POLE BENDING

RAMRODEOONTARIO.COM

Camera operator must introduce the rider with their first and last name before they head into the arena.

**PLEASE GIVE YOURSELF ENOUGH ROOM TO STOP AFTER THE RUN
(Suggested Minimum 20ft)**

Pole Bending (Separate Events: Ladies & Youth)

START UP INSTRUCTIONS

- Before turning on video camera ensure the course is set up as per measurements.
- Once you begin video via Facebook Live quickly measure the course with a tape measure on video to using directions as follows:
 - a) Starting line to be marked by white powder 21 ft. from Pole #1
 - b) Measure from Pole #1 to Pole #2 (21ft)
 - c) Measure from Pole #2 to Pole #3 (21ft)
 - d) Measure from Pole #3 to Pole #4 (21ft)
 - e) Measure from Pole #4 to Pole #5 (21ft)
 - f) Measure from Pole #5 to Pole #6 (21ft)
 - g) Poles must be circled with white powder to ensure that they cannot be moved
 - h) Camera operator introduce the competitor with their first and last name before they head into the arena.

IMPORTANT NOTES

Before entering and competing in any event please read and understand the event rules in the Central Rodeo League Rulebook

- A knocked pole will result in NO TIME
- Runs will be hand timed by CRL timers from video recording
