Dear Ms. Tramp:

Your request for approval as a Clinical Instructor has been received. A review of your qualifications show you to meet the State's requirements for a nurse aide training program at, Heart & Hands CNA Training Program in Miles City, Montana, by virtue of your education and experience.

You may provide instruction to the students under the general supervision of the Program Coordinator. You may also sign the skills checklist as an observer, but the verification on page three of the skills checklist must be signed by the Program Coordinator or RN Clinical Instructor.

This approval shall be in effect so long as you remain actively engaged in teaching and/or work in a long term care or home health setting. Should you teach in another nurse aide training program, please notify this Department.

This approval does not include an approval as a Test Proctor. A separate approval to proctor the state-approved nurse aide competency test for Headmaster must be obtained from:

Headmaster
3310 McHugh Drive
Helena, MT 59602
Phone: 406-442-8656

It is your responsibility to see that your employer gets a copy of this approval.

Sincerely,

A handwritten signature in cursive that reads "Roseline Efta, RN".
