Start:

String beads before winding the shuttle, in the following order: 12 seed beads, 1 dagger bead, 12 seed beads. Wind about 1 and ½ yards of thread onto the shuttle, keeping all beads on the ball thread and DO NOT cut the thread from the ball.

Attach the thread to the filigree by pulling a loop of thread through a petal, put the shuttle through the loop, and tighten.

Ch 5, [bp with 3 beads, 5] 3 times. RW.

R 4, skip one petal of the filigree and join to the next petal, 4, close ring. RW.

Ch 5.

R 4, join to the next petal, 4, close ring.

RW.

Bottom of heart: Ch 5, bp with the next 7 beads, 5. RW.

R 4, join to the **same** petal as previous ring, 4, close ring. RW.

Ch 5.

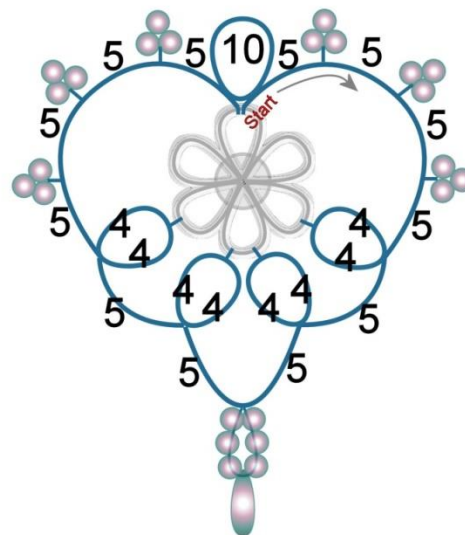

R 4, join to the next petal, 4, close ring. RW.

Ch 5, [bp with 3 beads, 5] 3 times, Attach to the same petal of the filigree as the start, by pulling a loop of the shuttle thread through the petal, putting the shuttle through the loop, and tightening.

Top ring: R 10.

Tie ends. Secure the top ring by putting one of the tails through the start of the first chain, hide ends, and cut. Block with steam. Attach jump ring around the top tatted ring.
