

The community center was originally built as the Gnesen School and is located at 6356 Howard Gnesen Rd approximately 13 miles north of Duluth. The building has many great features including a gym (with curtained stage), cafeteria with full kitchen and several rooms for meetings. Outside is an outdoor tennis court and large playground. The parking lot is paved and has marked handicap parking close to the doors.

The entire center or individual rooms can be rented by contacting our Community Center Manager, Toni Blomdahl. She can be reached at 218-340-4625 or email at [tblomdahl@qwestoffice.net](mailto:tblomdahl@qwestoffice.net).
