

CL20R RECHARGEABLE CAMPING LANTERN

Max 300 Lumens

Built-in 1600mAh Li-polymer battery

Micro USB

Neutral white
and red light

Magnetic

1600mAh
battery

CL20R is a rechargeable high-performance camping lantern. It is fitted with neutral white LED's and red LED's, which emits a max output of 300 lumens. The white light features 4 output levels and the red with 2, perfectly meet the lighting demands in various camping environments. Powered by the built-in 1600mAh Li-polymer battery, CL20R also features charging and battery level indication function. The classic appearance inherits **"Little snail"**, simple but lovable. In addition, the IP66 rated protection, magnetic bottom and hanging loop make the CL20R portable and convenient as the exceptional camping lantern.

- ✧ Micro USB rechargeable; battery level indication
- ✧ 1600mAh Li-polymer battery for long runtime
- ✧ Neutral white and red light sources
- ✧ Magnetic bottom and hanging loop

MICRO USB CHARGING

Solid green: fully charged

Red flashes: charging

*The lantern can only be used on Low and Med output when charging, but the charging time will be prolonged.

Red flashes: charging

BATTERY LEVEL INDICATION

Green light constant-on: saturated, more than 85%

Green light flashes: sufficient, 85%-51%

Red and green flash alternately: poor, 50%-21%

Red light flashes: critical 20%-0%

(These are approximate figures.)

HIGH-CAPACITY BATTERY FOR LONG RUNTIME

Built-in 1600mAh Li-polymer battery, which compares to 7 AAA batteries, and delivers a max runtime of 200 hours.

NEUTRAL WHITE + RED LIGHT SOURCES

16 neutral light LED's and 2 red light LED's;
even and smooth beam effect.

Neutral white mode

Max 15m beam distance, max 300 lumens output

A COMBINATION OF NEUTRAL WHITE AND RED LIGHT

Red light mode

Red flash - serve as a signaling or alerting light

Red constant on - protects night vision effectively, avoids attracting mosquitoes

ONE SWITCH CONTROLS DUAL LIGHTING SOURCES

- **Neutral white light**

Press and hold for 0.5 seconds to turn on/off

With the lantern on, single click to cycle through Low→Med→High→Turbo
(Low is factory defaulted)

- **Red light**

With the lantern on, double click to enter/exit red light

Single click to cycle through Constant on→Red Flash
(Constant on is factory defaulted)

VARIOUS WAYS OF WEARING

Magnetic attaching and large-sized hook

PROFESSIONAL COMPOUND EYE STRUCTURE - ANTI-GLARING LANTERN BODY

The spherical luminous body is made of quality plastics and high transparent material, allows 360° illumination and emits a soft and even beam.

IP66 RATED PROTECTION

Dustproof

Totally protected against dust and foreign objects

Waterproof

Can withstand heavy rain and splashing

THE UPGRADED “LITTLE SNAIL”

The Smaller The Better

Items	CL20R	CL20
LED	16 neutral white LED's, 2 red LED's	9 neutral white LED's, 2 red LED's
Max output	300 Lumens	165 Lumens
Max runtime	200h	71h 40min (Ni-MH)
Beam diameter	15m (Max)	10m (Max)
Dimension	72mm Length x 41.5mm Width x 50mm Height	78.4mm Length x 45.2mm Width x 59.1mm Height
Weight	91g (including battery)	103.2g (excluding battery)
Battery	Built-in 1600mAh Li-polymer battery	1*CR123A and 2*AA
Magnetic function	Powerful magnet	Two points magnet
Other features	USB charging; battery level indication	

TECHNICAL PARAMETERS

	General Mode				Red lantern	
	Turbo	High	Med	Low	Flash	Constant on
Output	300 Lumens	130 Lumens	40 Lumens	1 Lumen	1.5 Lumens	1.5 Lumens
Runtime	6h	12h	20h	200h	/	100h
Diameter	15m(Max)					
Impact Resistance	1.5m					
Waterproof	IP66					

The abovementioned parameters (lab-tested by Fenix using 1600mAh Li-polymer battery) may vary between lanterns, batteries and environments.

PRODUCT FEATURES

- © 16 neutral white LED's plus 2 red LED's, even and smooth beam
- © White light: 4 output levels; red light: 2 output levels
- © Max 300 lumens and 200 hours runtime
- © Built-in 1600mAh Li-polymer battery
- © Magnetic bottom and hanging loop
- © 72mm Length x 41.5mm Width x 50mm Height
- © 91 grams
- © Single electronic switch for fast and convenient operation
- © Made of quality plastics and high transparent material - smooth anti-glaring beam
- © IP66 rated protection

INCLUDED IN THE PACKAGE

1*CL20R camping lantern

1*USB charging cable

1*User manual

1*Warranty card

Size: 110mm*85mm*51mm (4.3*3.3*2 in)

Weight: 170g / 6.0oz
