

## Notes From HREC Working Meeting December 27, 2022

Looked at Spark Plan – found several corrections to make – Erickson will make those – accepted the plan as complete. It will be discussed at a staff meeting with Paul Anderson on January 10, then presented to the City Commission on January 23.

Need to come up with talking points regarding the Plan, and organize them for presentation to City Commission. Erickson and Burchell will work on those. Erickson will be main presenter at that meeting, but Burchell and Gripper will support.

Group discussed top priorities to pursue in 2023

1. Creating a 1-page document on dealing with protesters on public property, but attempting to engage people entering targeted businesses. Then presenting the document to businesses for input, then having an information session to inform ALL businesses in Ironwood.
2. Complete the revisions to the City ordinances
3. Work with PSD on interracial policies and collection of traffic stop data

Changed January 18 meeting date to January 17 at 6pm because Tuesdays may be better for Rencontre.
