

**NOTE:** LawDepot for Libraries empowers you to create personalized legal contracts and documents specific to your state/province and personal situation.

Access your library's RBdigital collection in a browser.

**LOGIN** with existing account credentials or click **CREATE NEW ACCOUNT** to create an account or sign in with an existing account.

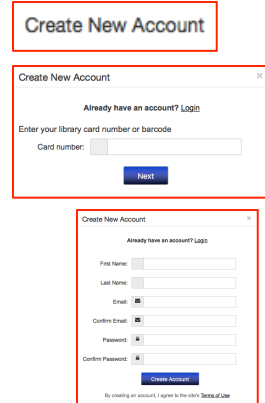

1

**FIRST TIME USER:** Click **CREATE NEW ACCOUNT** Enter library and user information.

Review terms and privacy policy. Click **REGISTER**.

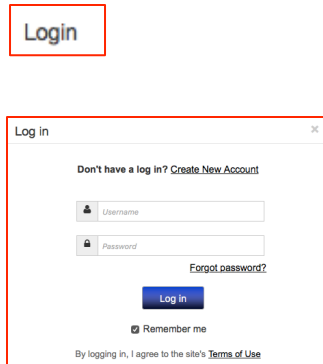

2

**EXISTING USER:** Click **LOGIN**

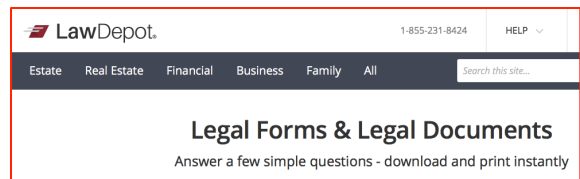

Enter your user information. Review terms and privacy policy. Click **LOG IN**

3

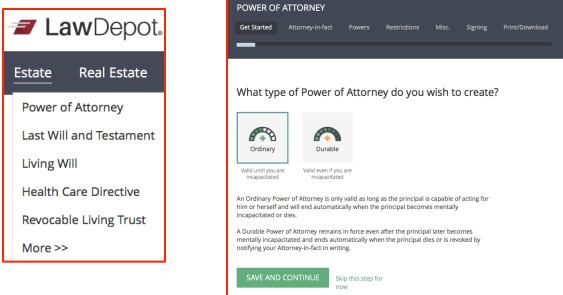

LawDepot will open to your personal homepage. First time service opens to main search page. Returning user opens to personal activity dashboard.

4

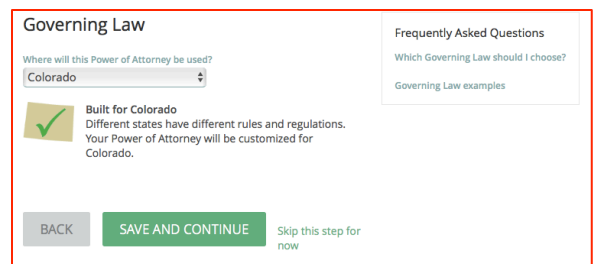

Select the **SUBJECT TAB** to access available contracts.

5

Contract opens with simple self-guided prompts to fill in contract details. Based on answers the contract customizes for your personal needs.

6

**NOTE:** LawDepot works completely in a secure and private browser. All your work is secure, private and saves as you go. When you return you resume where you left off. Access the Help sections for legal definitions and frequently asked questions.
