WELCOME!

RBdigital offers an easy way to access audiobooks and eBooks from your library. Follow these instructions to use the service with your mobile devices.

Getting Started

1 First-time users need to set up an RBdigital account. From your library's RBdigital site, select **REGISTER** at the top right.

**2** Search in your device's app store and download the free RBdigital app.

*Depending on when you are accessing RBdigital, you may see one of these two logos.

3 After installing the app, select **OPEN** from the app store or select the app icon from your device screen.

4 Log in to your app with the username/email and password used to create your RBdigital account. Select your country, state/province, and library name.
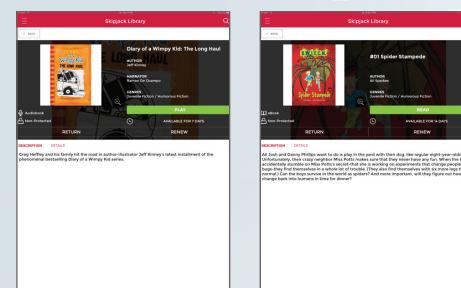

Checking Out Titles

1 If you currently have audiobook or eBook titles checked out, they will appear on the dashboard.

2 To check out a title, click the **EXPLORE** icon. You can search by title, author, keyword, genre, and narrator (for audiobooks).

← Explore eBooks

← Explore audiobooks

3 Once you've made your selection, click **CHECKOUT**. This title will now show up on your dashboard page.

Listening to Audiobooks and Reading eBooks

1 On your dashboard screen, click the tab for audiobooks and eBooks.

2 Select the **INFORMATION** icon to get information on your checked-out book and to **RENEW/RETURN** and update **SETTINGS**.

3 Select the **DOWNLOAD** icon and then select the **PLAY** icon for audiobooks or **READ** icon for eBooks.

4 In Read or Play mode, select the **SETTINGS** icon to update your reading/listening preferences.

 Don't have a mobile device? Read or listen to your book online in your internet-enabled browser or download the audiobook to an MP3 or portable device using the RBdigital Media Manager.
