

Recorded▶Books presents

RBdigital is the **ONLY** patron mobile app that provides access to more than 10 types of digital content in one app—making it simple for you AND your patrons to discover and access a wide selection of content.

THE UNIFIED RBDIGITAL APP OFFERS:

- **Audiobooks**—Over 30,000 titles published by Recorded Books, as well as tens of thousands of premium audiobooks from other major publishers.
- **eBooks**—Bestselling and award-winning eBooks by top authors.
- **Magazines**—The largest collection of digital magazines for libraries.
- **Comics**—Hundreds of top comics from major brands.
- **Streaming Video**—Unlimited streaming video services including award-winning comedies, documentaries, drama, animation, shorts, classic TV, British TV and film, Broadway shows and musicals, Spanish telenovelas and movies, and more.
- **Education**—A comprehensive collection of online world language learning, art and music instruction, software training, and more.
- **Games and Music**—Full-length concerts and music documentaries with video games coming soon.

With over 100 million checkouts worldwide, RBdigital is in demand by library patrons.

One Stop App

Amazon Kindle review

Best library eAudio / eBooks app!

iOS app user review

Easy to use

Google Play review

RBdigital now offers libraries the broadest array of content services on a single app. This allows a library to feature more content through RBdigital and help simplify the number of vendors the library manages, saving time and collections efforts. Also, when a library offers more services on a single app, library patrons will have fewer apps and passwords to manage—leading to an improved viewing experience.

ONLY VENDOR TO OFFER THE BROADEST ARRAY OF CONTENT SERVICES IN ONE APP!
