3-10 gymnasts and all Xcel gymnasts will be going to Pink this year!

What makes the Pink Invitational special?

- **Club 9.0** - any gymnast who earns a 9 or higher on any event is given a pink ribbon to tie to the ropes bordering the competition area. A local company donates a dollar for each ribbon at the end of the meet.
- **Meet & Greet** - opportunities to meet an Olympic Gymnast and have photos taken together. (Past participants include Shawn Johnson, Nastia Liukin, and McKayla Maroney.)
- **Above & Beyond Challenge** - encourages gyms to raise money for Unite for Her, an organization that provides support to breast cancer patients and education to girls.
- **College Meet** - an opportunity to watch college gymnasts compete.

Questions? Ask the committee.
