

## U.S. Route 40

**U.S. Route 40/State Route 310 pavement repairs** - On Sunday, October 8, from 9:00pm to 5:00am, SR 310 will be closed at U.S. 40 for pavement repairs. A lane eastbound and westbound on U.S. 40 will remain open to through traffic. NB 310 traffic should detour to the SR 158 exit and take SR 158 NB to U.S. 40 WB.

The work to be done will be in the middle of the intersection of SR310 and US40.

Message boards will be placed on I-70 at SR310, SR158 and at SR158/US40 directing warehouse traffic to use SR158 Northbound -> US 40 Westbound.

At the intersection of SR310/US40 one through lane of US40 Westbound will be maintained and right turns will be allowed from all 4 directions.

If SR310 Northbound trucks should come up to the intersection, the contractor & deputies will work to get them through.

There will be 3 deputies with patrol cars on site along with contractor's personnel to maintain traffic in this fashion.
