

# NFL PLAYOFFS 2023-24

## MAGNOLIA FOOTBALL POOL

### SURVIVOR SERIES

Entire sheet must be completed and submitted prior to  
end of day January 12, 2024!

**\$10**

Because the NFL "reseeds" after the Wild Card Round, if one of your predictions fails to win, or if you happen to make a mistake in completing this form, your Conference Finals (b) predicted winners may play each other, making it impossible for both your future predictions to occur. Please take the time to understand that this may happen, and that this entry sheet is final, and no changes after the start of the NFL playoffs will be allowed, or considered.
