The live-action packed sport of rodeo just as seen at the Calgary Stampede is fun for the whole family and includes events such bareback and saddle bronc riding, barrel racing, pole bending and the world's most dangerous sport- bull riding!

The RAM Rodeo has been nominated for and won several Ontario Tourism Awards in it's now, 28th year of history. Many in the community will be involved and I hope that you will support them while getting a chance to experience a local sponsorship of this great community RAM Rodeo Tour live event.

This local sponsorship can give you a feel for the involvement achieved through a RAM Rodeo at a very low introductory price. Below you will find more information on the explaining the sport of rodeo and the history of the RAM Rodeo Tour, along with the sponsorship package. It is hoped you will find a level of comfort that you can become involved with and support this local initiative. SPORT OF RODEO

The sport of rodeo is a fast-paced, thrilling and entertaining show for the whole family and for people of all walks of life.

It is a unique form of entertainment, while highlighting the history of our Canadian cowboys and cowgirls. With all the performances being live, there are never two shows alike. Each aspect of the rodeo utilizes resources from within our home province. For example, the producers, the stock contractors, the rodeo clowns, sound man and all other workers and crews involved are all Ontario based businessmen and individuals.

Although the cowboys and cowgirls come from all over Eastern North America, they travel down the road together and there is a real sense of family amongst the competitors. They each love what they do, and they travel throughout Ontario not only to introduce this great sport to the different communities, but to also put on the best show for the public.

The RAM Rodeo Tour Committee sincerely believes that your participation will only add to the professionalism of our RAM Rodeo, and help this exciting sport to continue to grow and raise monies for rural Ontario communities.
