

# IDENTITY LEATHER CRAFT

*for people who make, mend or adapt things out of leather*

## INTERNATIONAL CUSTOMERS

We welcome EU and international customers and ship worldwide.

Depending on the order we use the UK Royal Mail International Service with tracking where available. For larger and heavier parcels we will search to find the best courier service at the most reasonable prices. Please note that where duties and taxes are charged these are payable by the customer.

We can ship most of our products worldwide, however, there are restrictions on shipping certain items, usually this will be detailed in the product description.

We are always happy to help...
