TK26R 常规说明书

七国语言说明书 /105G铜版纸/单黑双面印刷/风琴折4折再4折/225*392mm/-A2-20191021

Fenix LIGHTING FOR EXTREMES TK26R Tri-colored tactical law-enforcing flashlight. Includes 1500 LUMENS MAXIMUM OUTPUT, 350 METERS MAXIMUM BEAM DISTANCE, and WHITE, RED AND GREEN LIGHTS.

Technical diagram and graph for the flashlight. The graph shows beam distance (1500m) and brightness (1500lm) over runtime, with color-coded modes: TURBO (red), HIGH (blue), MED (green), LOW (orange), STROBE (purple), RED (yellow), GREEN (cyan).

ENGLISH/GERMAN/ITALIAN/SPANISH/CHINESE/FRENCH/PORTUGUESE/ARABIC/TURKISH/INDONESIAN/VIETNAMESE instructions for the flashlight, including sections on battery care and usage.

(ENGLISH)FENIX TK26 R FLASHLIGHT. Detailed English instructions covering operation, battery replacement, and low-voltage warning.

TECHNICAL PARAMETERS table and BATTERY REPLACEMENT instructions. Includes a table with columns for output type (Turbo, High, Med, Low, Strobe, Red, Green) and corresponding luminous flux, beam distance, and runtime.

INTELLIGENT PROTECTION and USAGE AND MAINTENANCE sections. Explains the flashlight's intelligent protection features and provides maintenance instructions for optimal performance.

(中文)Fenix TK26 R 手电筒. Chinese instructions for the flashlight, covering operation, battery replacement, and safety warnings.

技术参数 (Technical Parameters) and 智能操控 (Smart Control) sections in Chinese. Includes technical specifications and instructions on using the flashlight's intelligent protection features.

(RUSSIAN)ФОНАРЬ FENIX TK26 R. Russian instructions for the flashlight, including sections on battery care and usage.

(SPANISH)INTERNER FENIX TK26 R. Spanish instructions for the flashlight, covering operation, battery replacement, and safety warnings.

PARÁMETROS TÉCNICOS and ESPECIFICACIONES DE BATERÍAS sections in Spanish. Includes technical specifications and battery specifications in a table.

(ITALIAN)INTERNER FENIX TK26 R. Italian instructions for the flashlight, covering operation, battery replacement, and safety warnings.

TECNICHE E DATI and INDICAZIONE DEL LIVELLO DELLA BATTERIA sections in Italian. Includes technical data and instructions on battery level indicators.

PARAMETRI TECNICI and RICARICA sections in Italian. Includes technical parameters table and instructions on recharging the flashlight.

PROTEZIONE INTELLIGENTE and AVVERTIMENTO sections in Italian. Explains the intelligent protection features and provides important safety warnings.

TECHNISCHE DATEN and BEDIENUNG sections in German. Includes technical data and instructions on operating the flashlight.

TECHNISCHE DATEN and BEDIENUNG sections in German. Includes technical data table and detailed instructions on usage.

INTELLIGENTER ÜBERHITZUNGSSCHUTZ and ENTHALTEN sections in German. Explains the intelligent overheating protection and lists included accessories.

(RUSSIAN)ФОНАРЬ FENIX TK26 R. Russian instructions for the flashlight, including sections on battery care and usage.

ТЕХНИЧЕСКИЕ ХАРАКТЕРИСТИКИ and ПРАВИЛА ЭКСПЛУАТАЦИИ sections in Russian. Includes technical characteristics and user operation rules.

ЗАЩИТА ОТ ПЕРЕГРЕВА and ПРЕДУПРЕЖДЕНИЕ О НИЗКОМ ЗАРЯДЕ sections in Russian. Explains overheat protection and low battery warnings.

(FRENCH)LAMPE TORCHÉ FENIX TK26 R. French instructions for the flashlight, covering operation, battery replacement, and safety warnings.

CARACTÉRISTIQUES and INDICATION DE BASSE TENSION sections in French. Includes technical characteristics and low battery indication instructions.

UTILISATION ET ENTRETIEN and PROTECTION INTELLIGENTE sections in French. Explains usage and maintenance and intelligent protection features.

(TURKISH)İÇERİSİNDEN FENIX TK26 R. Turkish instructions for the flashlight, covering operation, battery replacement, and safety warnings.

PARAMETRELERİ and ŞARJLAMA sections in Turkish. Includes technical parameters and instructions on recharging.

PROTEZIONE INTELLIGENTE and AVVERTIMENTO sections in Italian. Explains intelligent protection and provides safety warnings.

(TURKISH)İÇERİSİNDEN FENIX TK26 R. Turkish instructions for the flashlight, covering operation, battery replacement, and safety warnings.

PARAMETRELERİ and ŞARJLAMA sections in Turkish. Includes technical parameters and instructions on recharging.

PROTEZIONE INTELLIGENTE and AVVERTIMENTO sections in Italian. Explains intelligent protection and provides safety warnings.
