

From the Office of Bishop James B. Walker

I pray... you may prosper... and be in good health,...as your soul prospers. 3Jn 1:2

Black people are blessed to have very few cases of Corona Virus (COVID 19). The research suggests Black folk are blessed and maybe undiagnosed, but not immune.

Prevention is the Key:

Pray and Wash: Repeat the Lord's prayer while washing your hands.

Don't touch anyone's face, mouth, eyes or nose with **unwashed hands.**

Cover every Cough and Sneeze with disposable tissues, **not your hand.**

Fist-bump vs handshake, teach it in church, practice it in the community.

Use hand sanitizer, at least 60% alcohol.
