

Lord, You are the God of life and death, and we can only stand in awe before you at this time. We thank you for Frank's life, that it stands as a testimony of Your grace, faithfulness, and love. We thank You for the work You did in Frank over the sixty years of his life; calling him to Your Son; redeeming him; sanctifying him, and now, glorifying him."

"Lord, we pray for Frank's family: for Gil, Iddo, Noa, his visiting family, his friends. We ask You to comfort them in this hour of grief, to reveal to them further depths and rich dimensions of Your glory to them; to be to them a refuge, a fortress, and a strong tower. Lord, cover them now with Your love as a Father to His children."

Lord, we ask You to make Jesus real to them, so that their hope is in Him.

And finally, we pray for all of us here, Frank's family in Christ that he so loved, cherished, and served, that his absence will be an even greater witness to Your glory than even his presence was. May we all long for and meet again in the New Heavens and the New Earth that Frank so longed for. In Jesus's name, Amen"
