

**From the Desk of the
President/Business Rep.**

Attending the Los Angeles County, House of Labor Workers Congress at the Westin Bonaventure Hotel in Los Angeles on March 13, 2018 was an amazing way for Local 40 to be part of the solidarity movement of labor in California in these trying times. Sharing that experience with some of our Sisters and Brothers from many other Local Unions and Crafts, including IBEW Local 47 and IBEW Local 11, was an event to remember.

Left to right: Don Easy, President IBEW Local 40, Hector Burruel Treasurer IBEW Local 40, Stanley Stosel, Senior Assistant Business Manager IBEW Local 47, Rick Garcia, Membership Development IBEW Local 47, Robert Madrigal, President So. Cal. EWMC.

Part of the day's activities included the swearing in of the Executive Board of the Los Angeles County House of Labor which included Business Manager of IBEW Local 11 Marvin Kropke. The event included hearing from many speakers from around the City, County, State and Country, including our very own Mayor of Los Angeles Eric Garcetti, who spoke about the Solidarity of Labor in the City and Country today, the Janus case, and how we can continue to work together for the future of worker's rights.

Don Easy
President/
Business Rep.

Mental Health Awareness Month

May is Mental Health Awareness month! Local 40 is hoping to raise awareness, and encourage members to take advantage of our excellent health plans.

Members working under the Motion Picture Agreement may find assistance with behavioral health and wellness programs through Optum Health. Visit MPIHP.org for more info

Members working under the Inside Agreement may find assistance with behavioral health and wellness programs through Kaiser Permanente. Visit the Inside Agreement Benefits page on our website for more information.
