The Perfect Harmony Booster Club is the parent support organization for the Kennedy Singers. We are incredibly proud of the singer's accomplishments and need your help as we look forward to another successful year.

Donating and becoming a member of the Booster Club allows you to participate in the decision-making process of the club, share ideas, and have an active role in supporting your child's creative activities.

Please join us and help shape the future of this program for the Kennedy High School Choir.

For additional information about membership, please email: kennedysingerboosters@gmail.com

Please send the membership application & membership dues to the school with your student.
